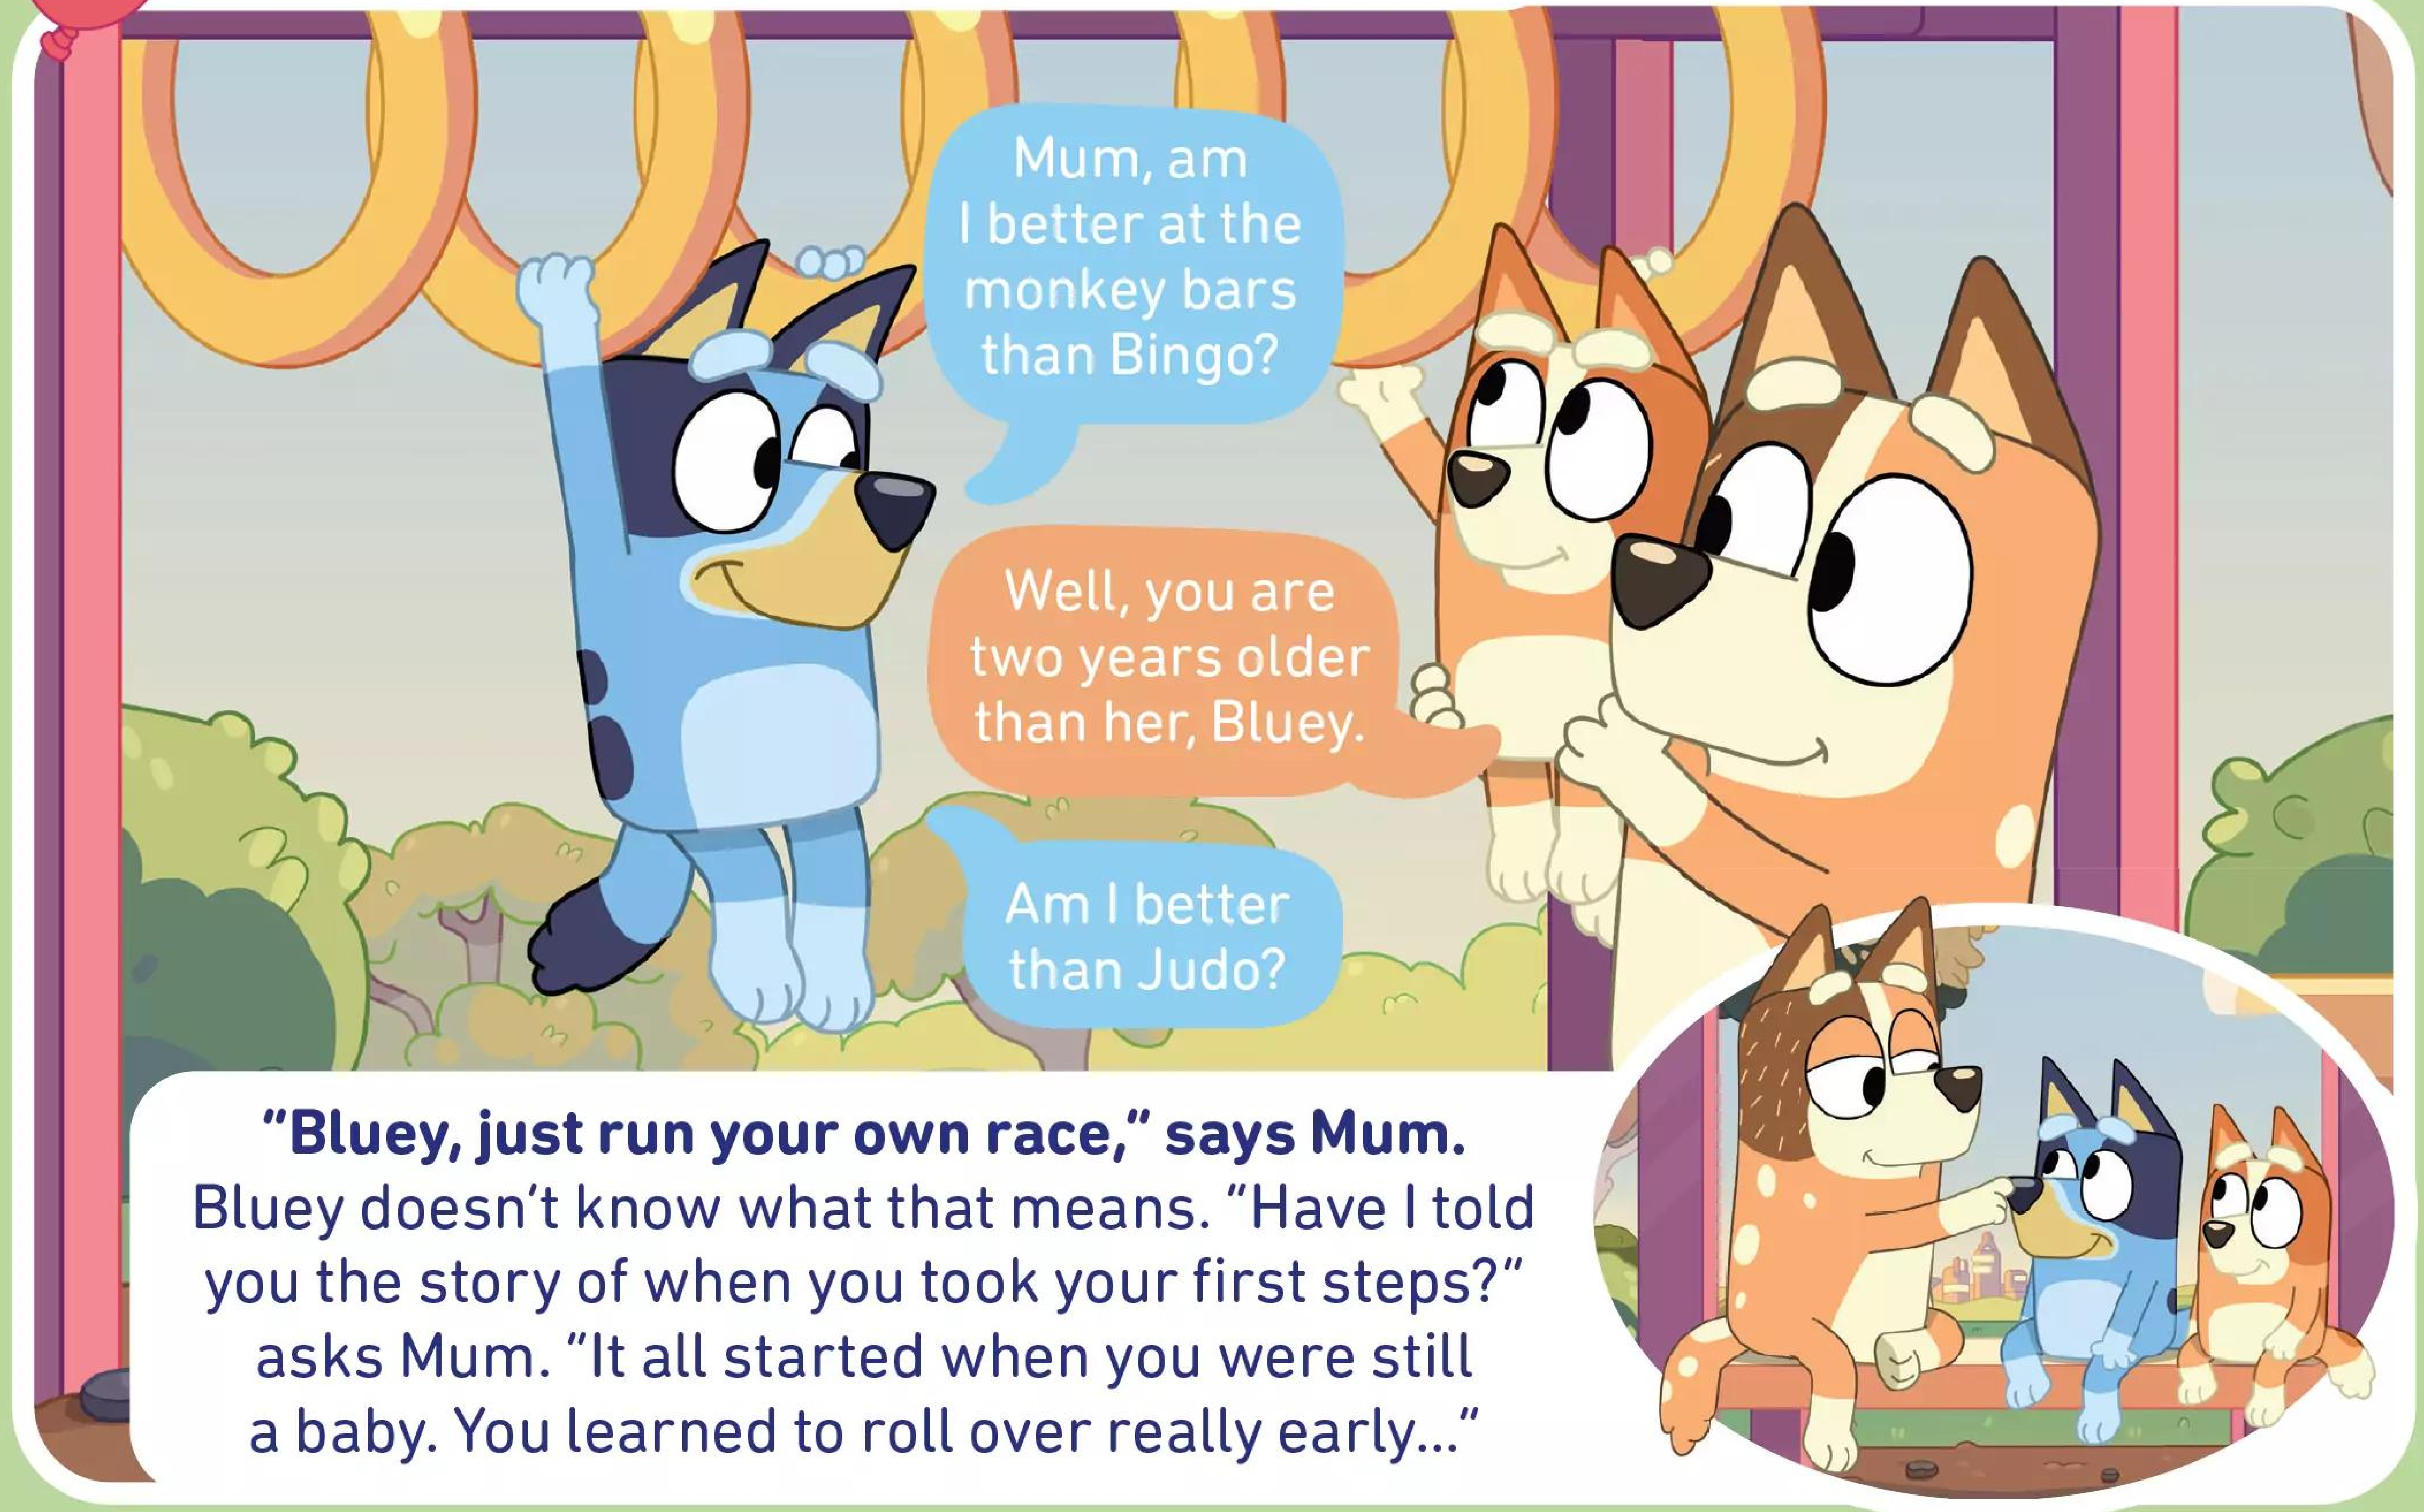
STORY

Baby Race

Can Mum help Bluey win the baby race?

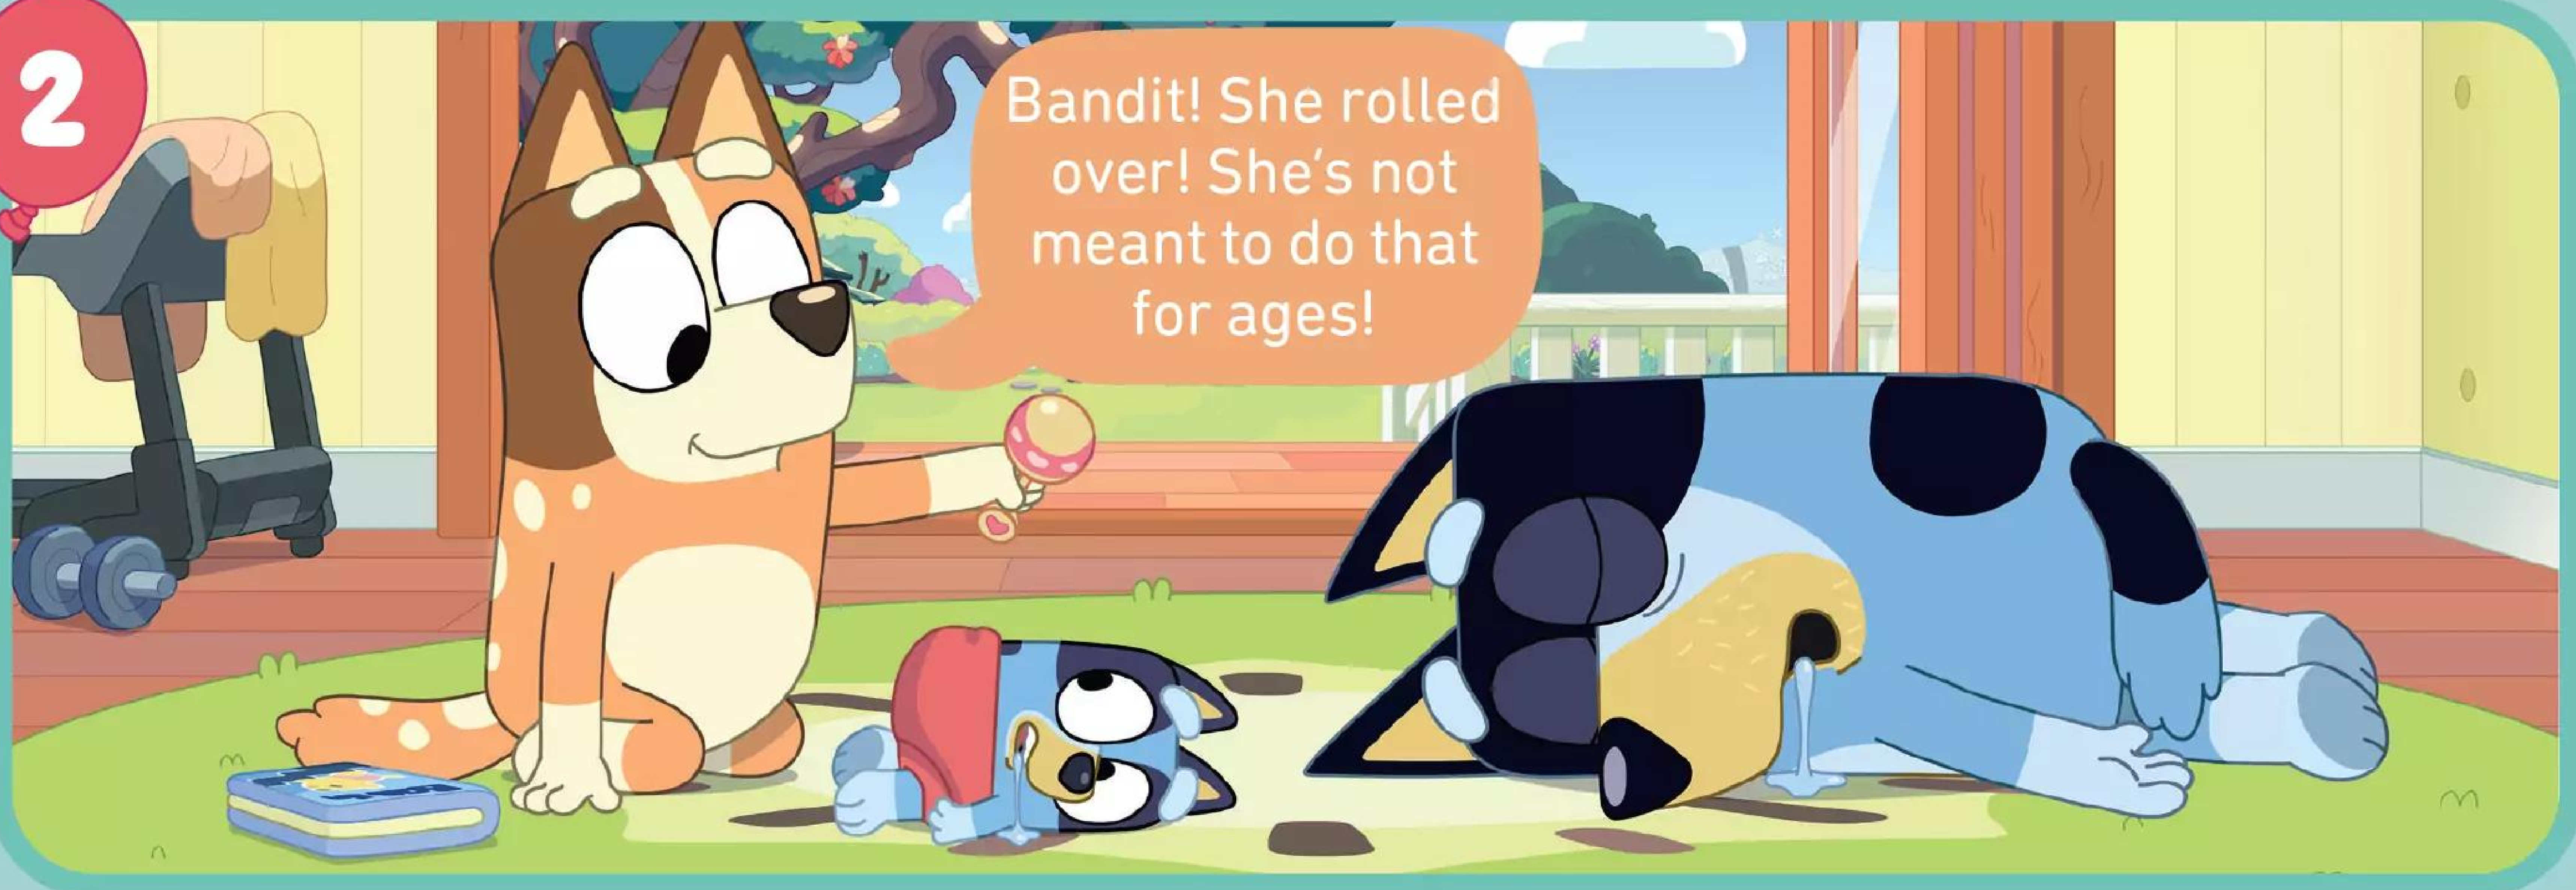
1 Bluey, Bingo and Mum are at the playground...



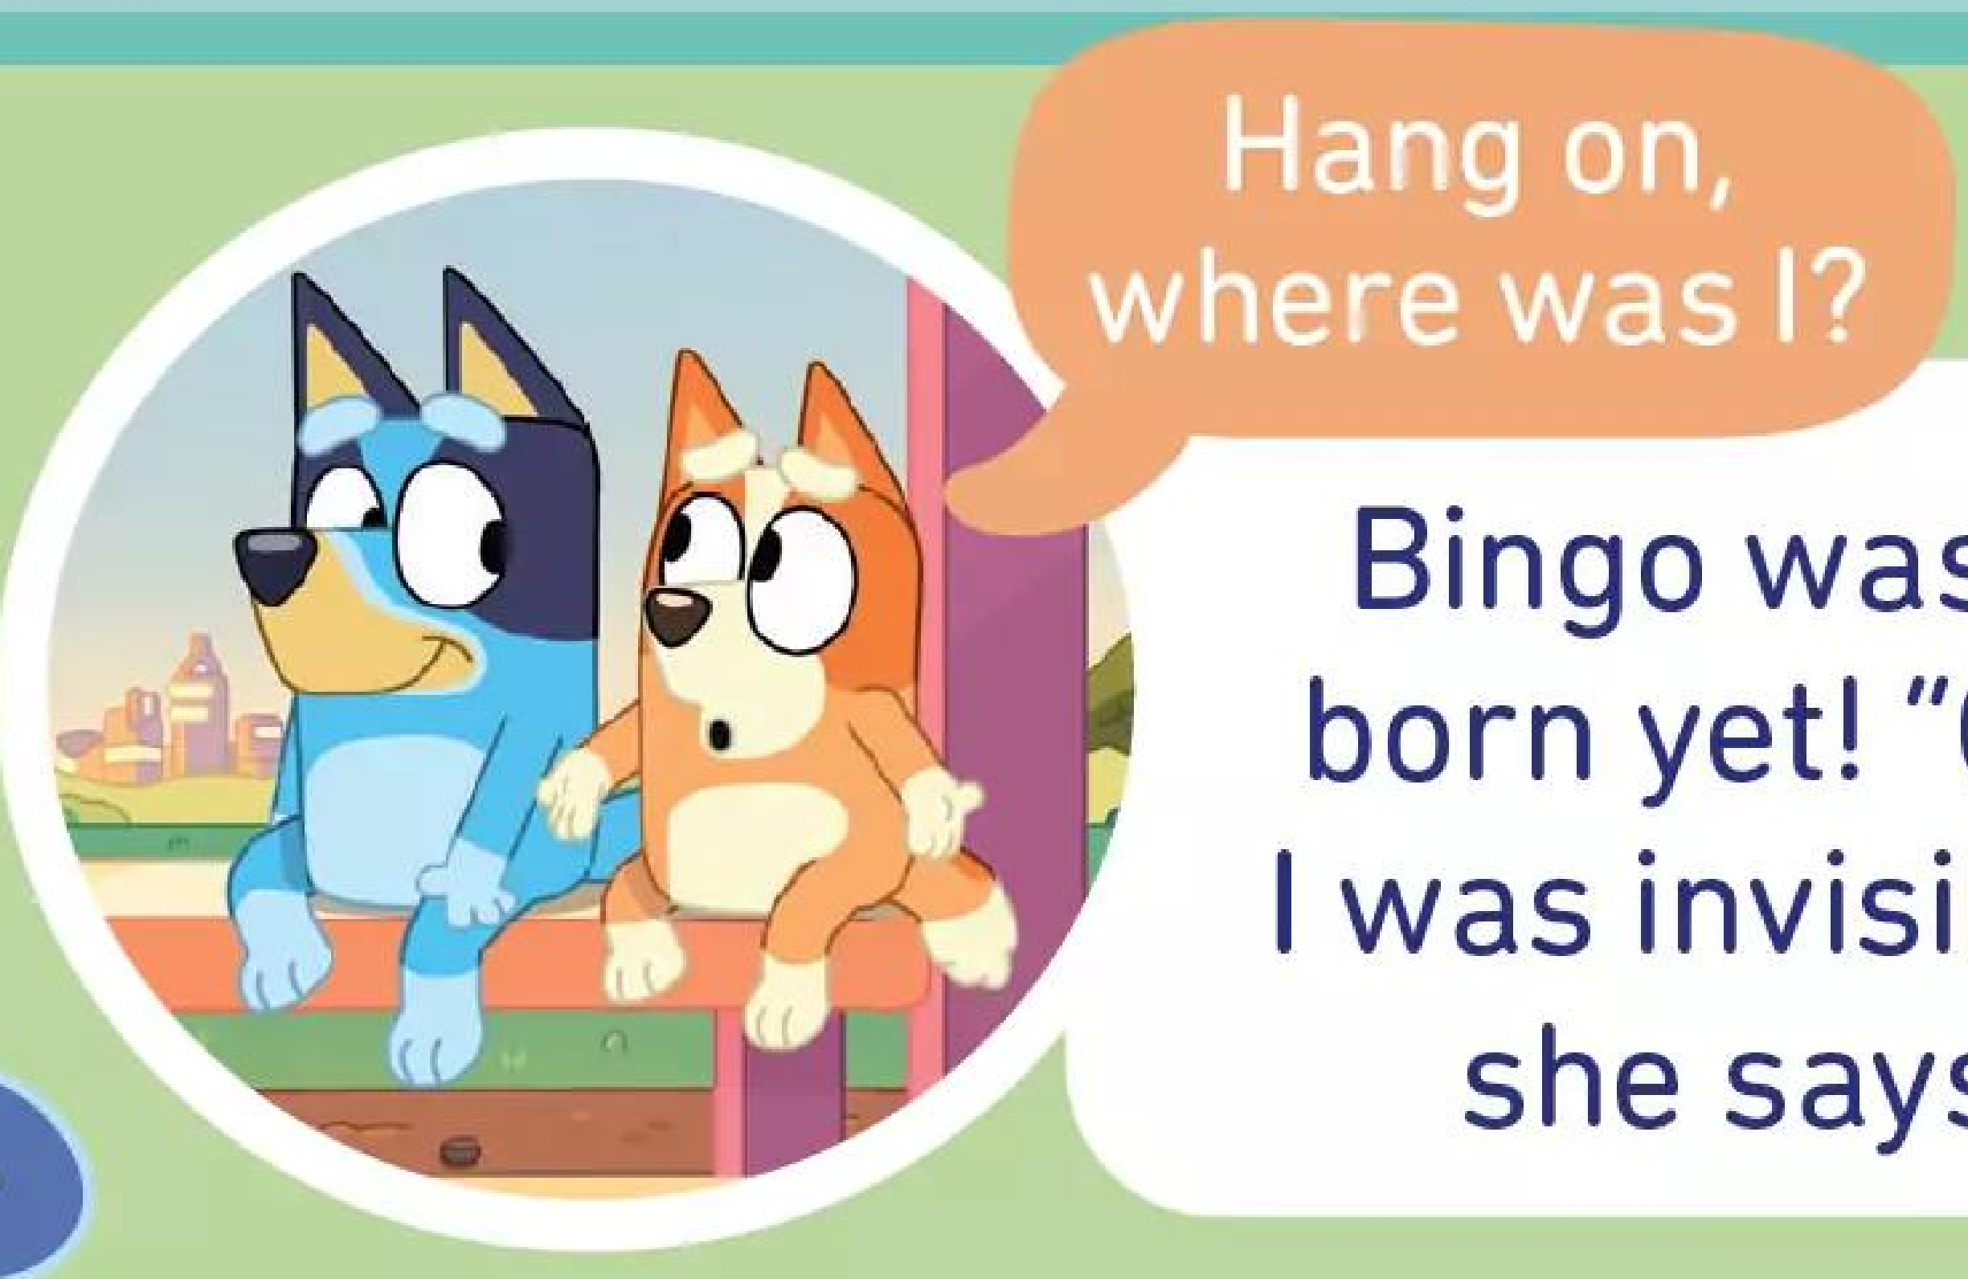
Mum, am I better at the monkey bars than Bingo?
Well, you are two years older than her, Bluey.
Am I better than Judo?

"Bluey, just run your own race," says Mum. Bluey doesn't know what that means. "Have I told you the story of when you took your first steps?" asks Mum. "It all started when you were still a baby. You learned to roll over really early..."

2



Bandit! She rolled over! She's not meant to do that for ages!

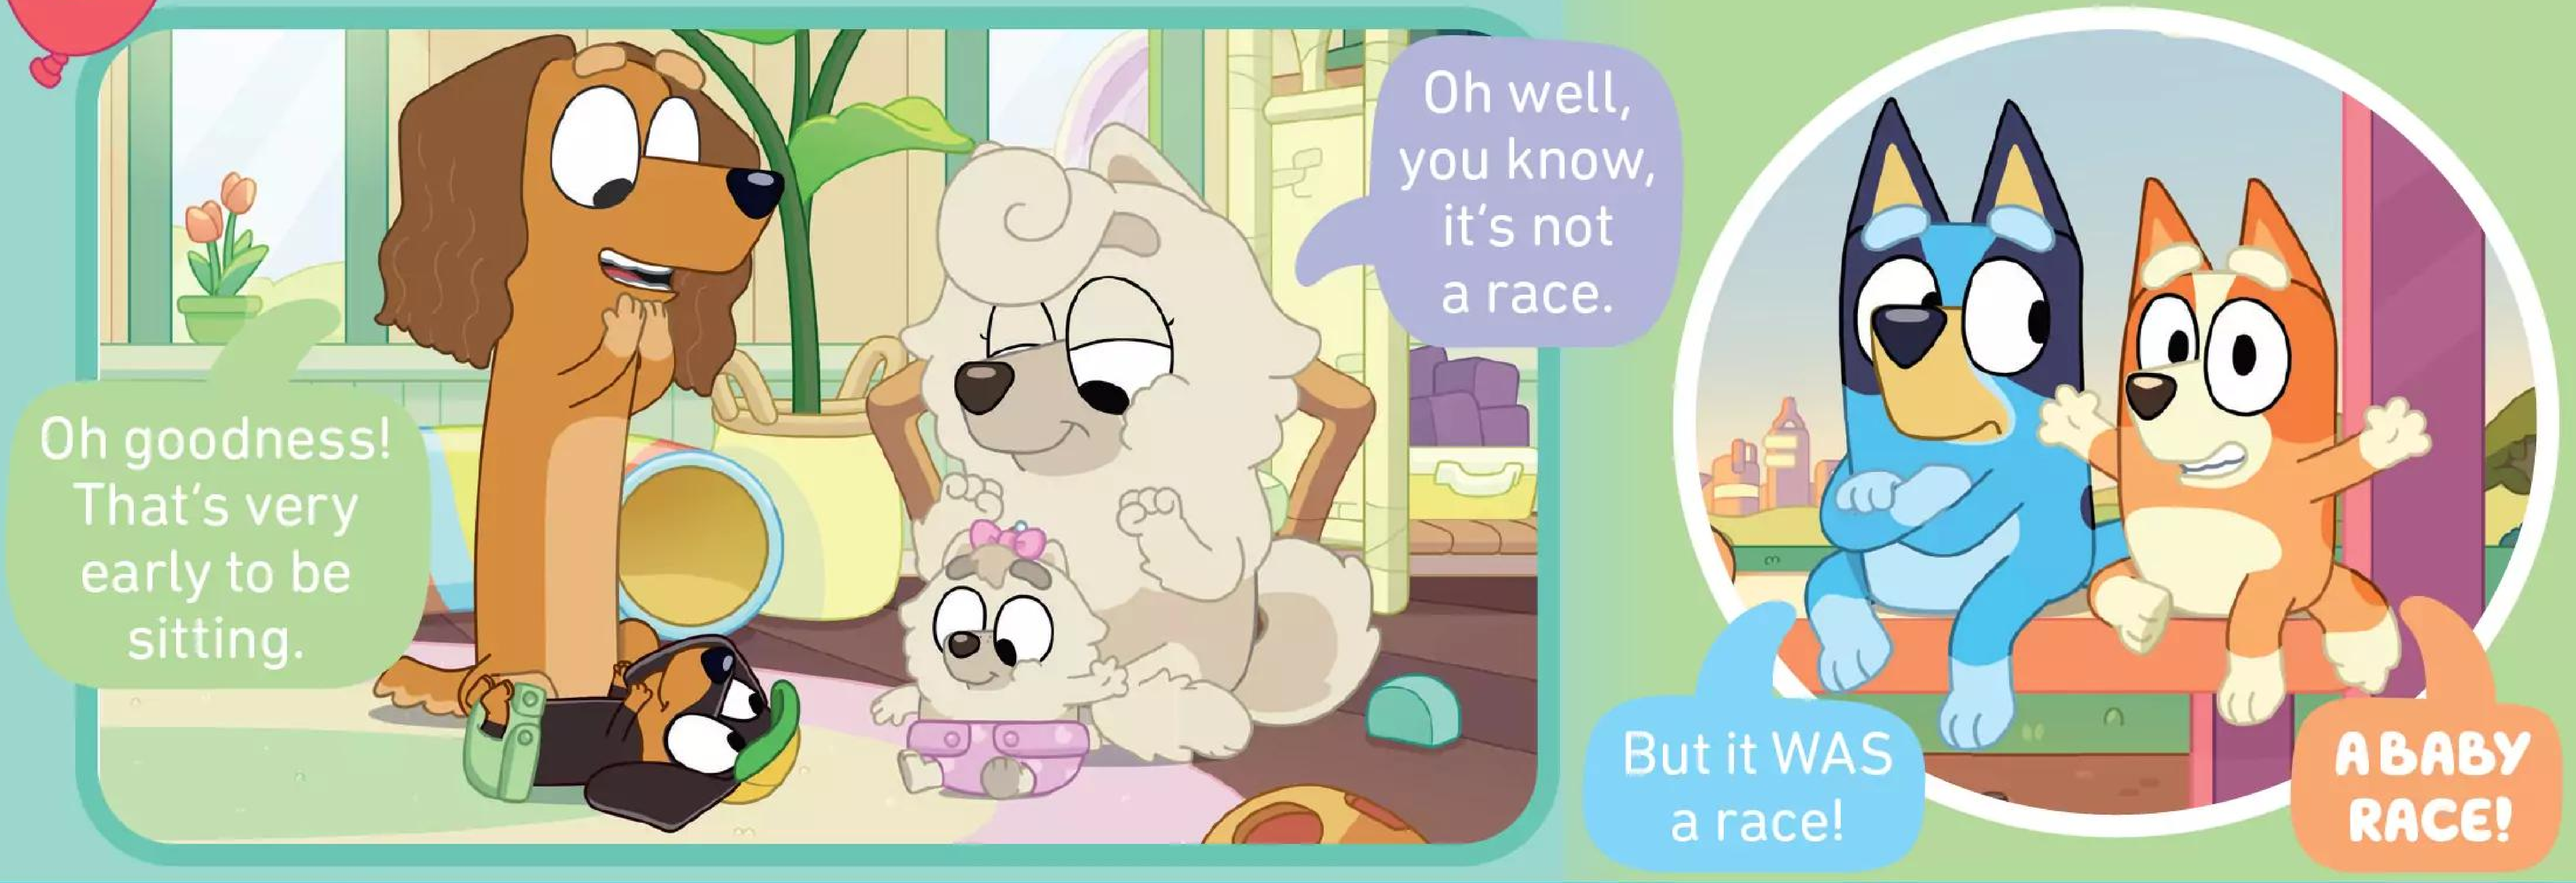


Hang on, where was I?

Bingo wasn't born yet! "Ooh I was invisible," she says.

"Were you proud of me for rolling over so soon?" asks Bluey. "Yes. A little too proud. I think I may have turned into a bit of a show-off," says Mum.

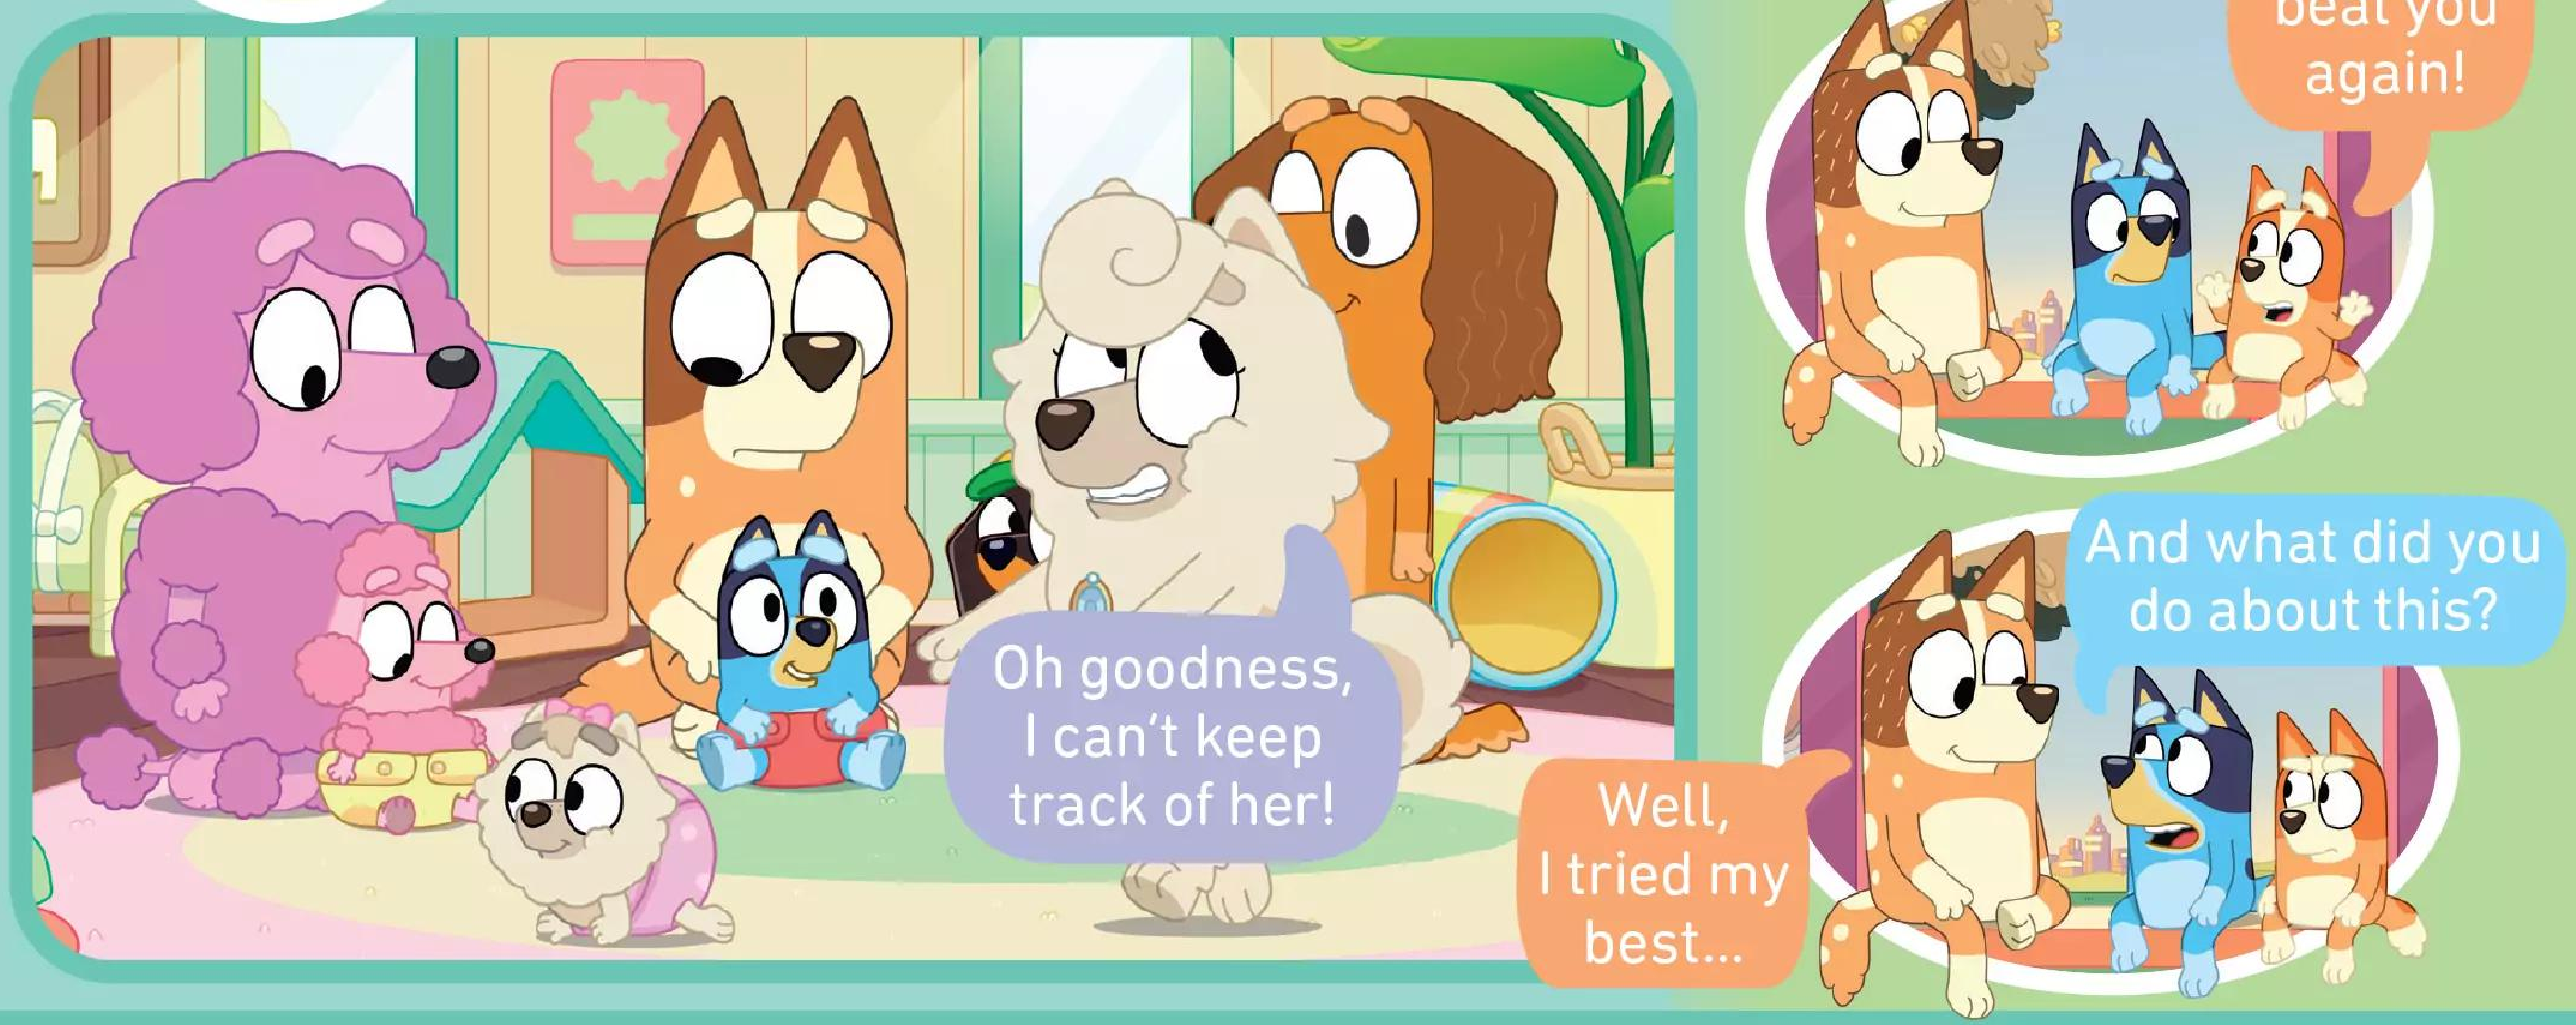
3 "But then, one day at mothers' group, Judo sat up all by herself!" continued Mum...



Oh goodness! That's very early to be sitting.
Oh well, you know, it's not a race.
But it WAS a race!
A BABY RACE!

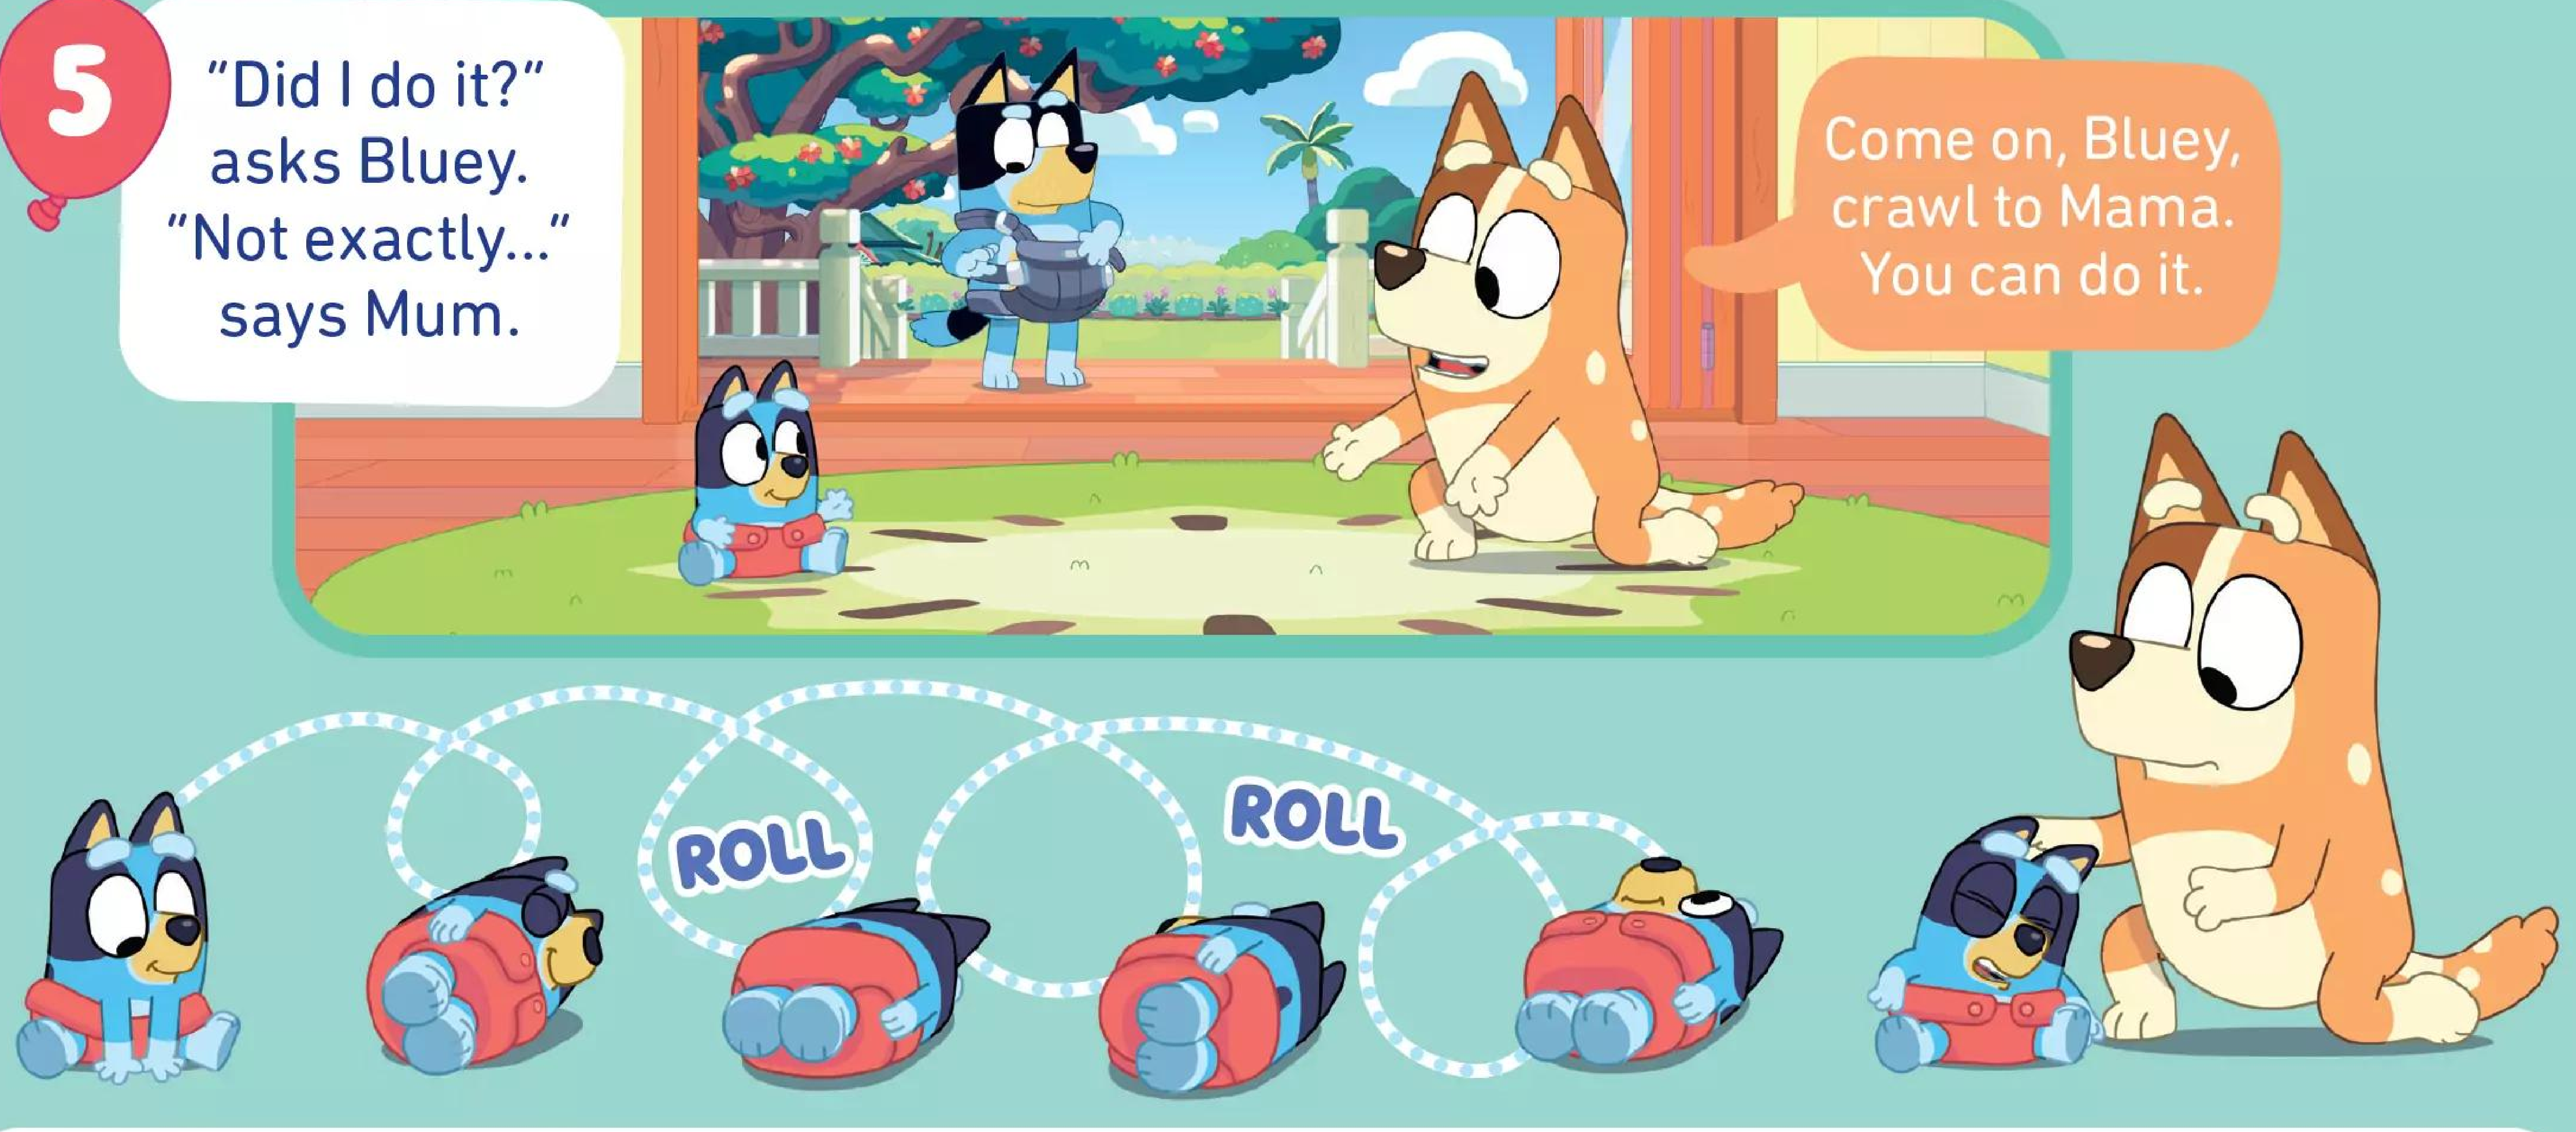
4

"I don't know what got into me, but I was determined I'd get you walking before Judo's mum. I mean Judo," Mum tells Bluey. But by the time Bluey was sitting, Judo was crawling...



Oh goodness, I can't keep track of her!
Judo beat you again!
And what did you do about this?
Well, I tried my best...

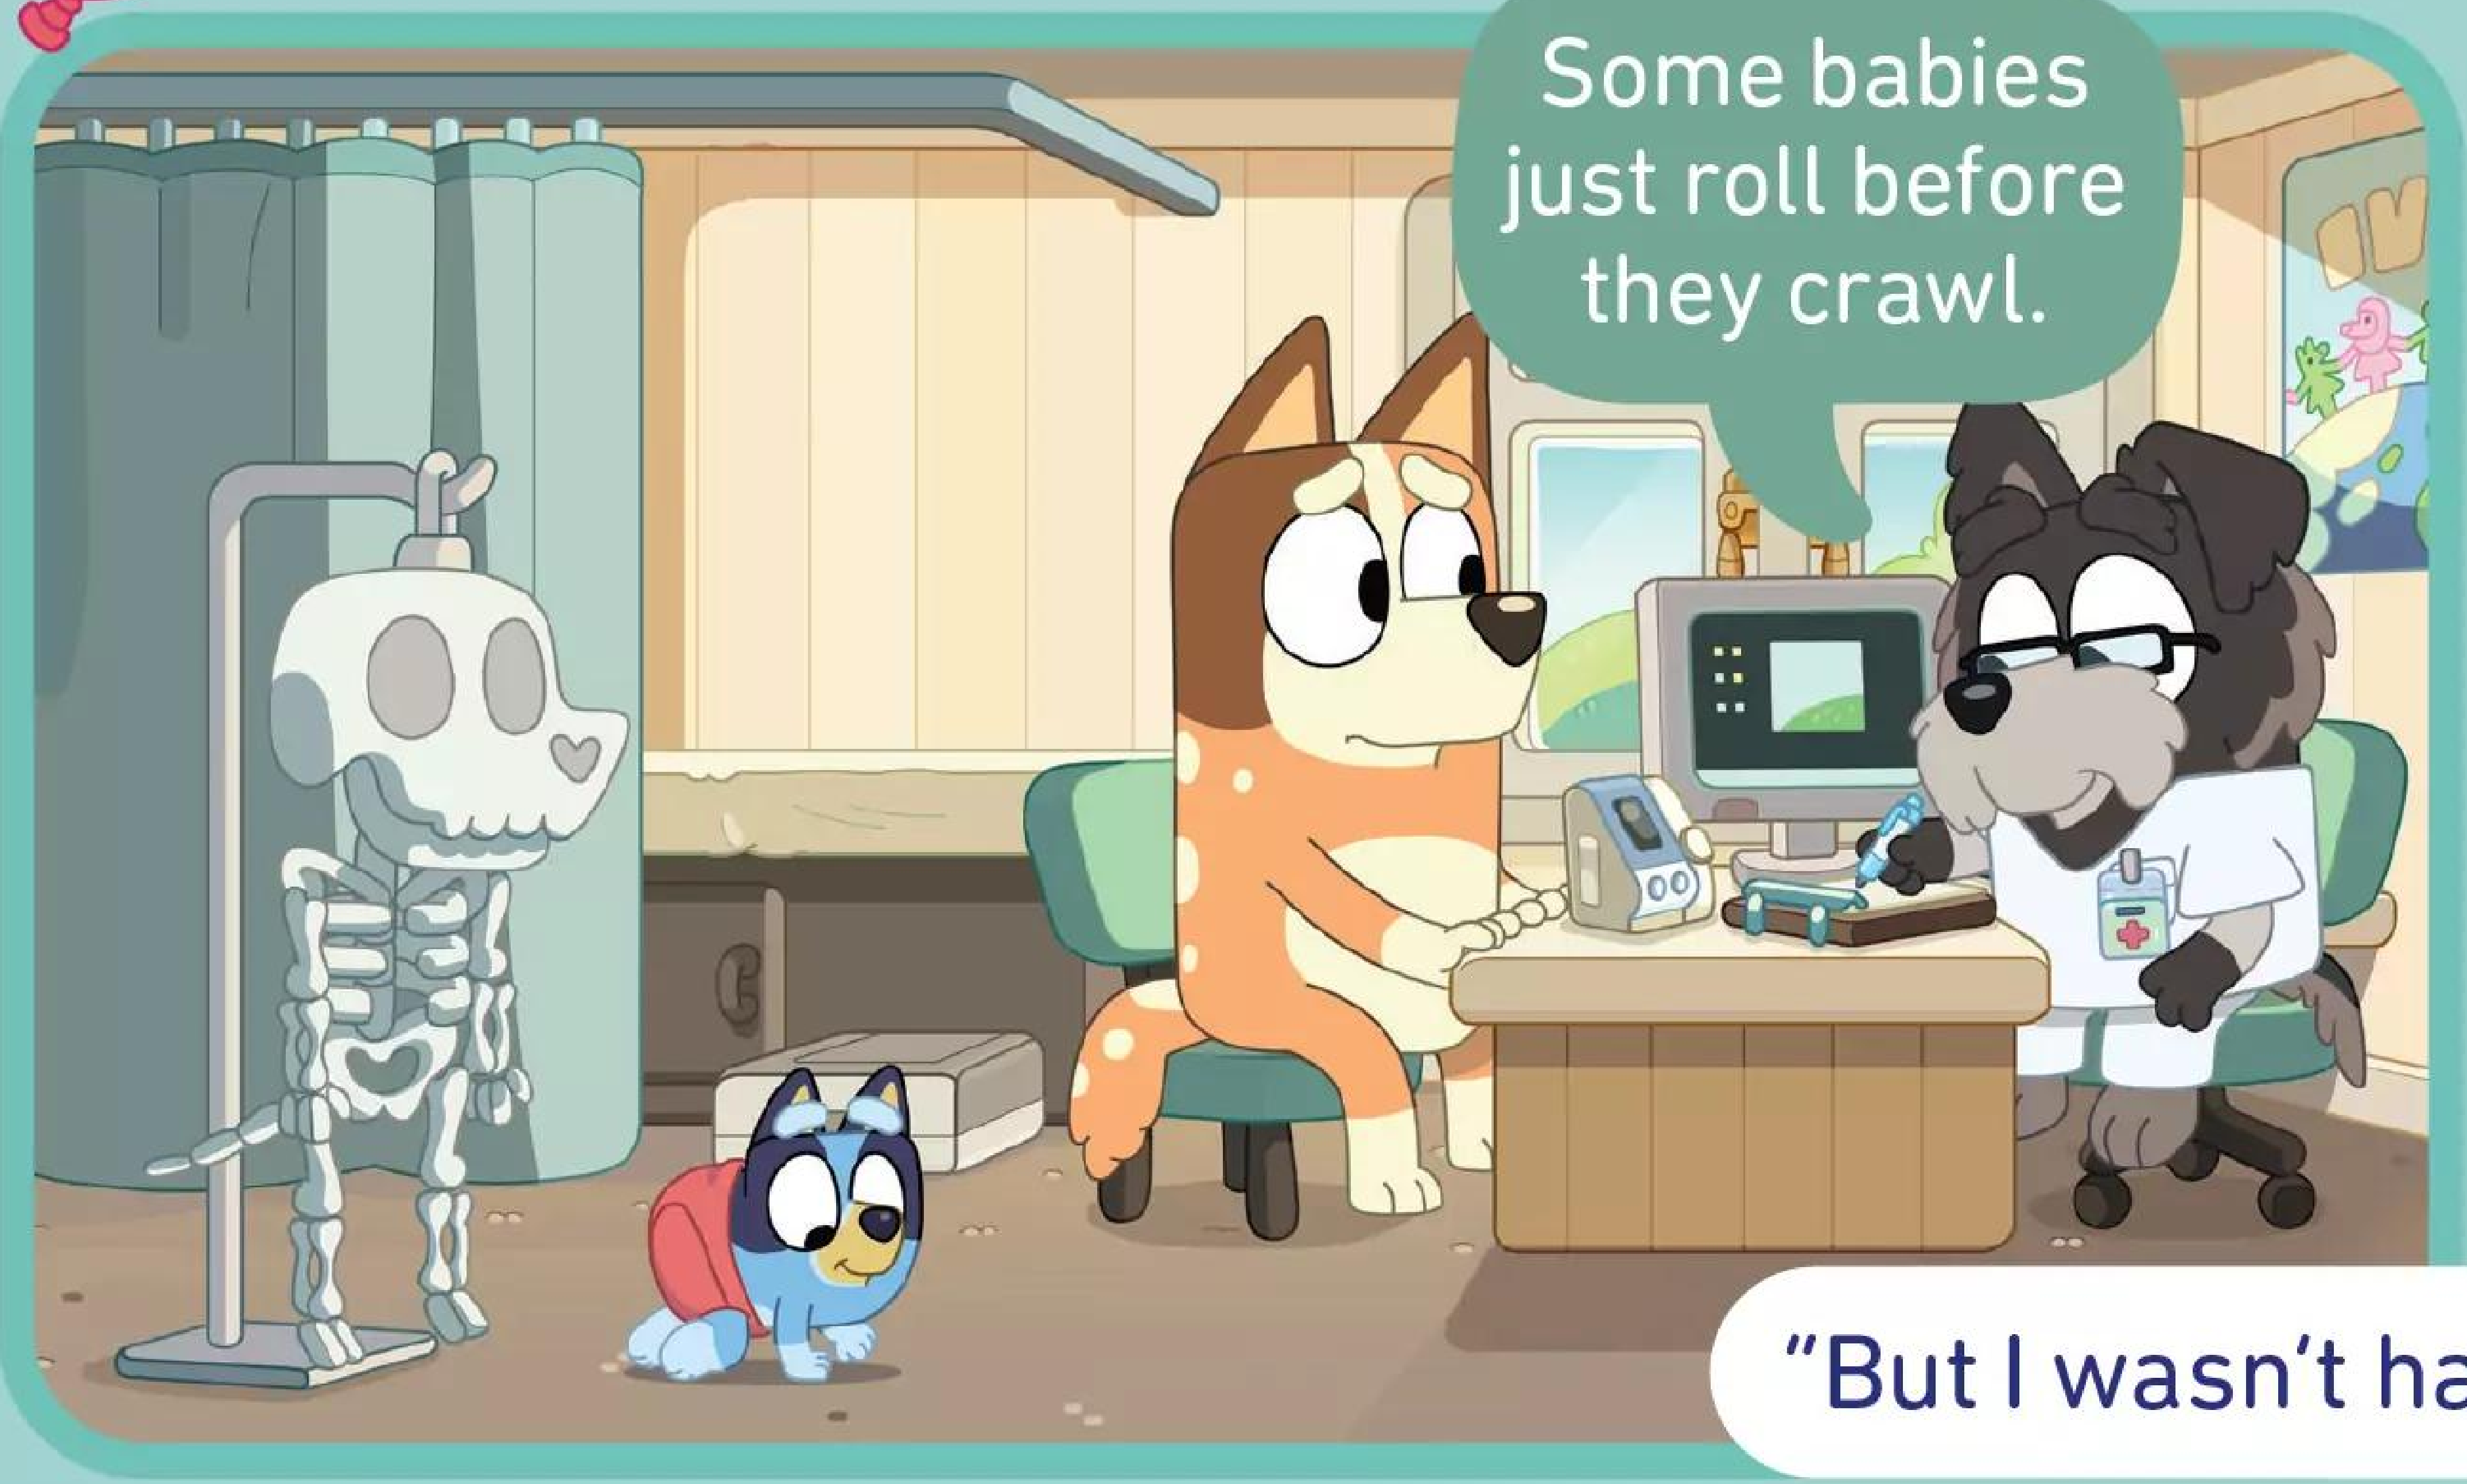
5 "Did I do it?" asks Bluey. "Not exactly..." says Mum.



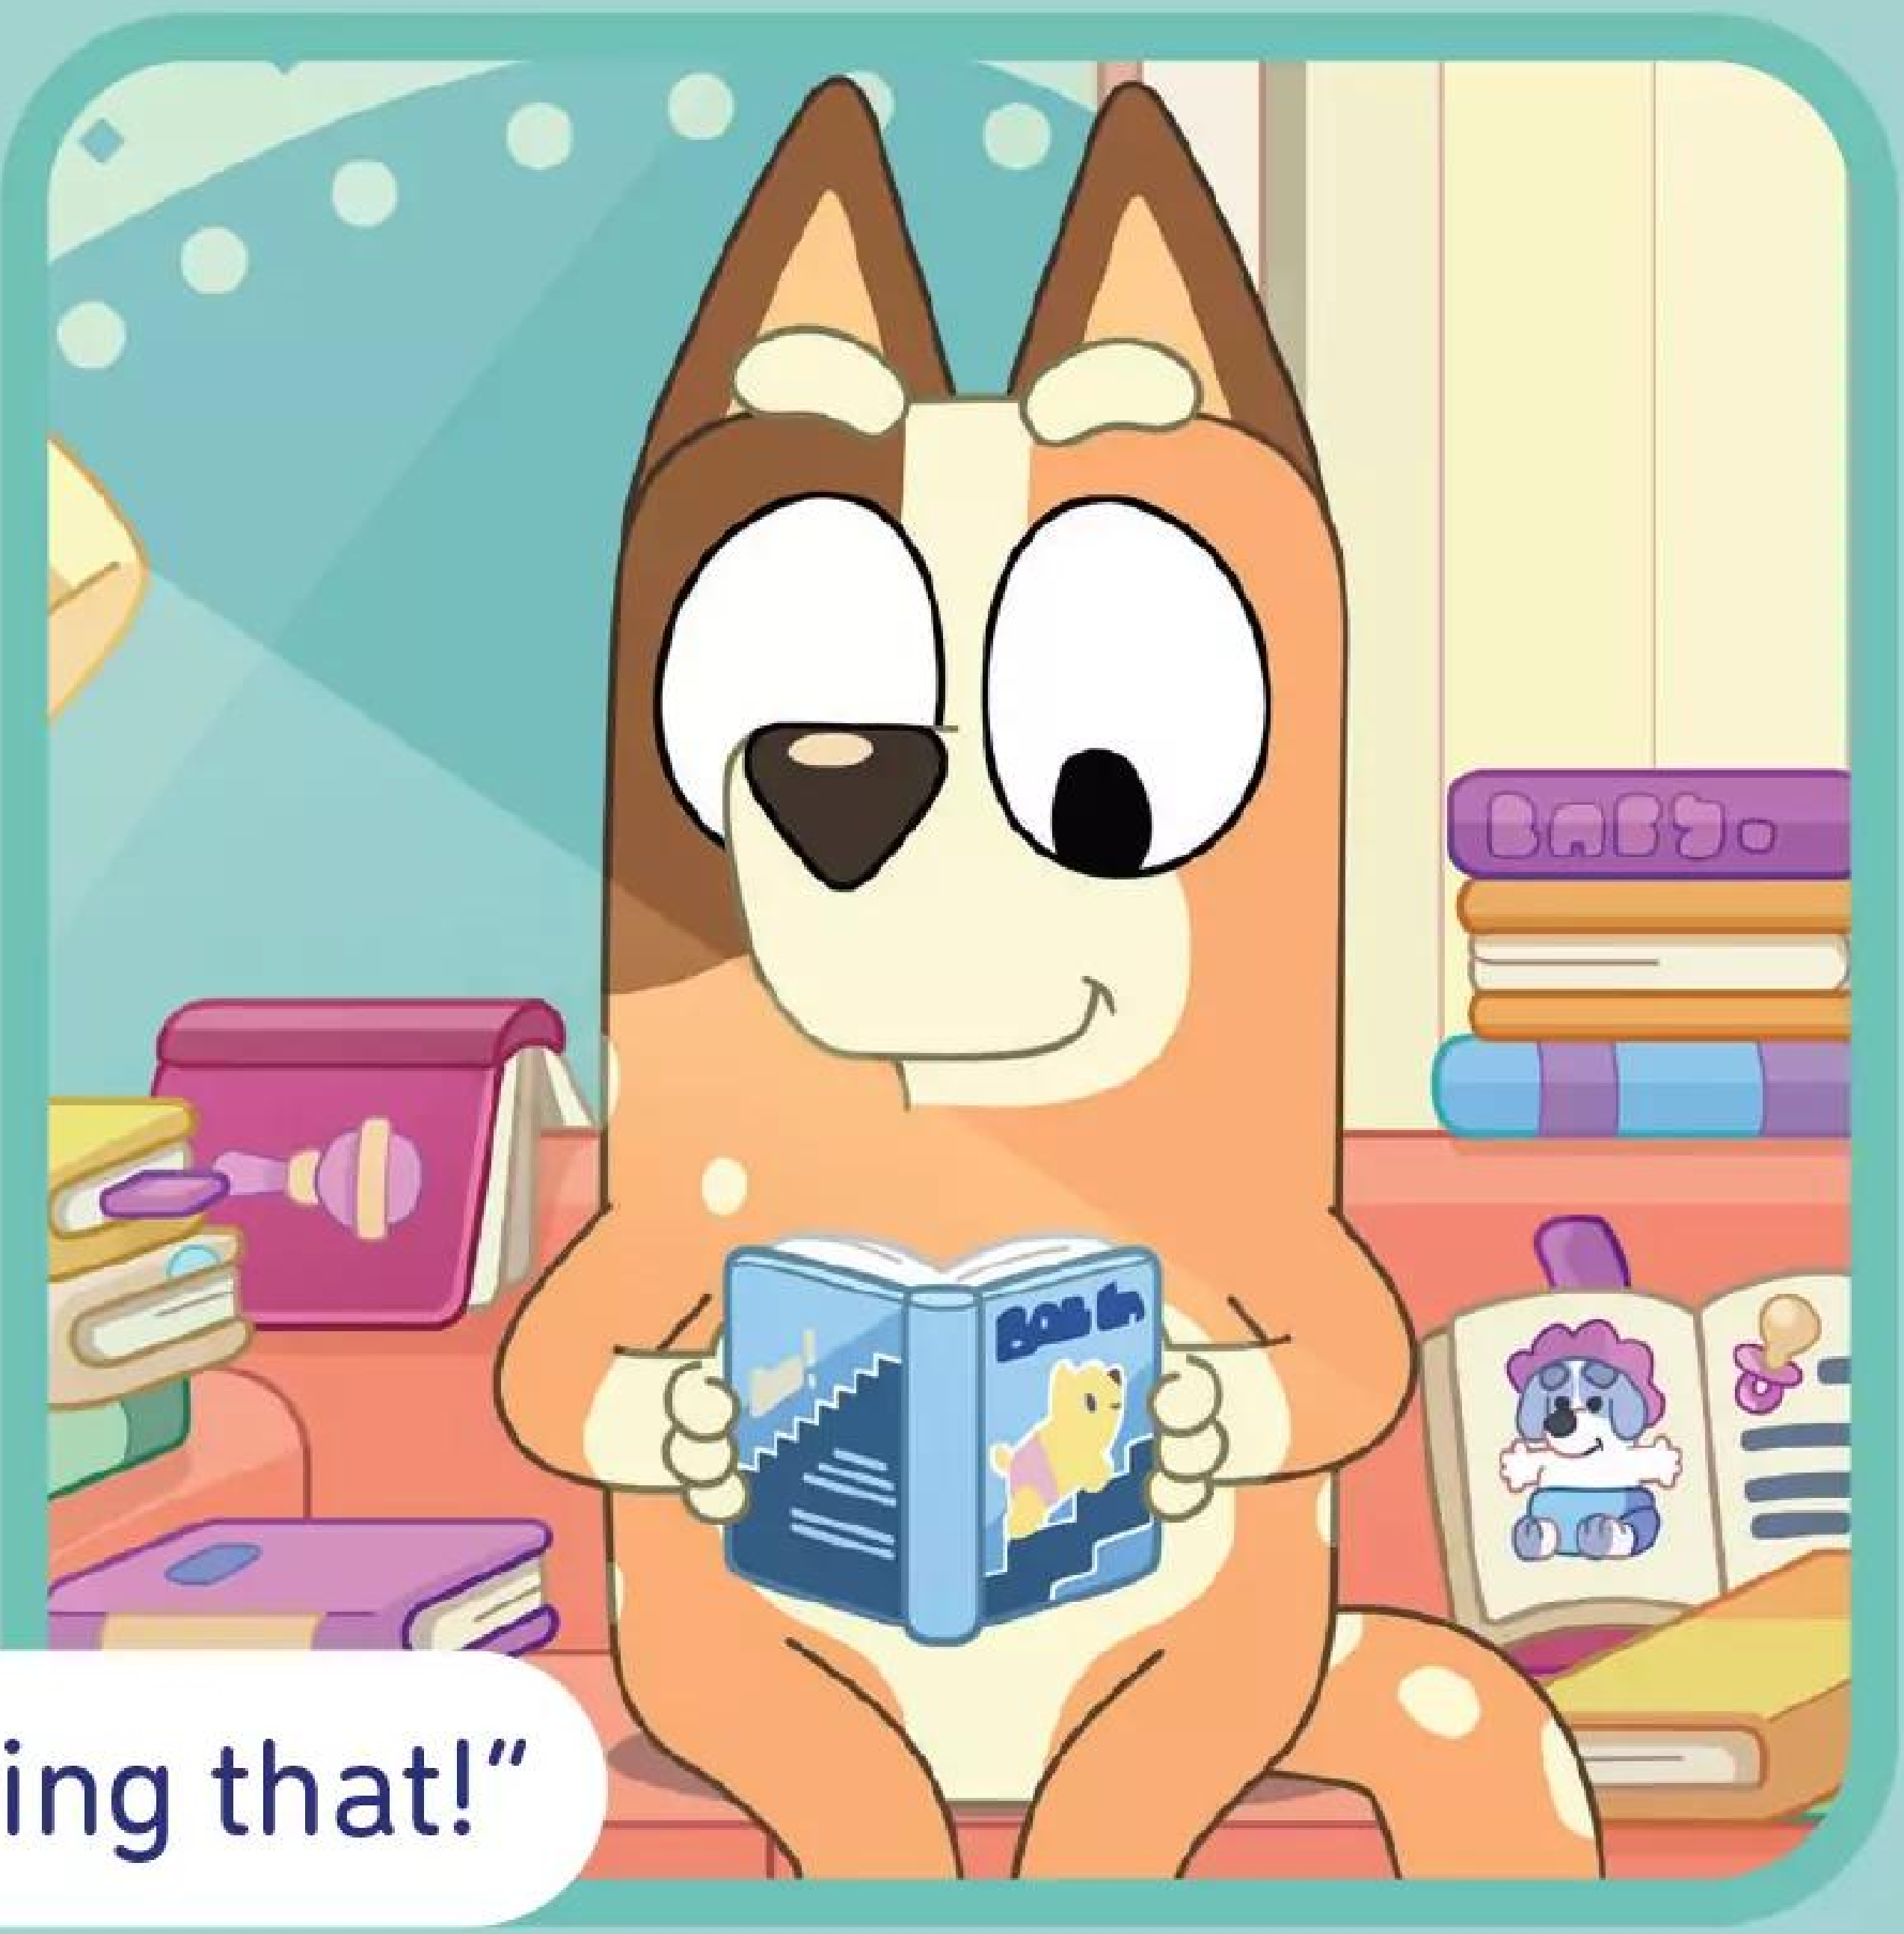
Come on, Bluey, crawl to Mama. You can do it.
ROLL
ROLL

"Why was I rolling?" asks Bluey. "I don't know, kid. You didn't come with instructions," says Mum.

6 "The doctor said there was nothing to worry about," says Mum.

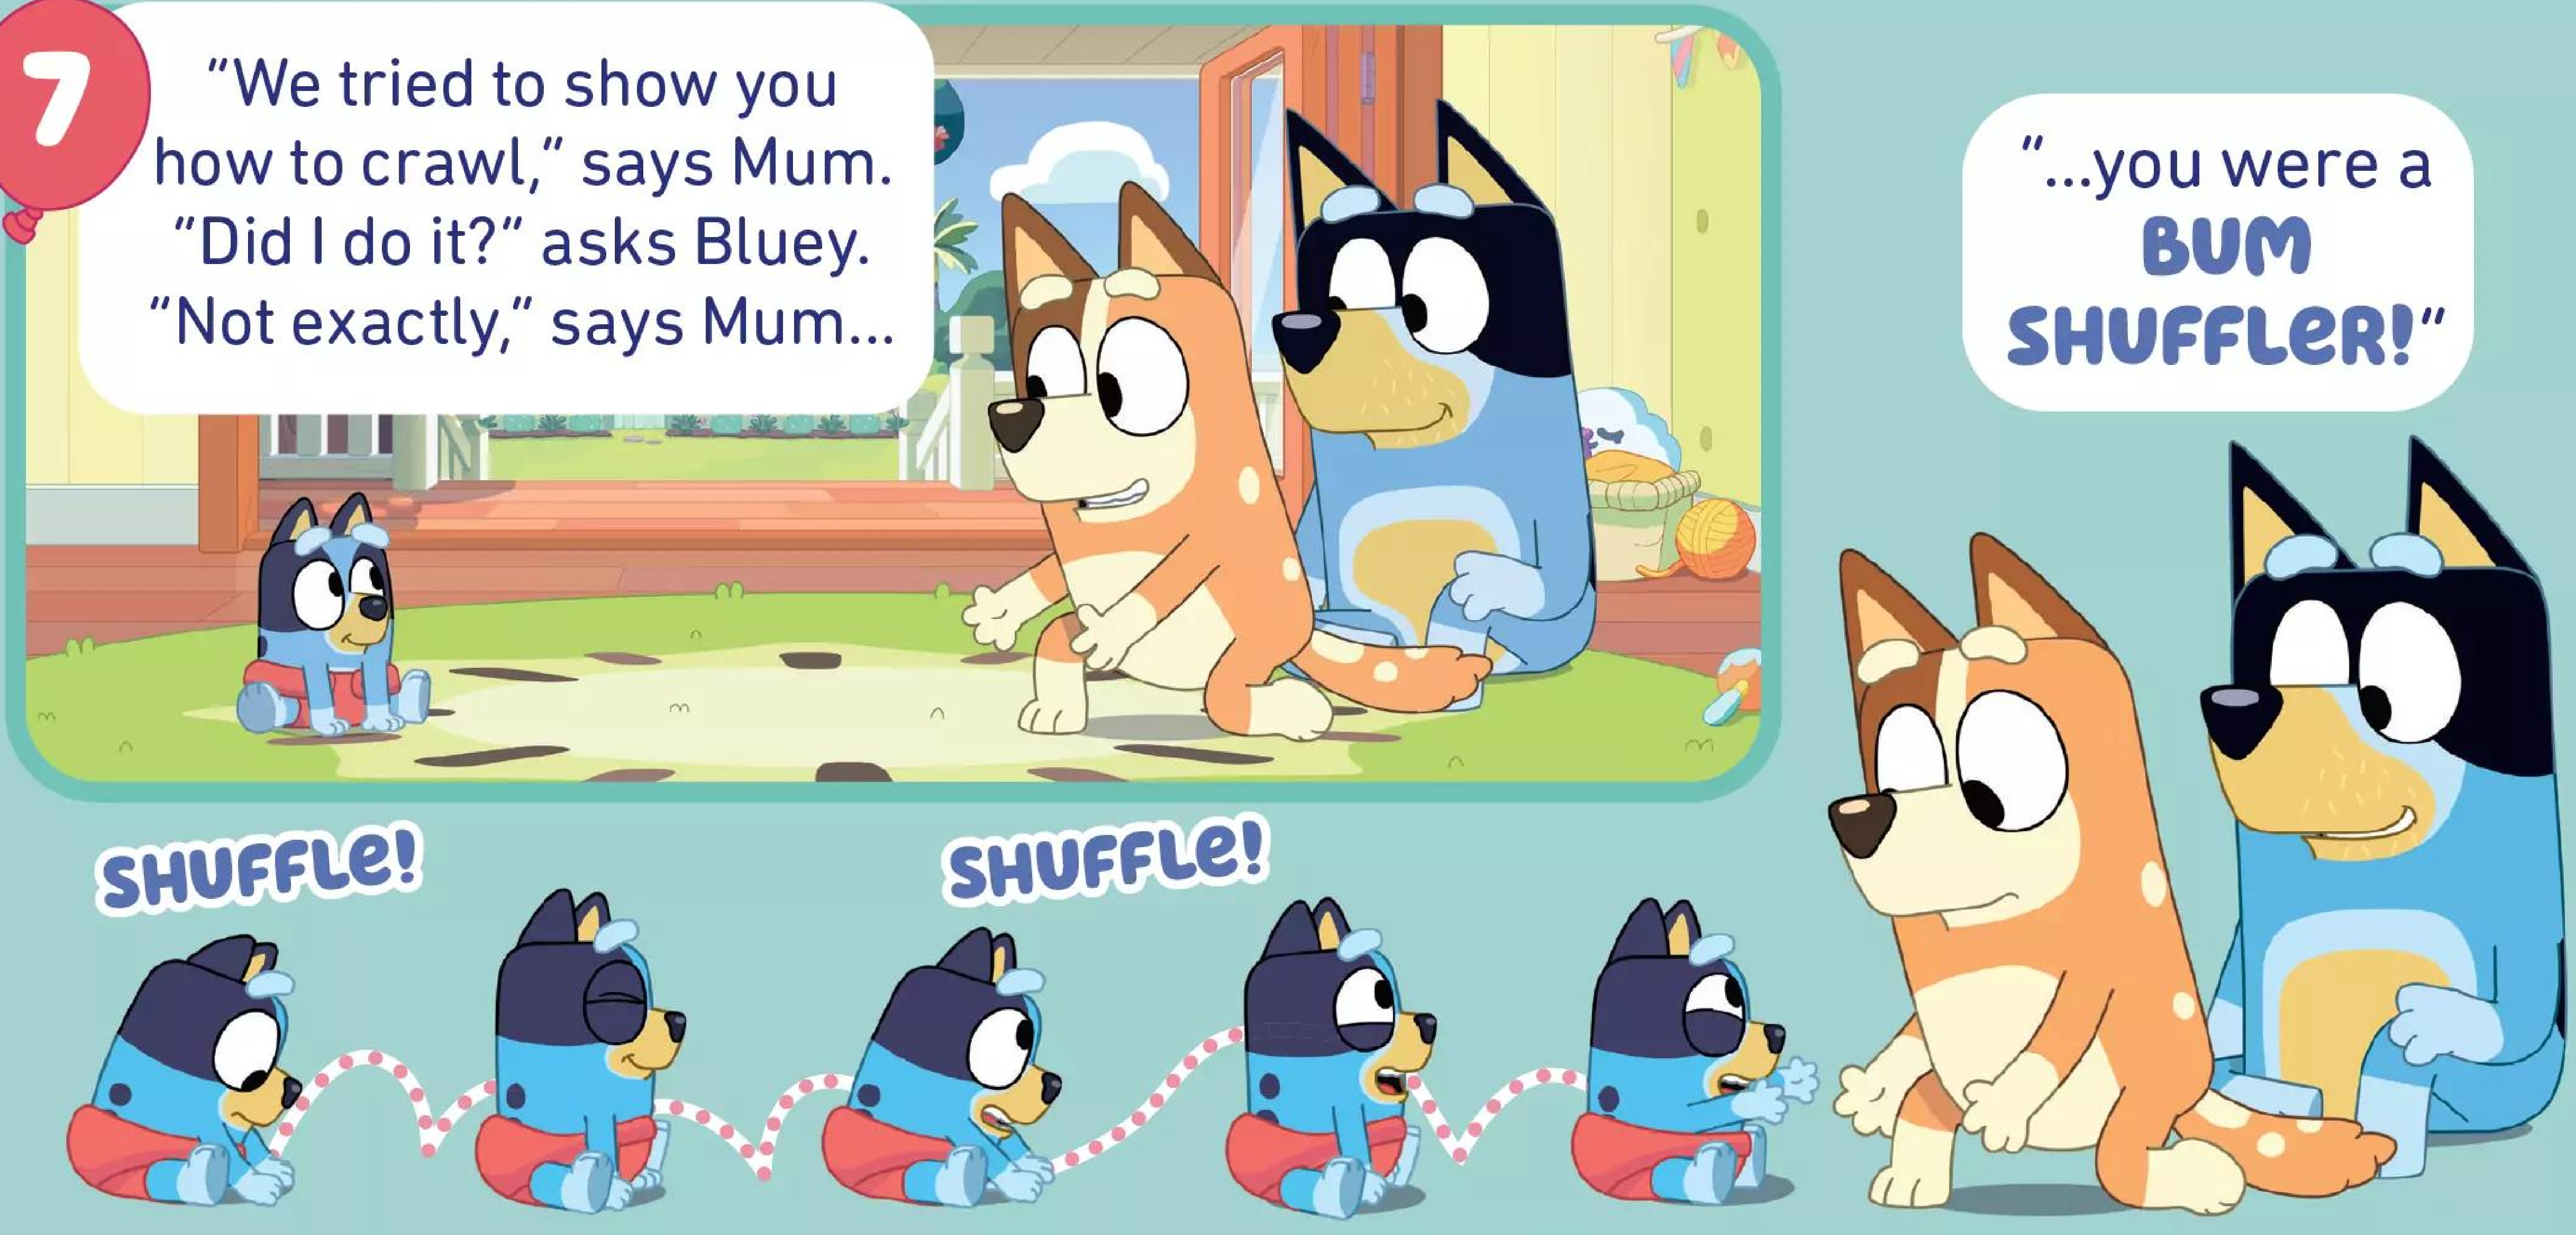


Some babies just roll before they crawl.



"But I wasn't having that!"

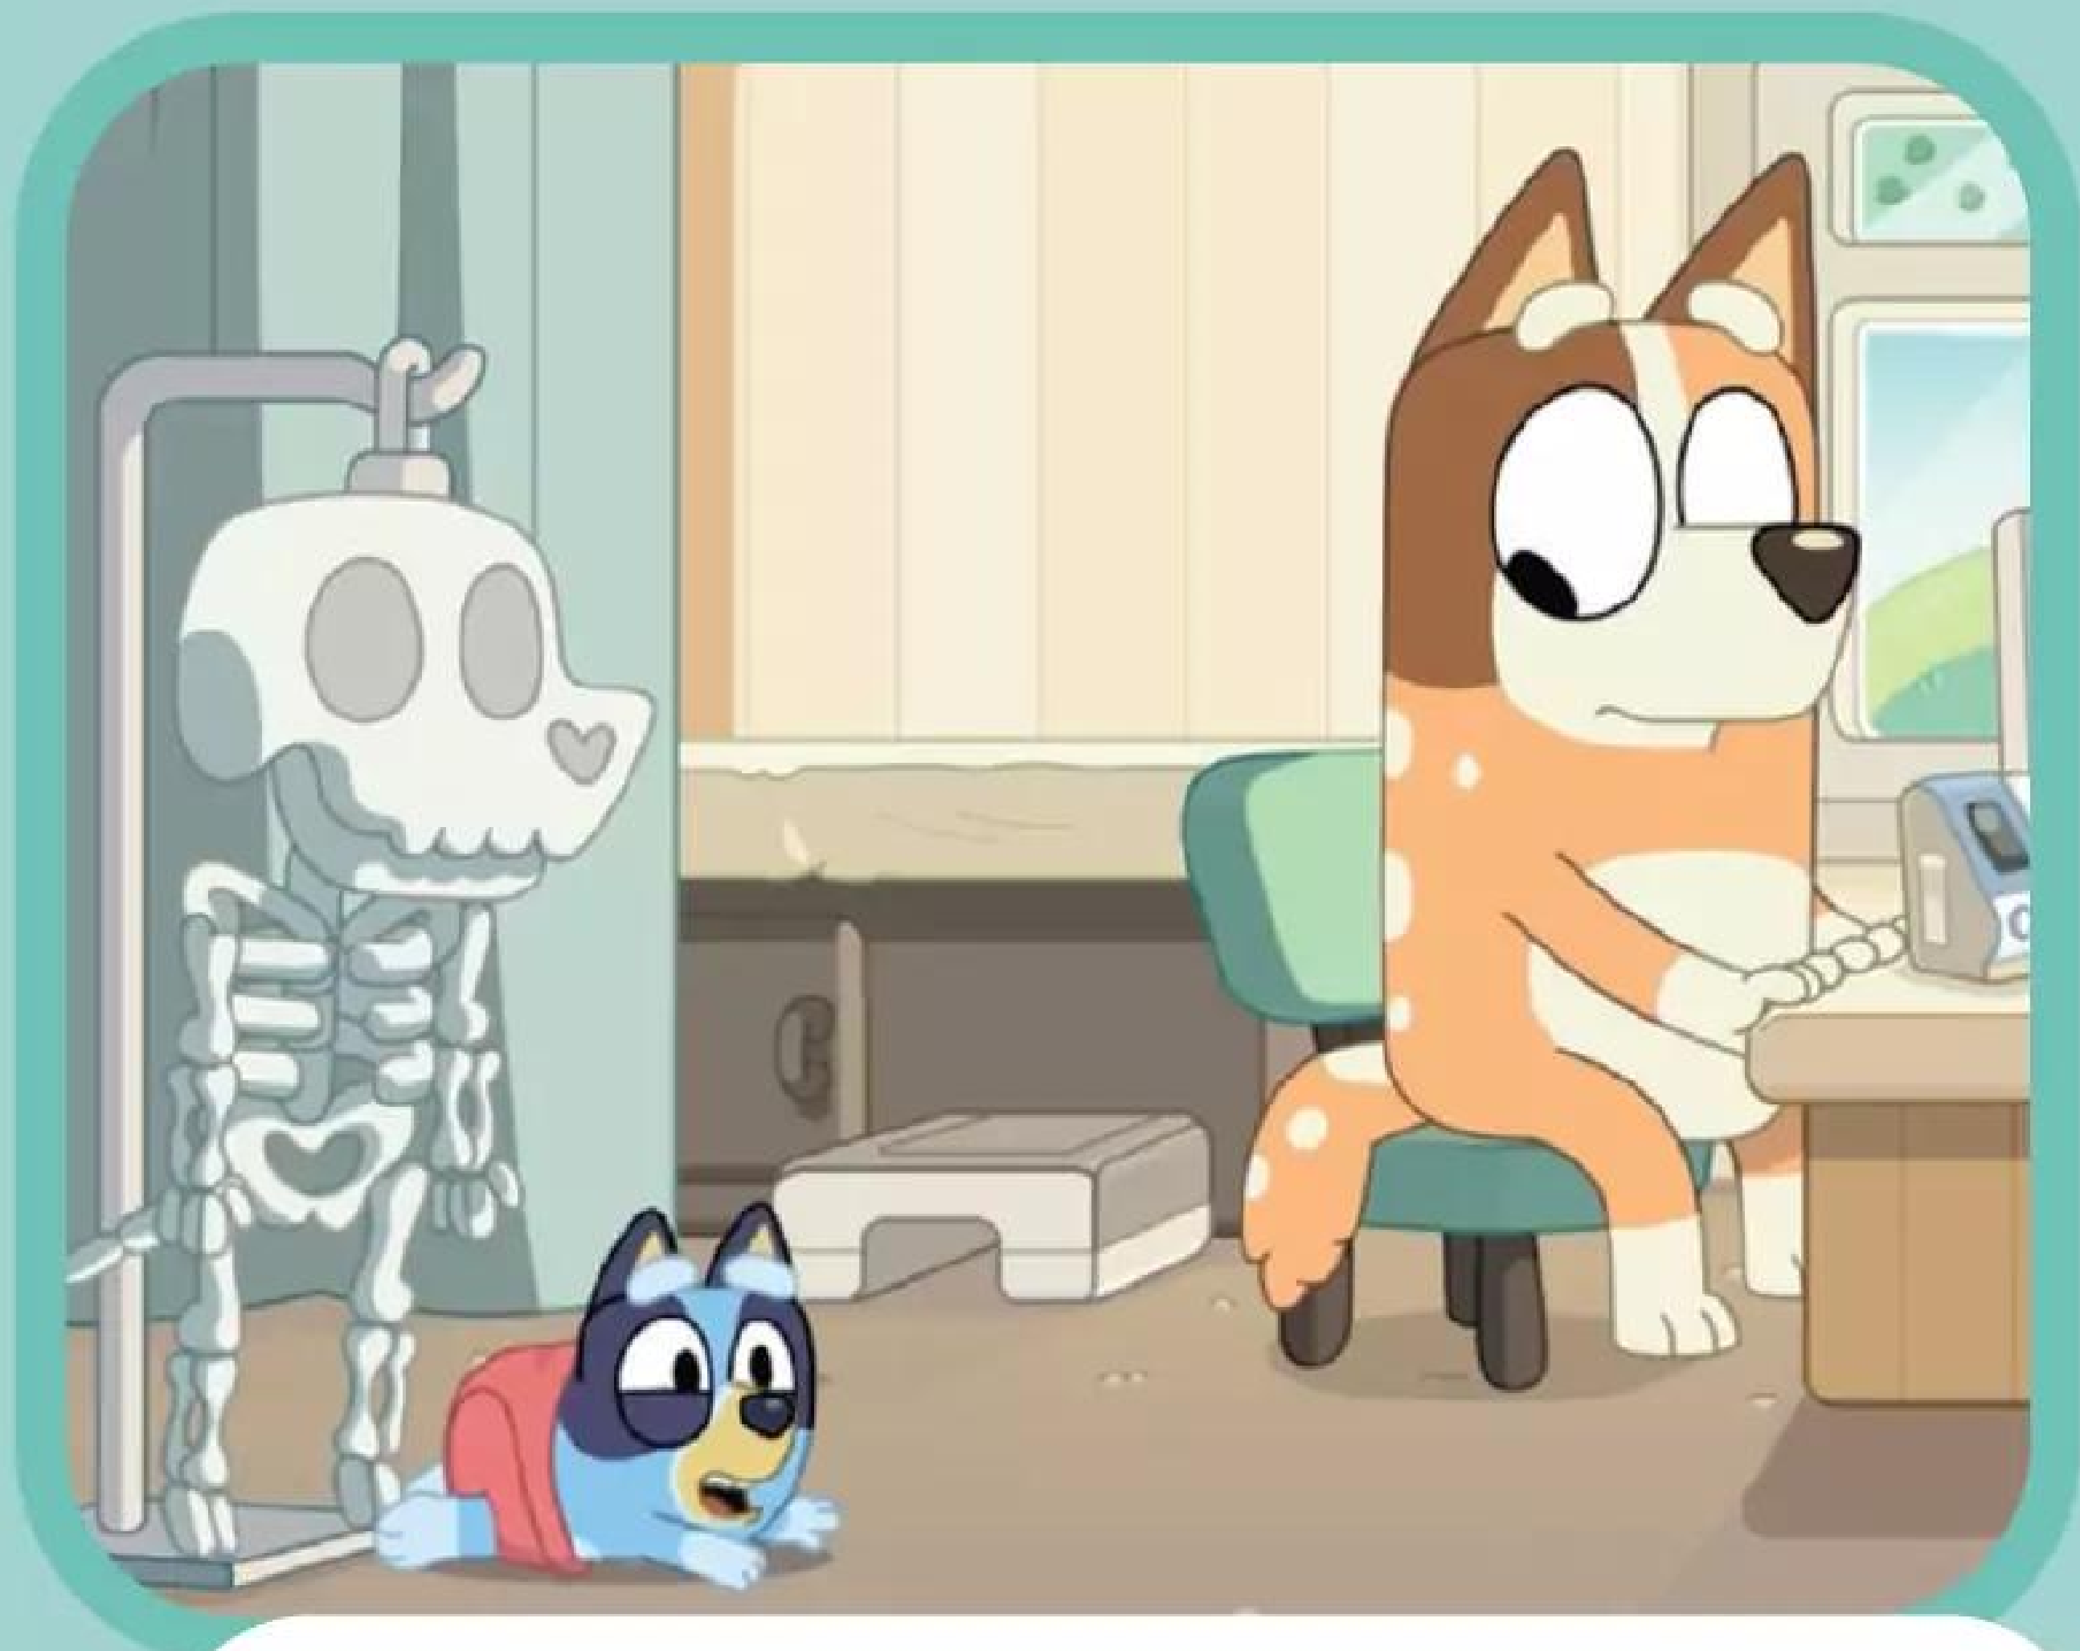
7 "We tried to show you how to crawl," says Mum. "Did I do it?" asks Bluey. "Not exactly," says Mum...



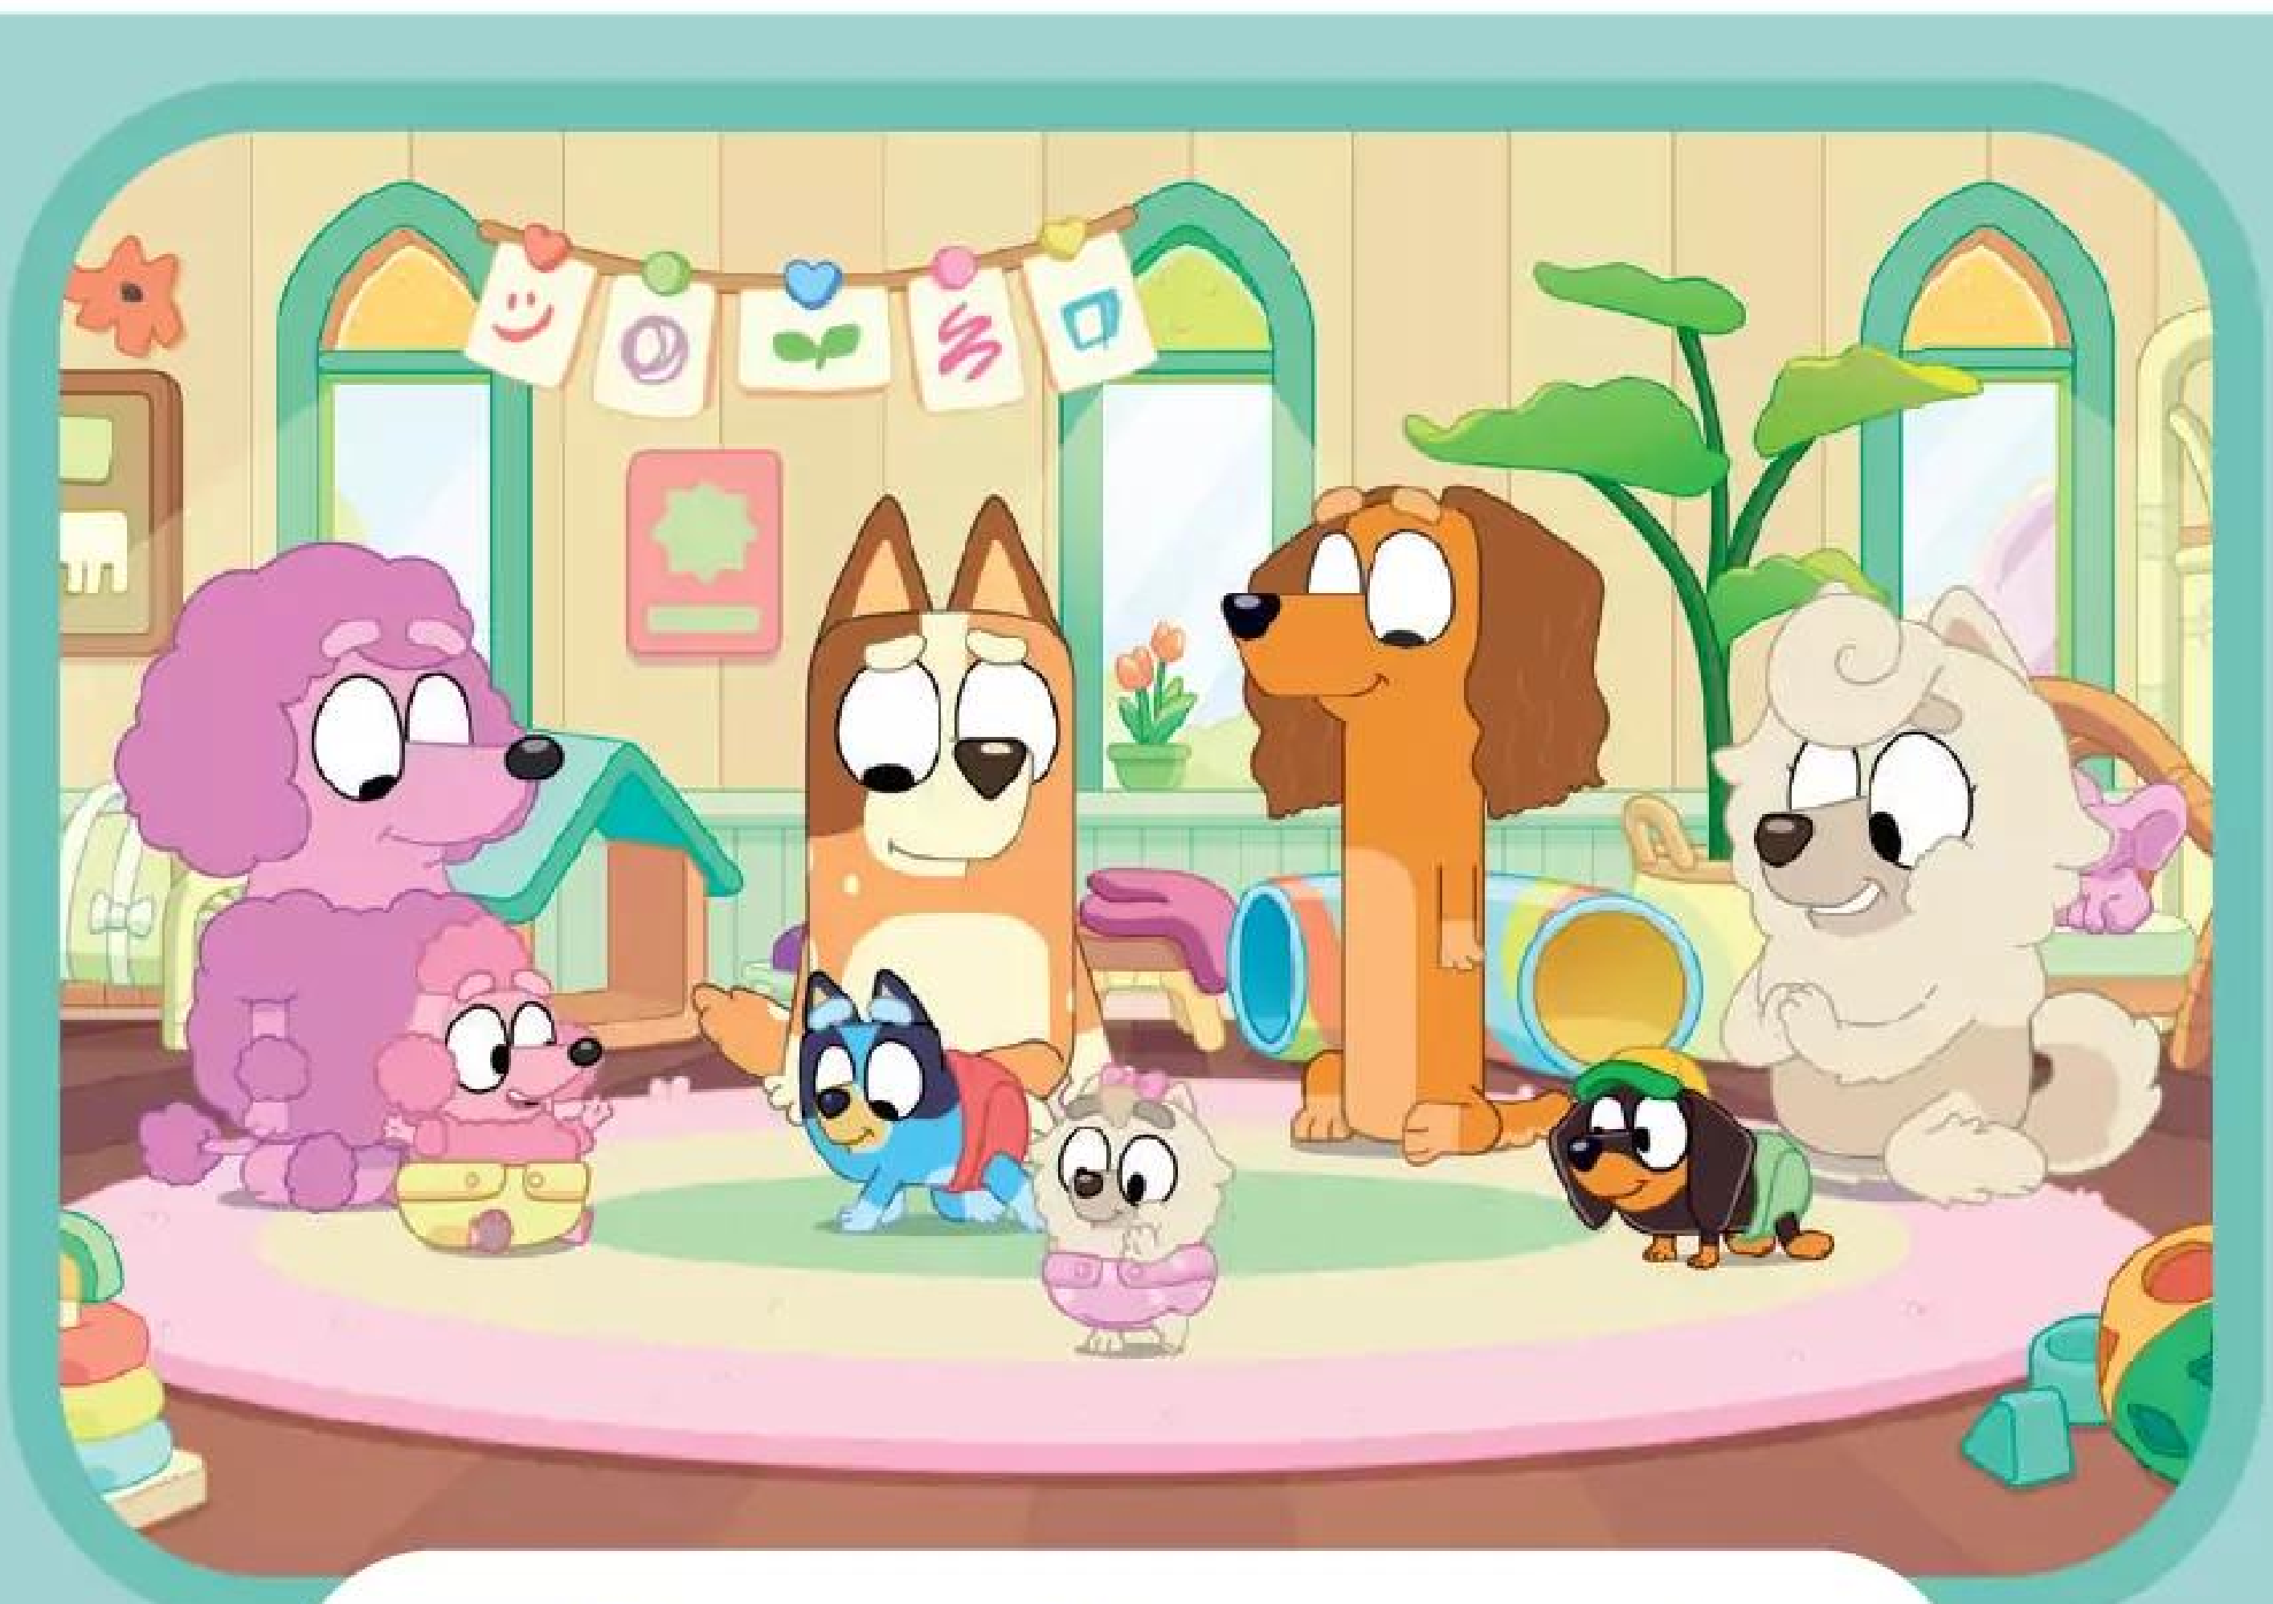
SHUFFLE!
SHUFFLE!

"...you were a **BUM SHUFFLER!**"

8 "Meanwhile, Judo was pulling herself up on furniture, which is the step right before walking," says Mum. "And I was just bum shuffling around?" asks Bluey. "You were definitely not winning the baby race," says Bingo.



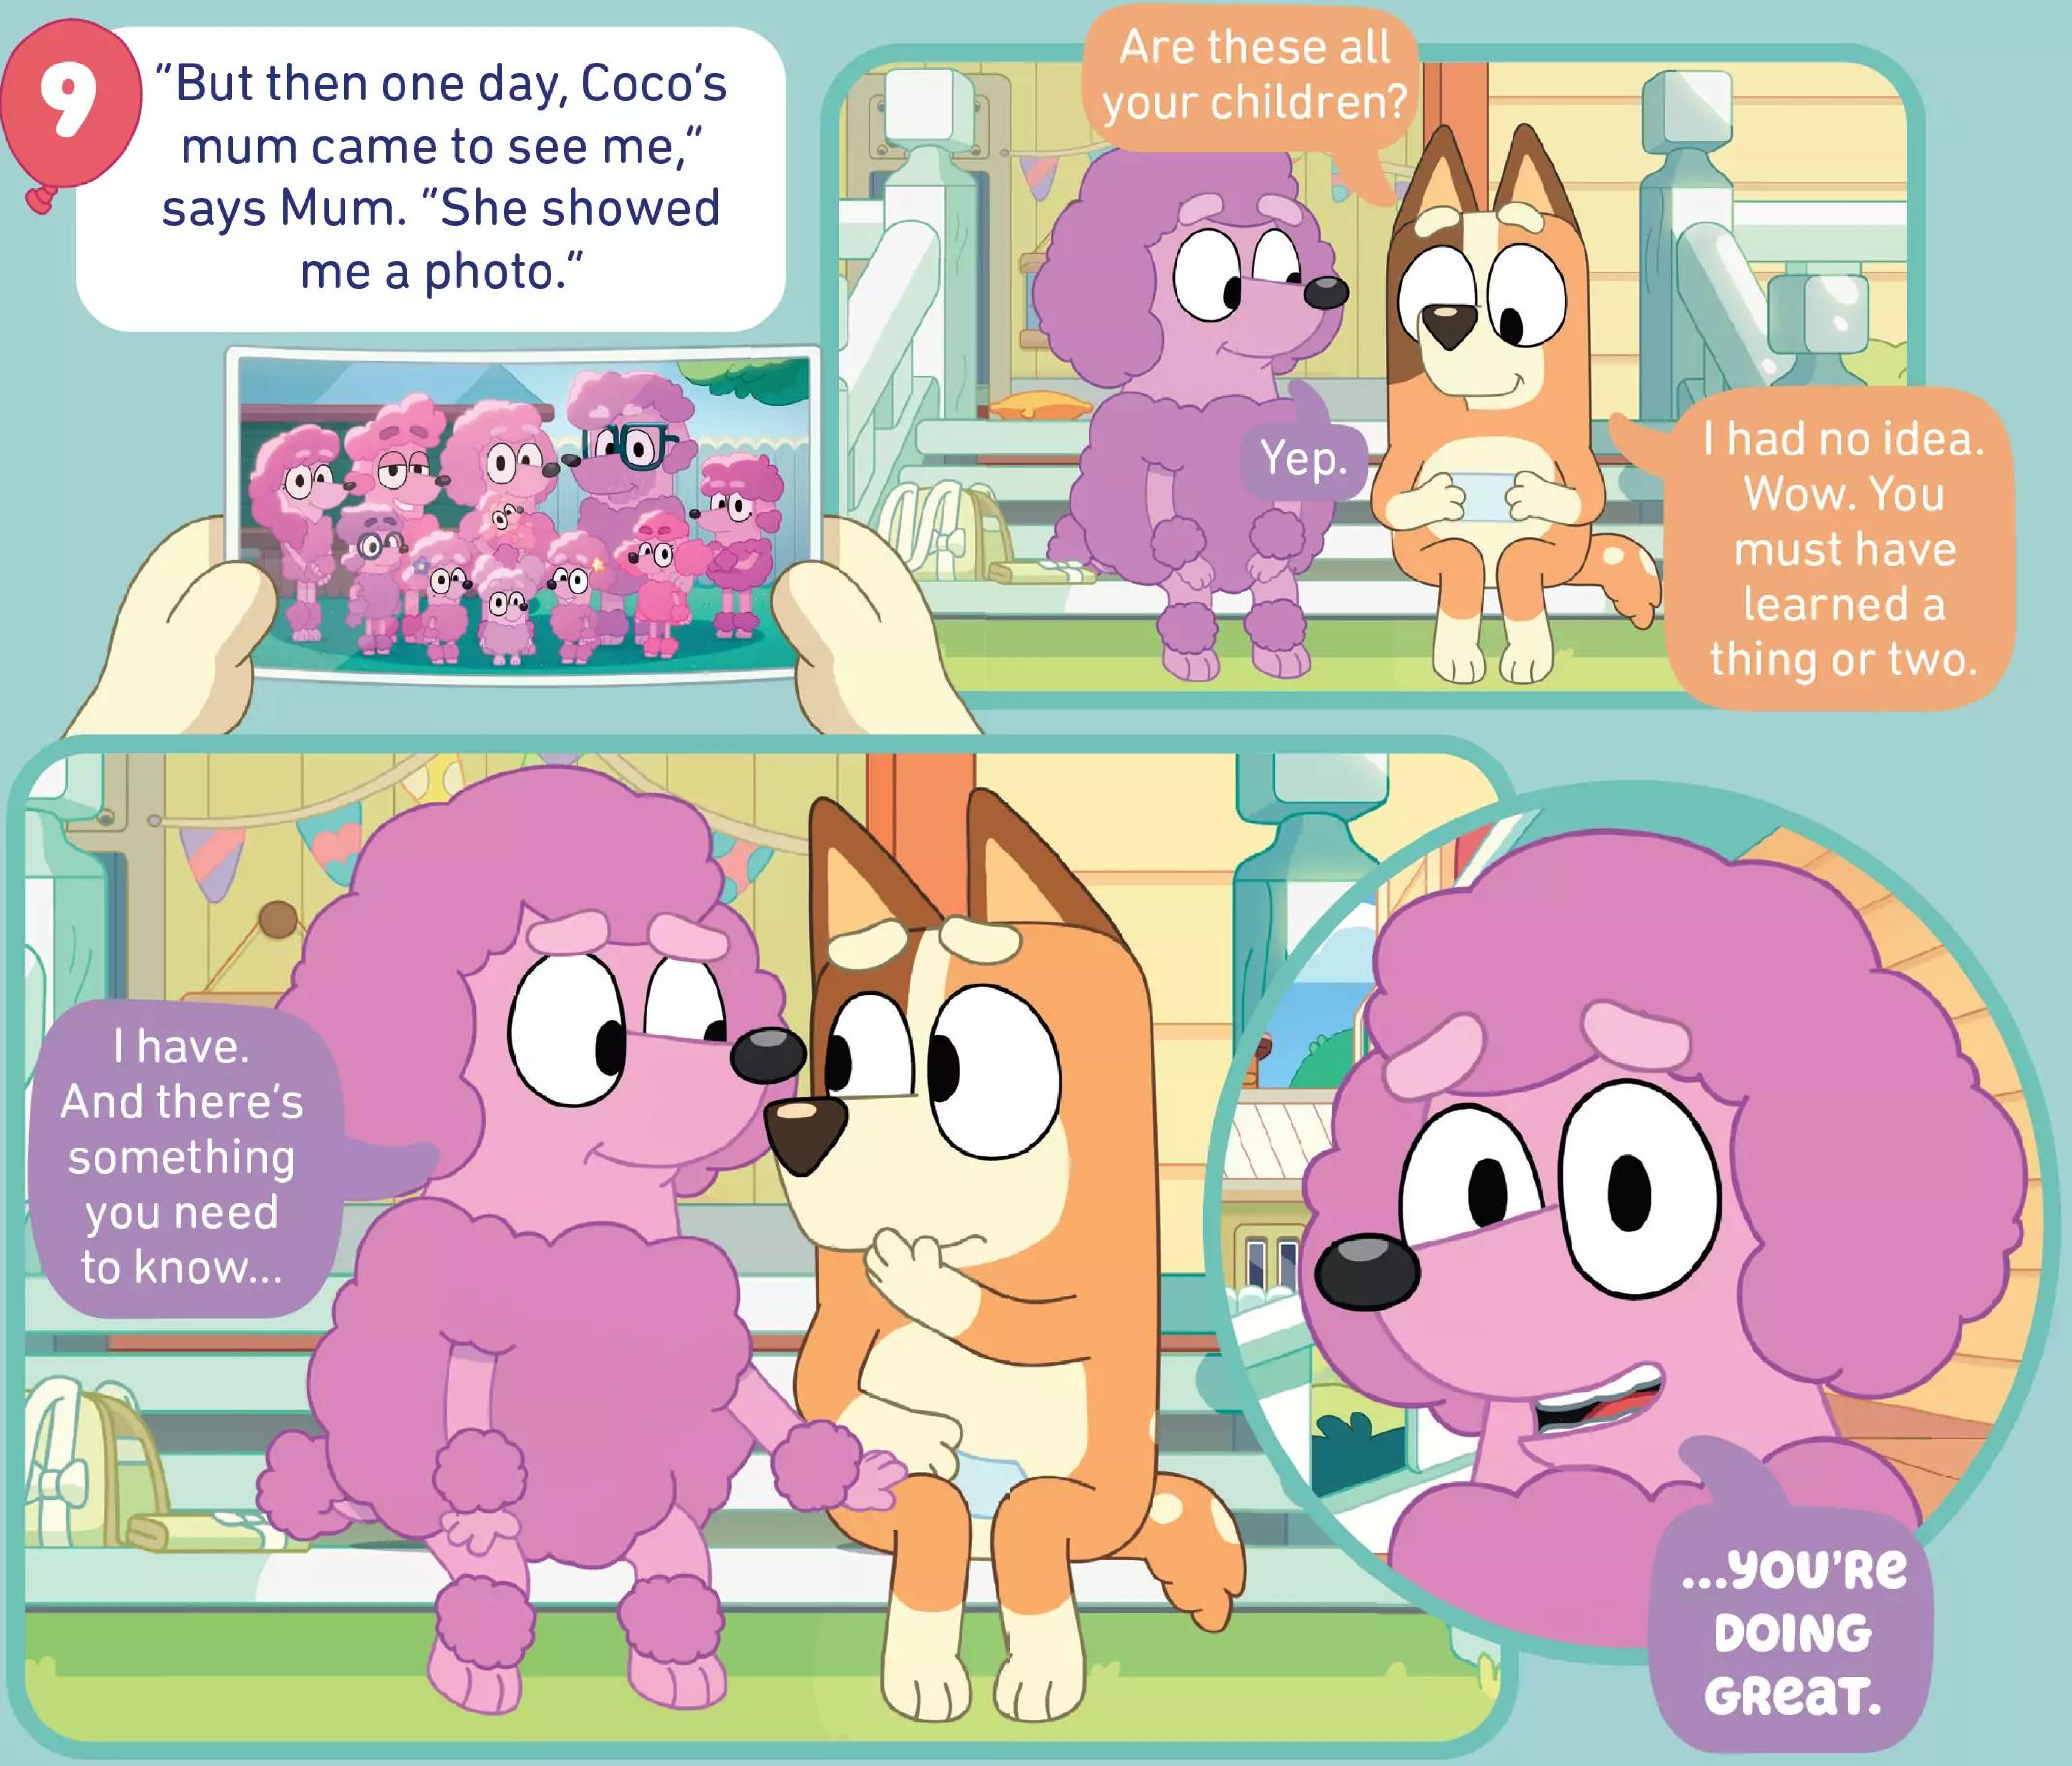
Mum kept trying to help Bluey crawl, and she did... backwards!



"None of it mattered though... Judo had won the baby race," says Mum.

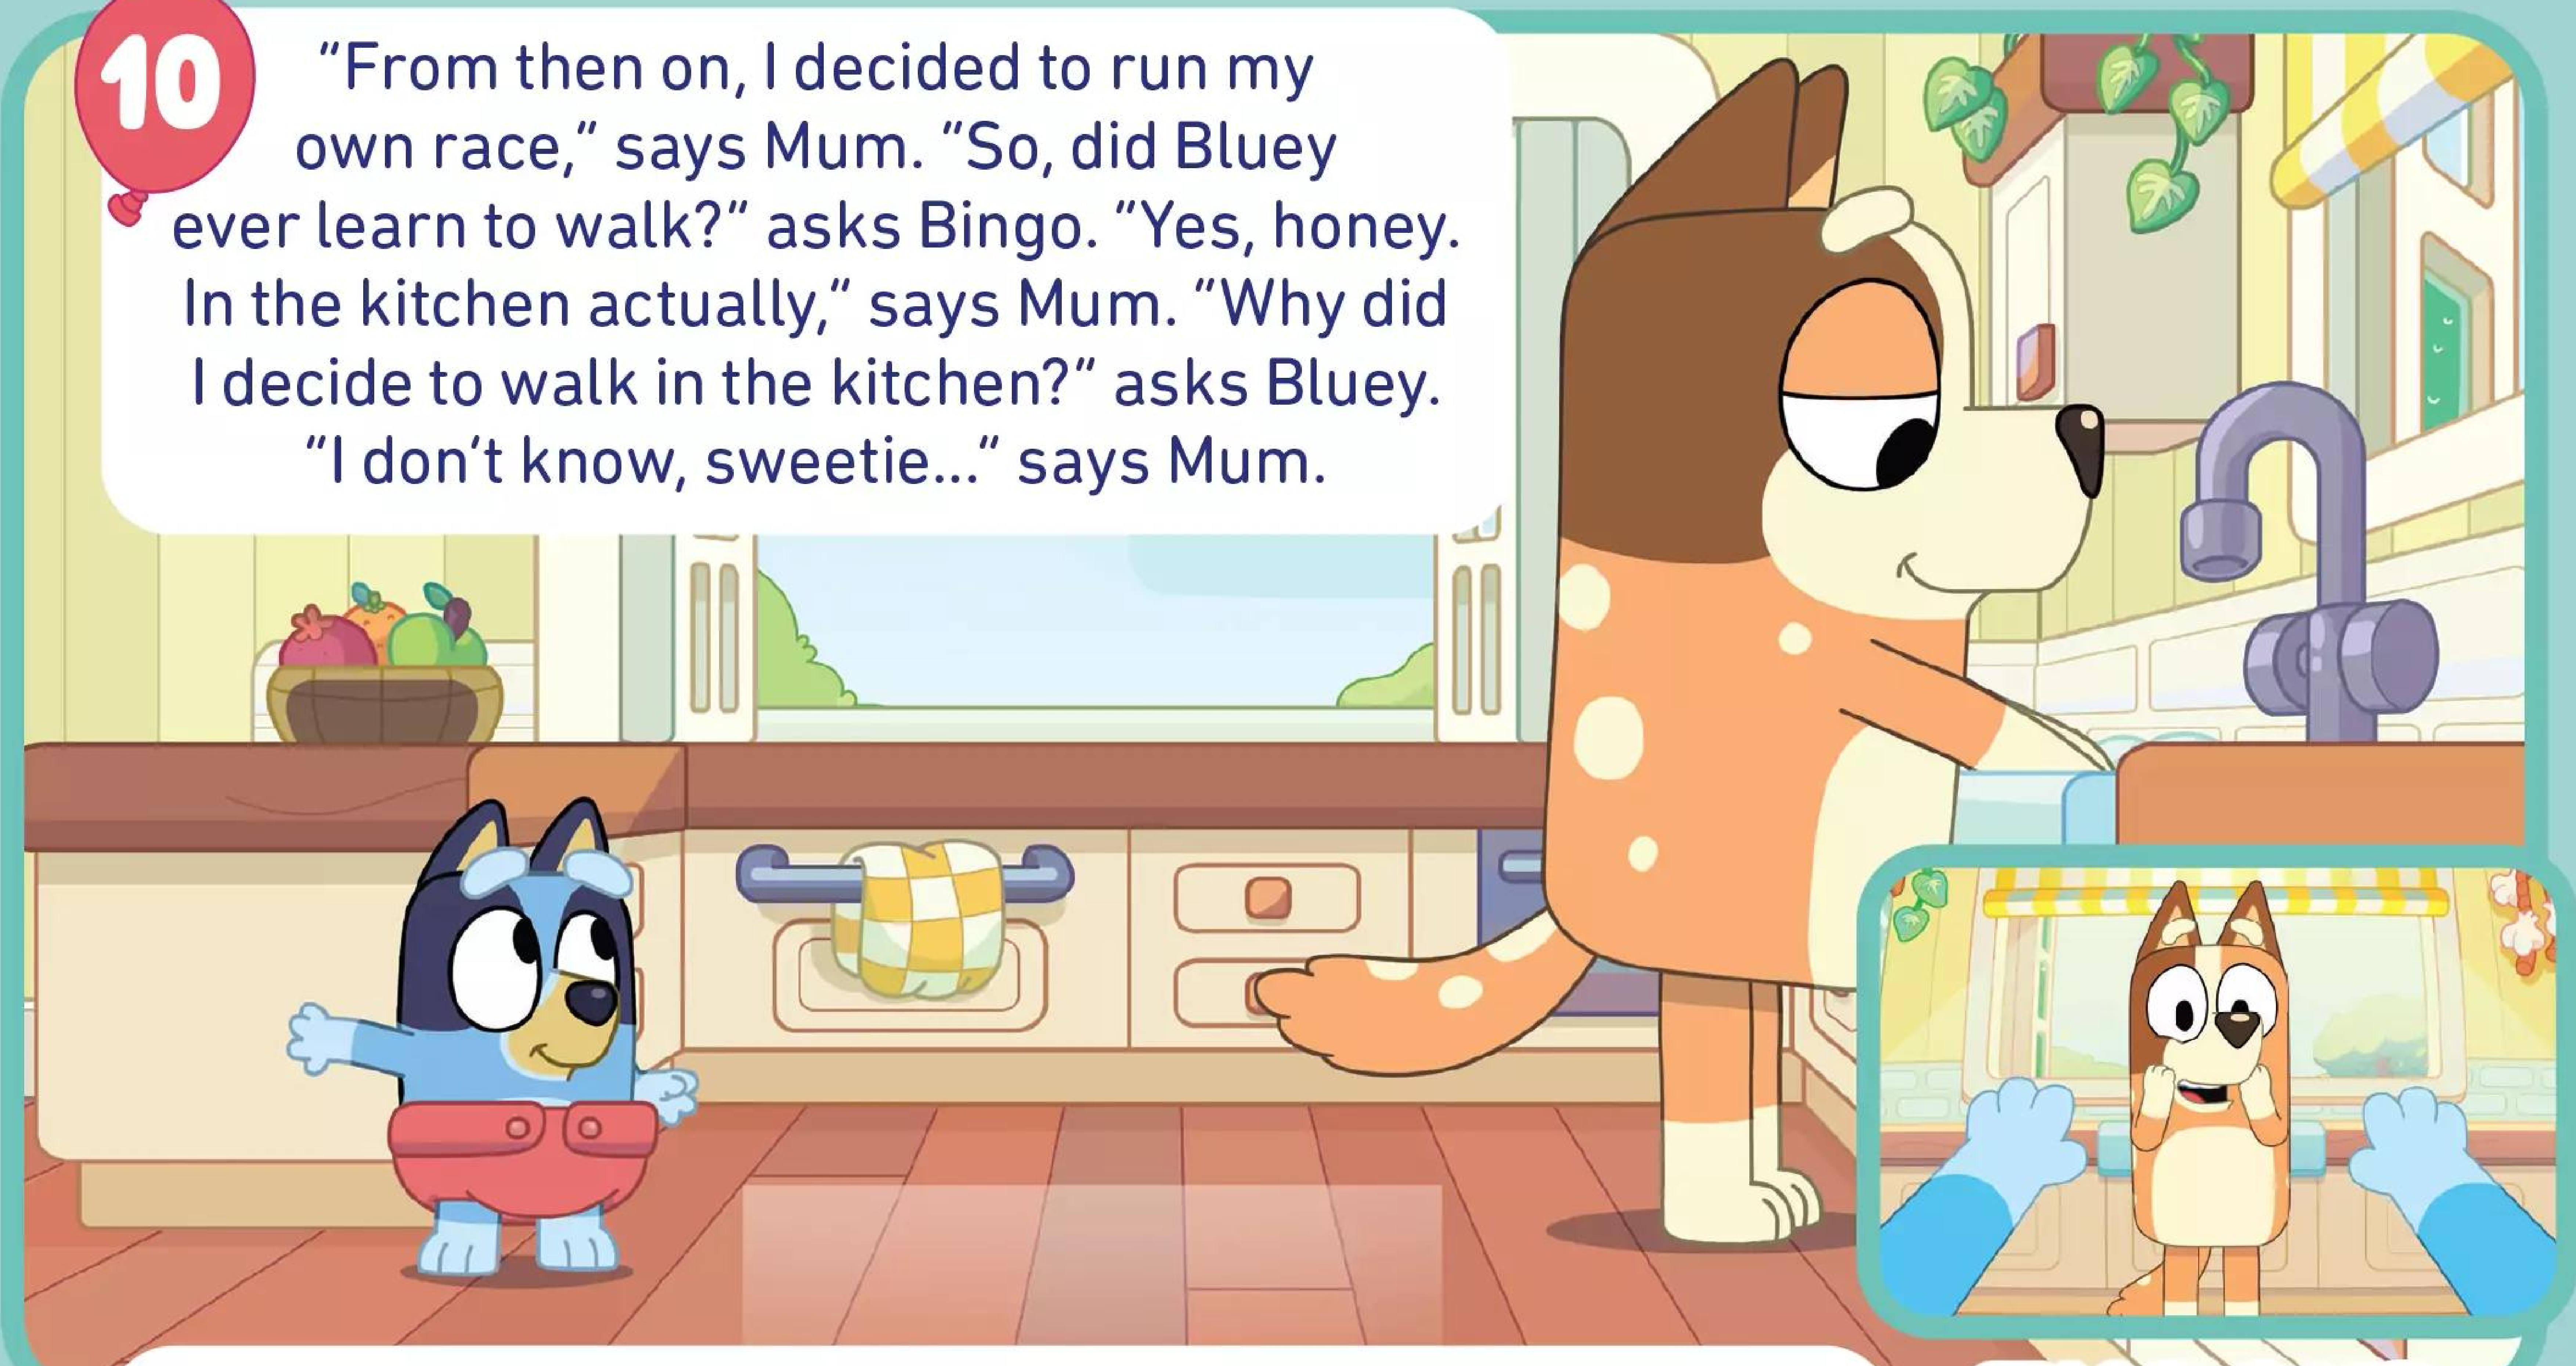
"Were you upset with me that I lost the baby race?" asks Bluey. "No, sweetie. Look, we were all learning to do things for the first time. I just felt like I was doing everything wrong," says Mum.

9 "But then one day, Coco's mum came to see me," says Mum. "She showed me a photo."



Are these all your children?
Yep.
I had no idea. Wow. You must have learned a thing or two.
I have. And there's something you need to know...
...you're doing great.

10 "From then on, I decided to run my own race," says Mum. "So, did Bluey ever learn to walk?" asks Bingo. "Yes, honey. In the kitchen actually," says Mum. "Why did I decide to walk in the kitchen?" asks Bluey. "I don't know, sweetie..." says Mum.



"Maybe you just saw something you wanted," says Bingo.

THE S

Dad and the kids are putting on a show for Mum...

HOW

Dad has a baby in his belly*! Let's play...

DAD BABY

(*Psst, it's really Bingo in a papoose.)

START

1

Before you roll, practise being pregnant. Say, "Oh, my BACK! Oh, my FEET! I'm HUNGRY... I need to sit down."

2

3

Get whacked over the head by Mum. **Back to the start!**

4

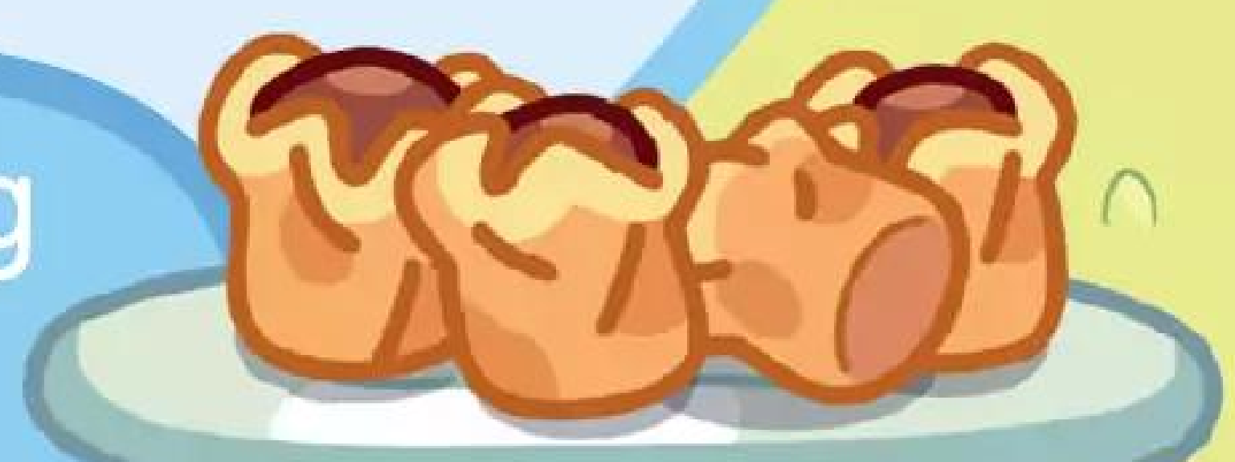
5

Cheese and crackers! It's hard to run with this heavy belly! **Miss a go** while you sit down.

6

7

Remember, you're eating for 2 people now! **Count these dim sim and move on that many spaces.**



8

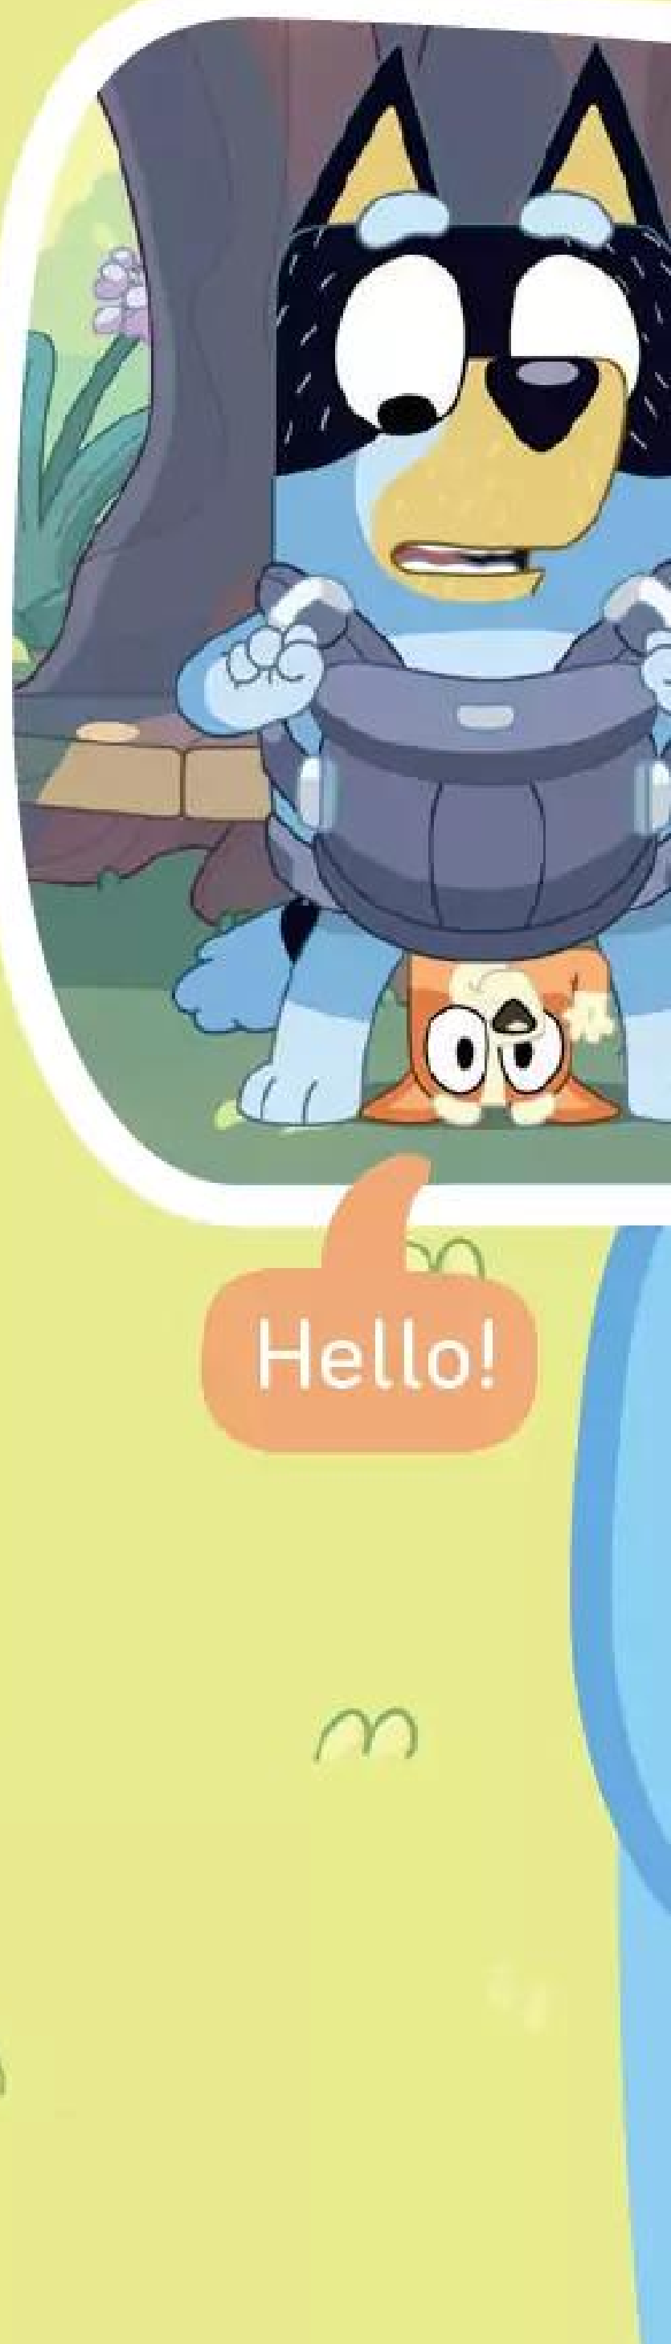
9

10

Pregnant people need exercise too! Move to the garden (space 11).

11

12



HOW TO PLAY

1 Find a friend and counters – a button or small toy works well.

2 Take turns rolling a dice and moving around the board… until the baby is born!

3 **Be prepared for an epic journey!** The first one to Baby Bingo wins.

Baby Bingo starts kicking! Oww! **Swap places** with the other player on the board as you leap around.

13

14

The baby is coming! Move **forward 1 space** to get in to the paddling pool.

15

16

Gah! Bluey's not the midwife in this game, she's just a friend who works at a petrol station! **Miss a go** while you find someone to help.

17

18

Lucky's dad (Pat) can help! Take 4 deep breaths and move forward 1 space.

19

20

The baby's really holding on. **Roll again** to keep pushing!

I've got a foot!

21

Pat can see the butt! And a lot of dim sims! But baby Bingo's not budging. **Miss a go.**

22

23

Time for a team effort. Bluey pulls, Dad pushes, and Pat sings. **Sing a song and roll again!**

24

25

Hooray, the baby is born! Now you have to give the baby a name.

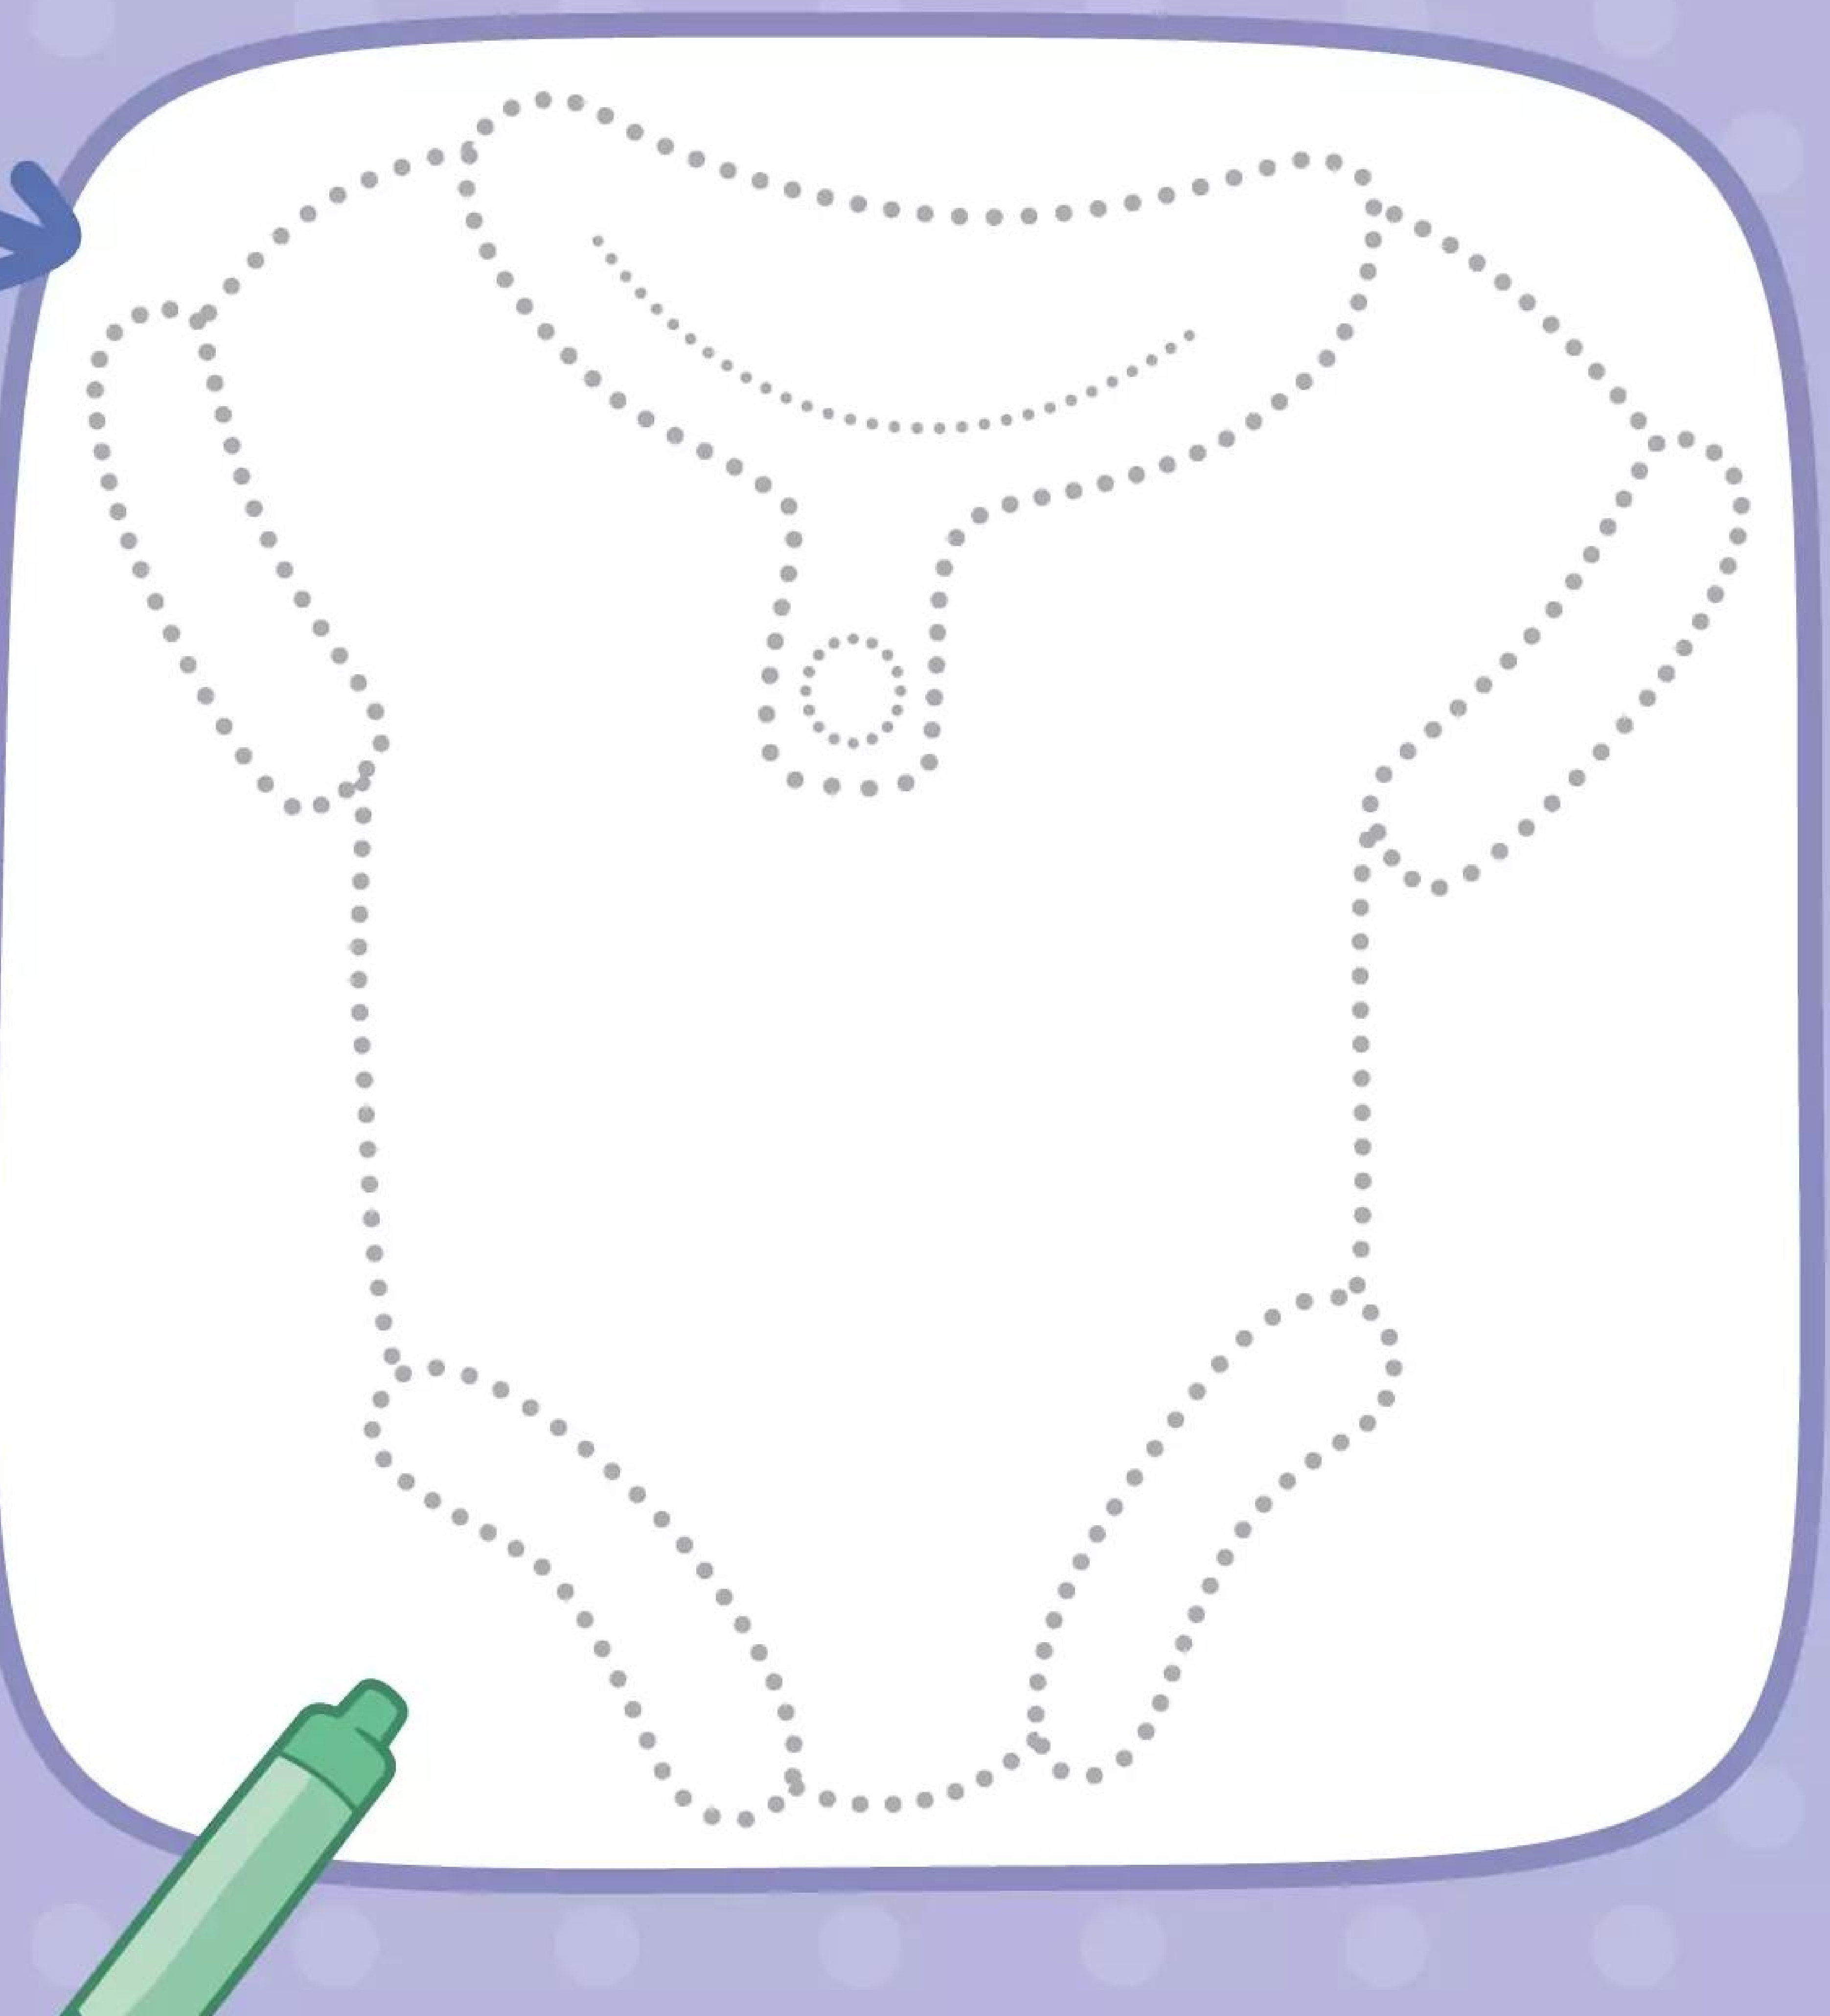
Baby showers need pressies! Design a brand-new onesie to give as a gift.

Babies LOVE onesies.

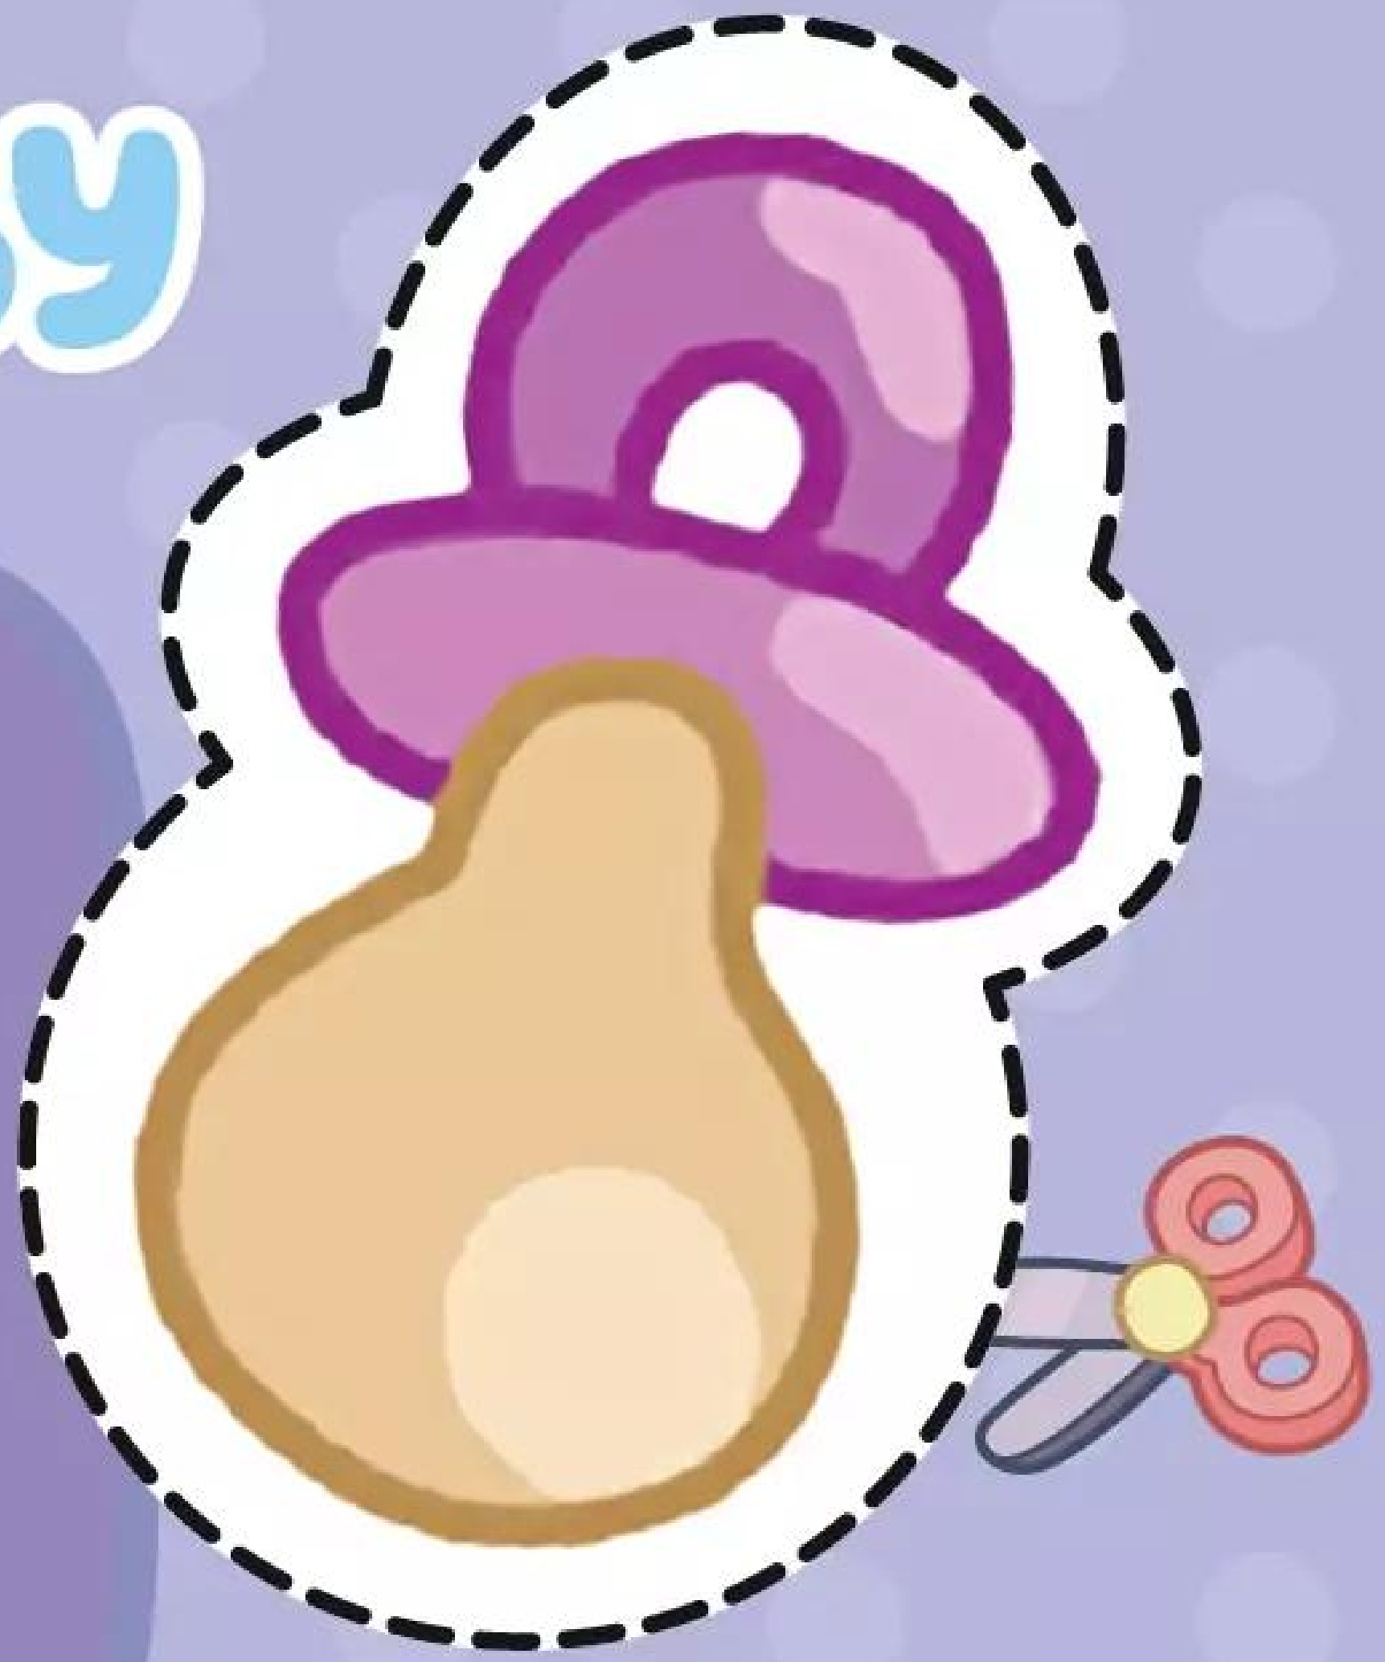


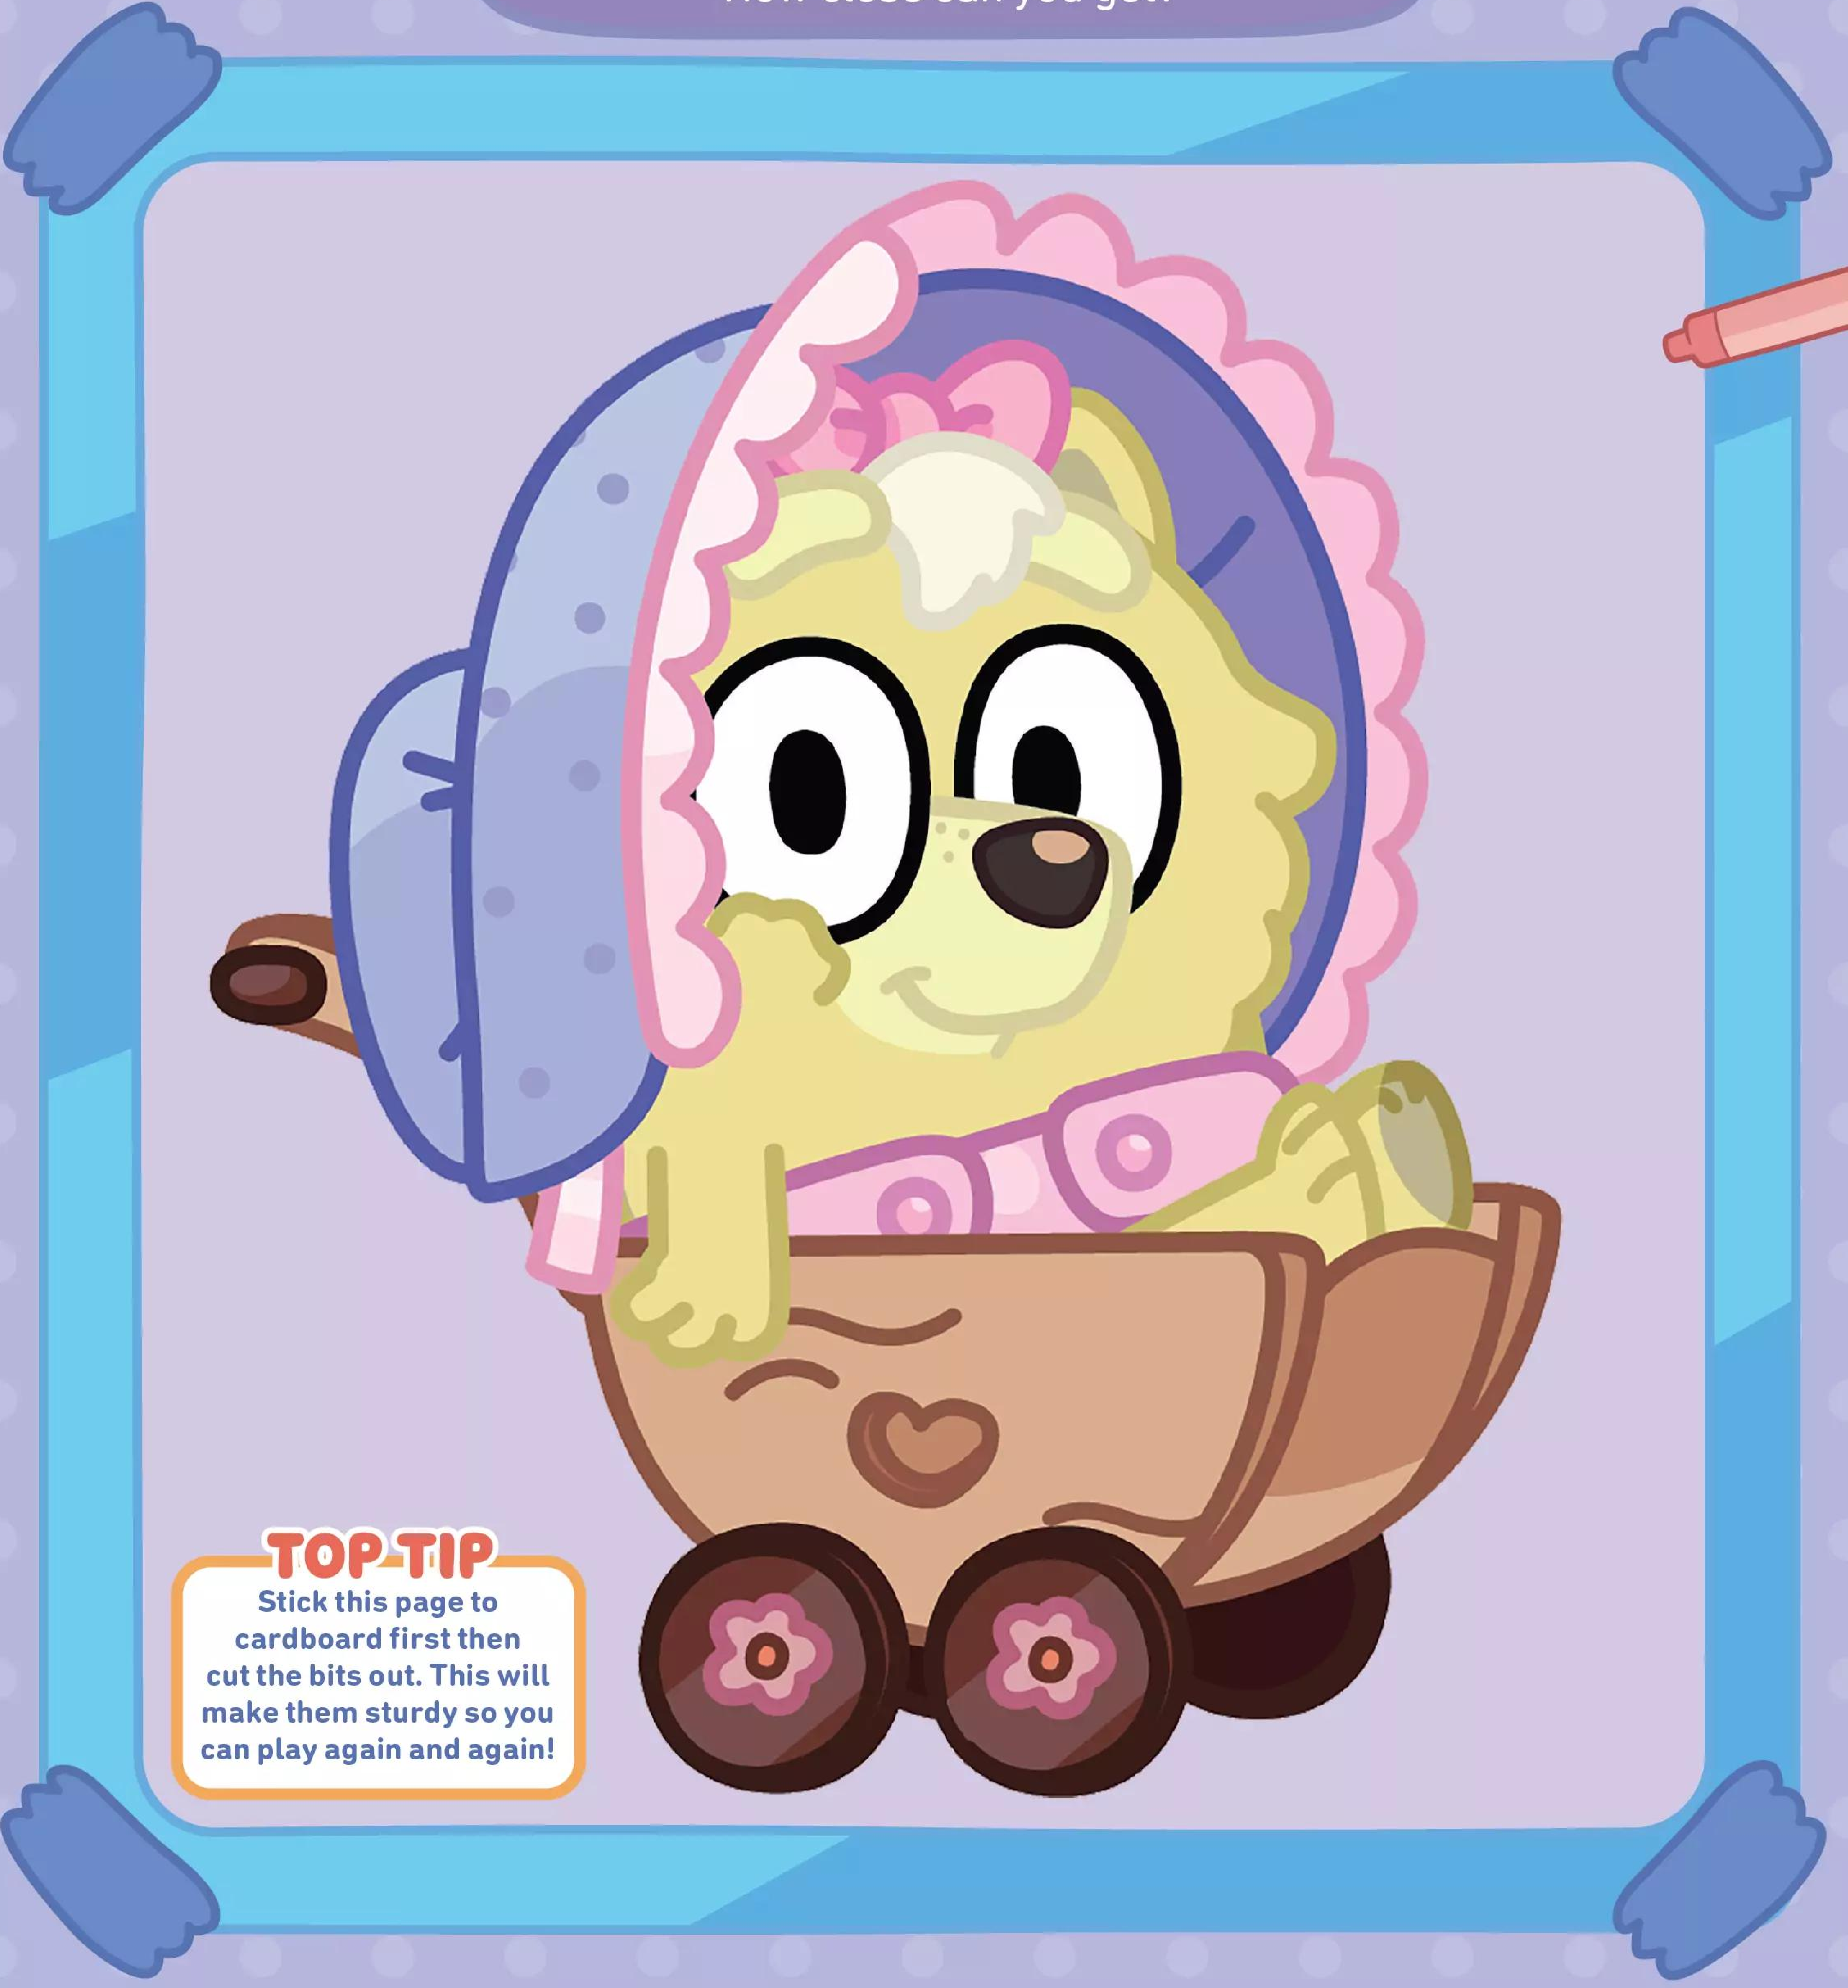
Baby showers need games too! Let's play....

PIN THE DUMMY ON THE BABY

1 Snip out the dummy. Then tear out the page and put your baby picture on the wall.

2 Pop some sticky tack on the back of the dummy. With a grown-up, cover your eyes with a scarf or hat, then try to stick the dummy in the baby's mouth. How close can you get?





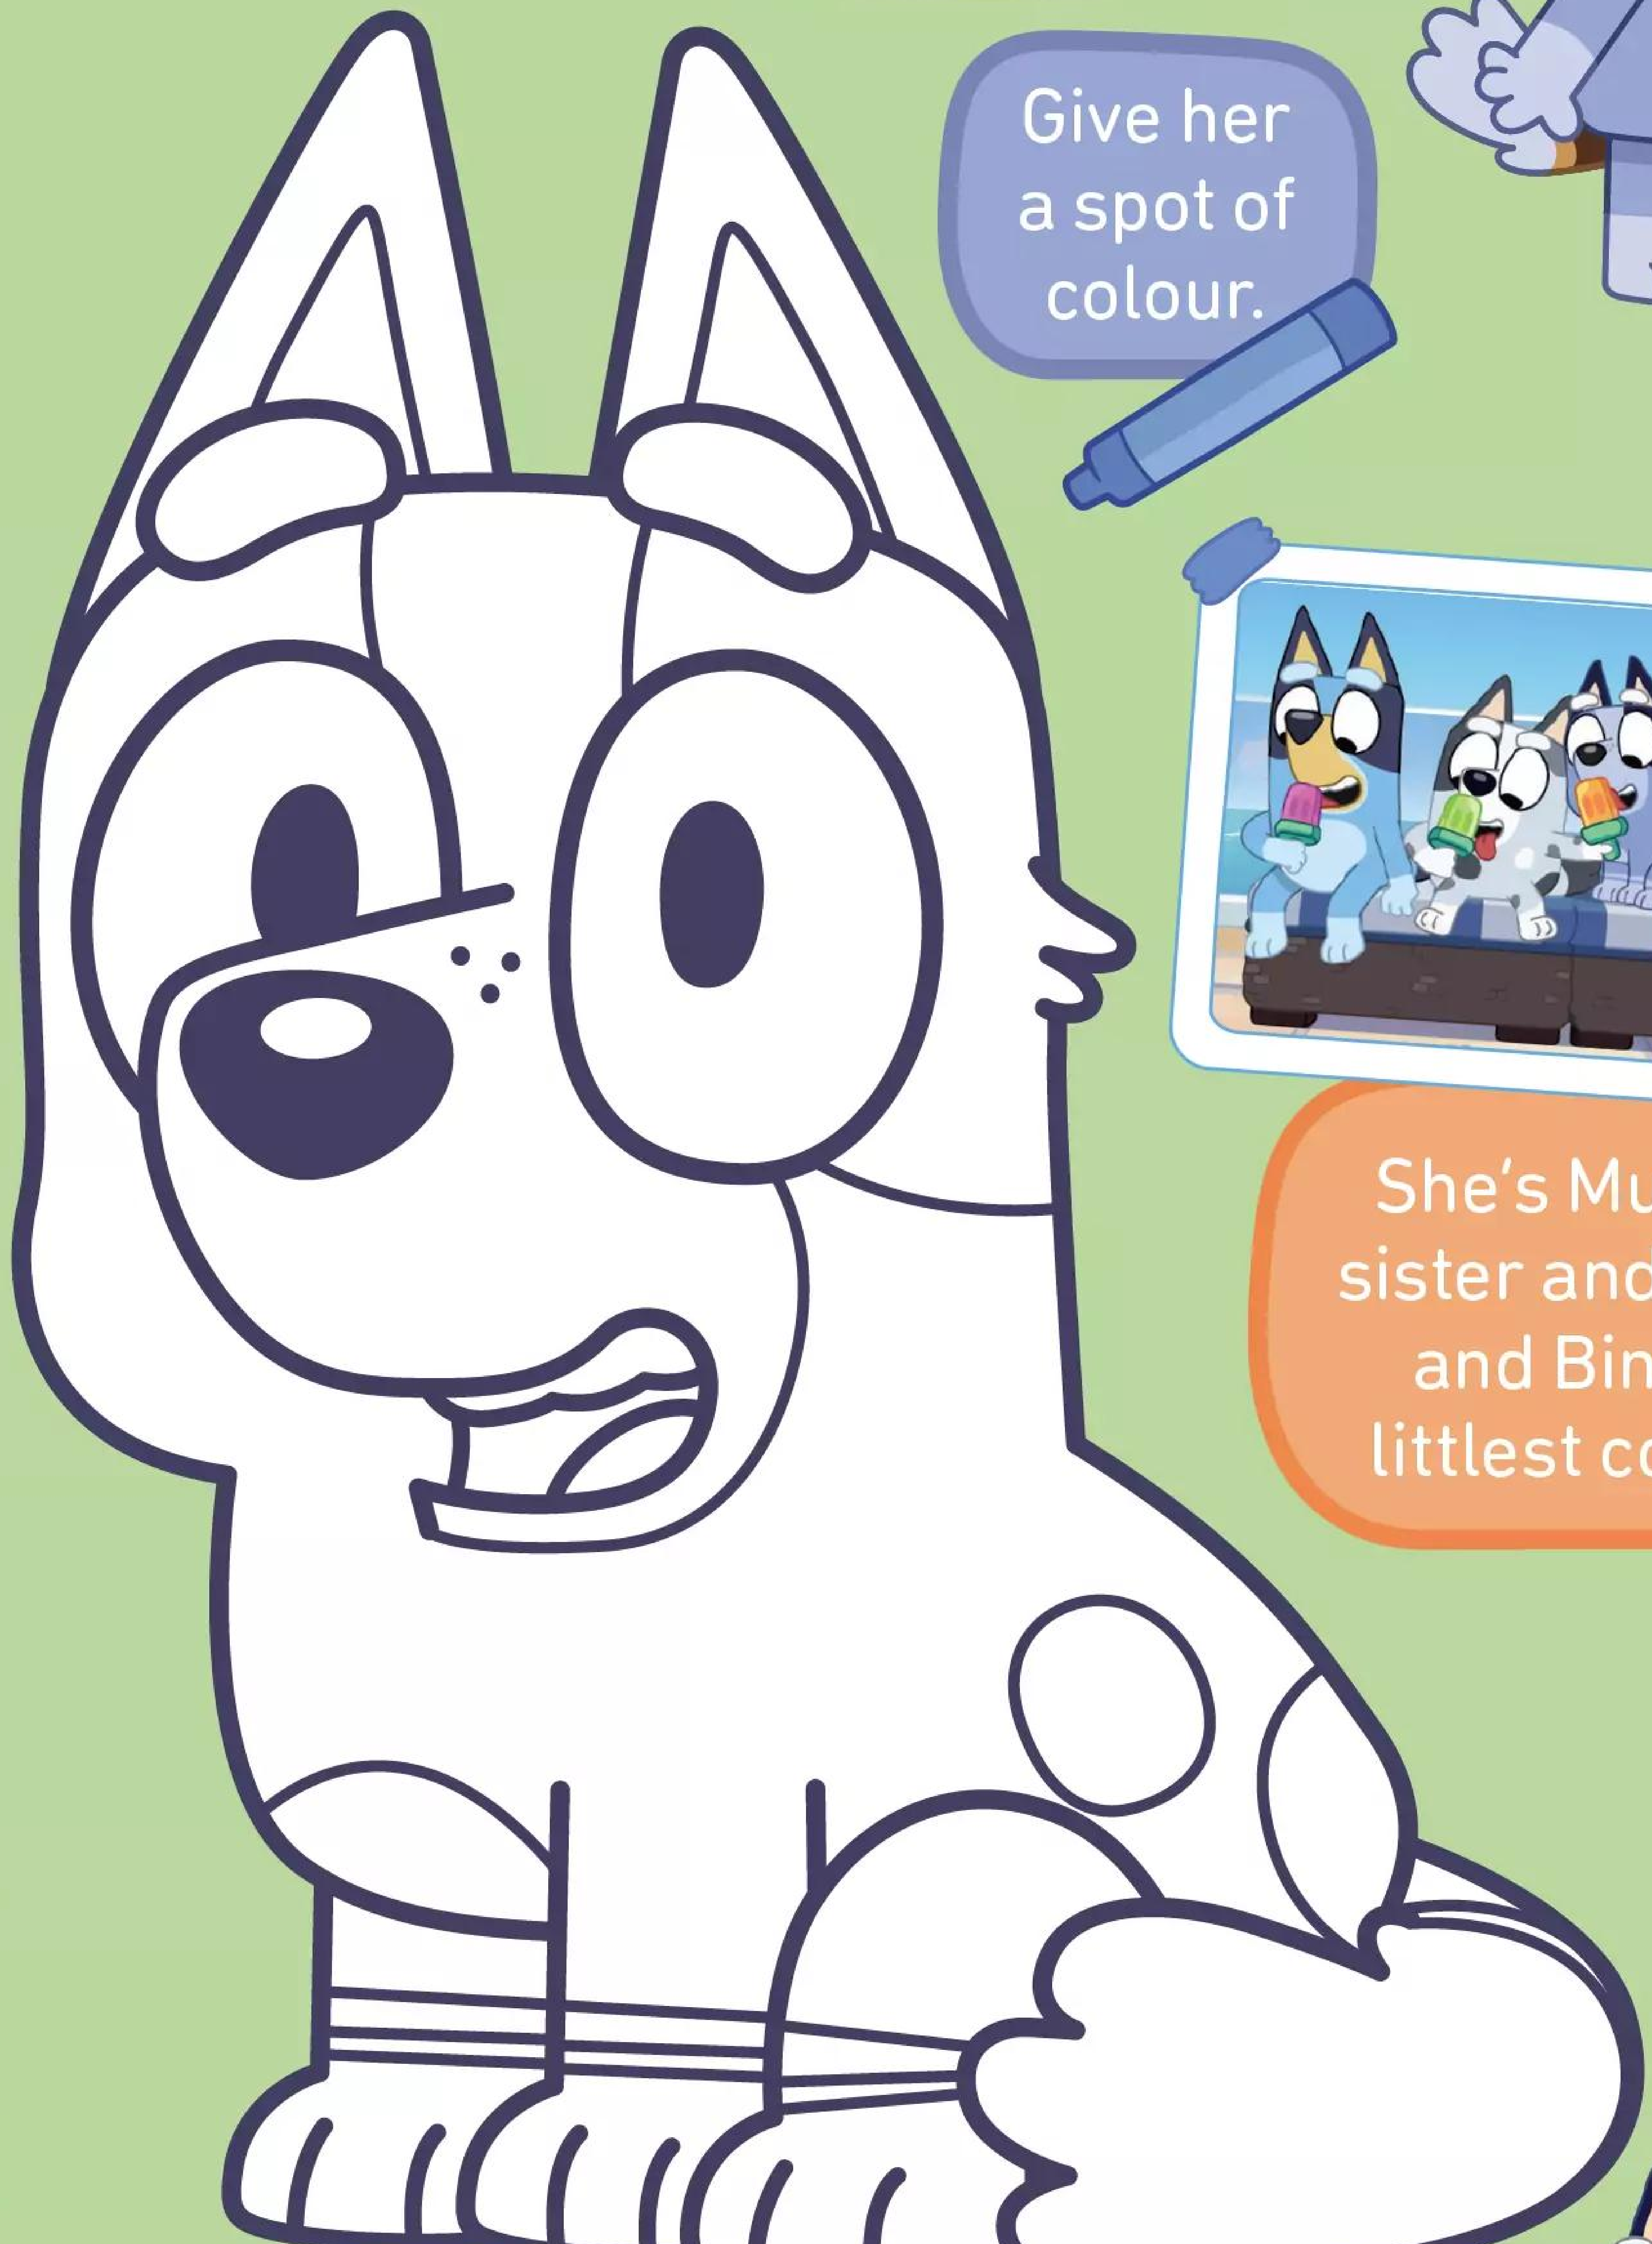
TOP TIP

Stick this page to cardboard first then cut the bits out. This will make them sturdy so you can play again and again!

ALL ABOUT... SOCKS

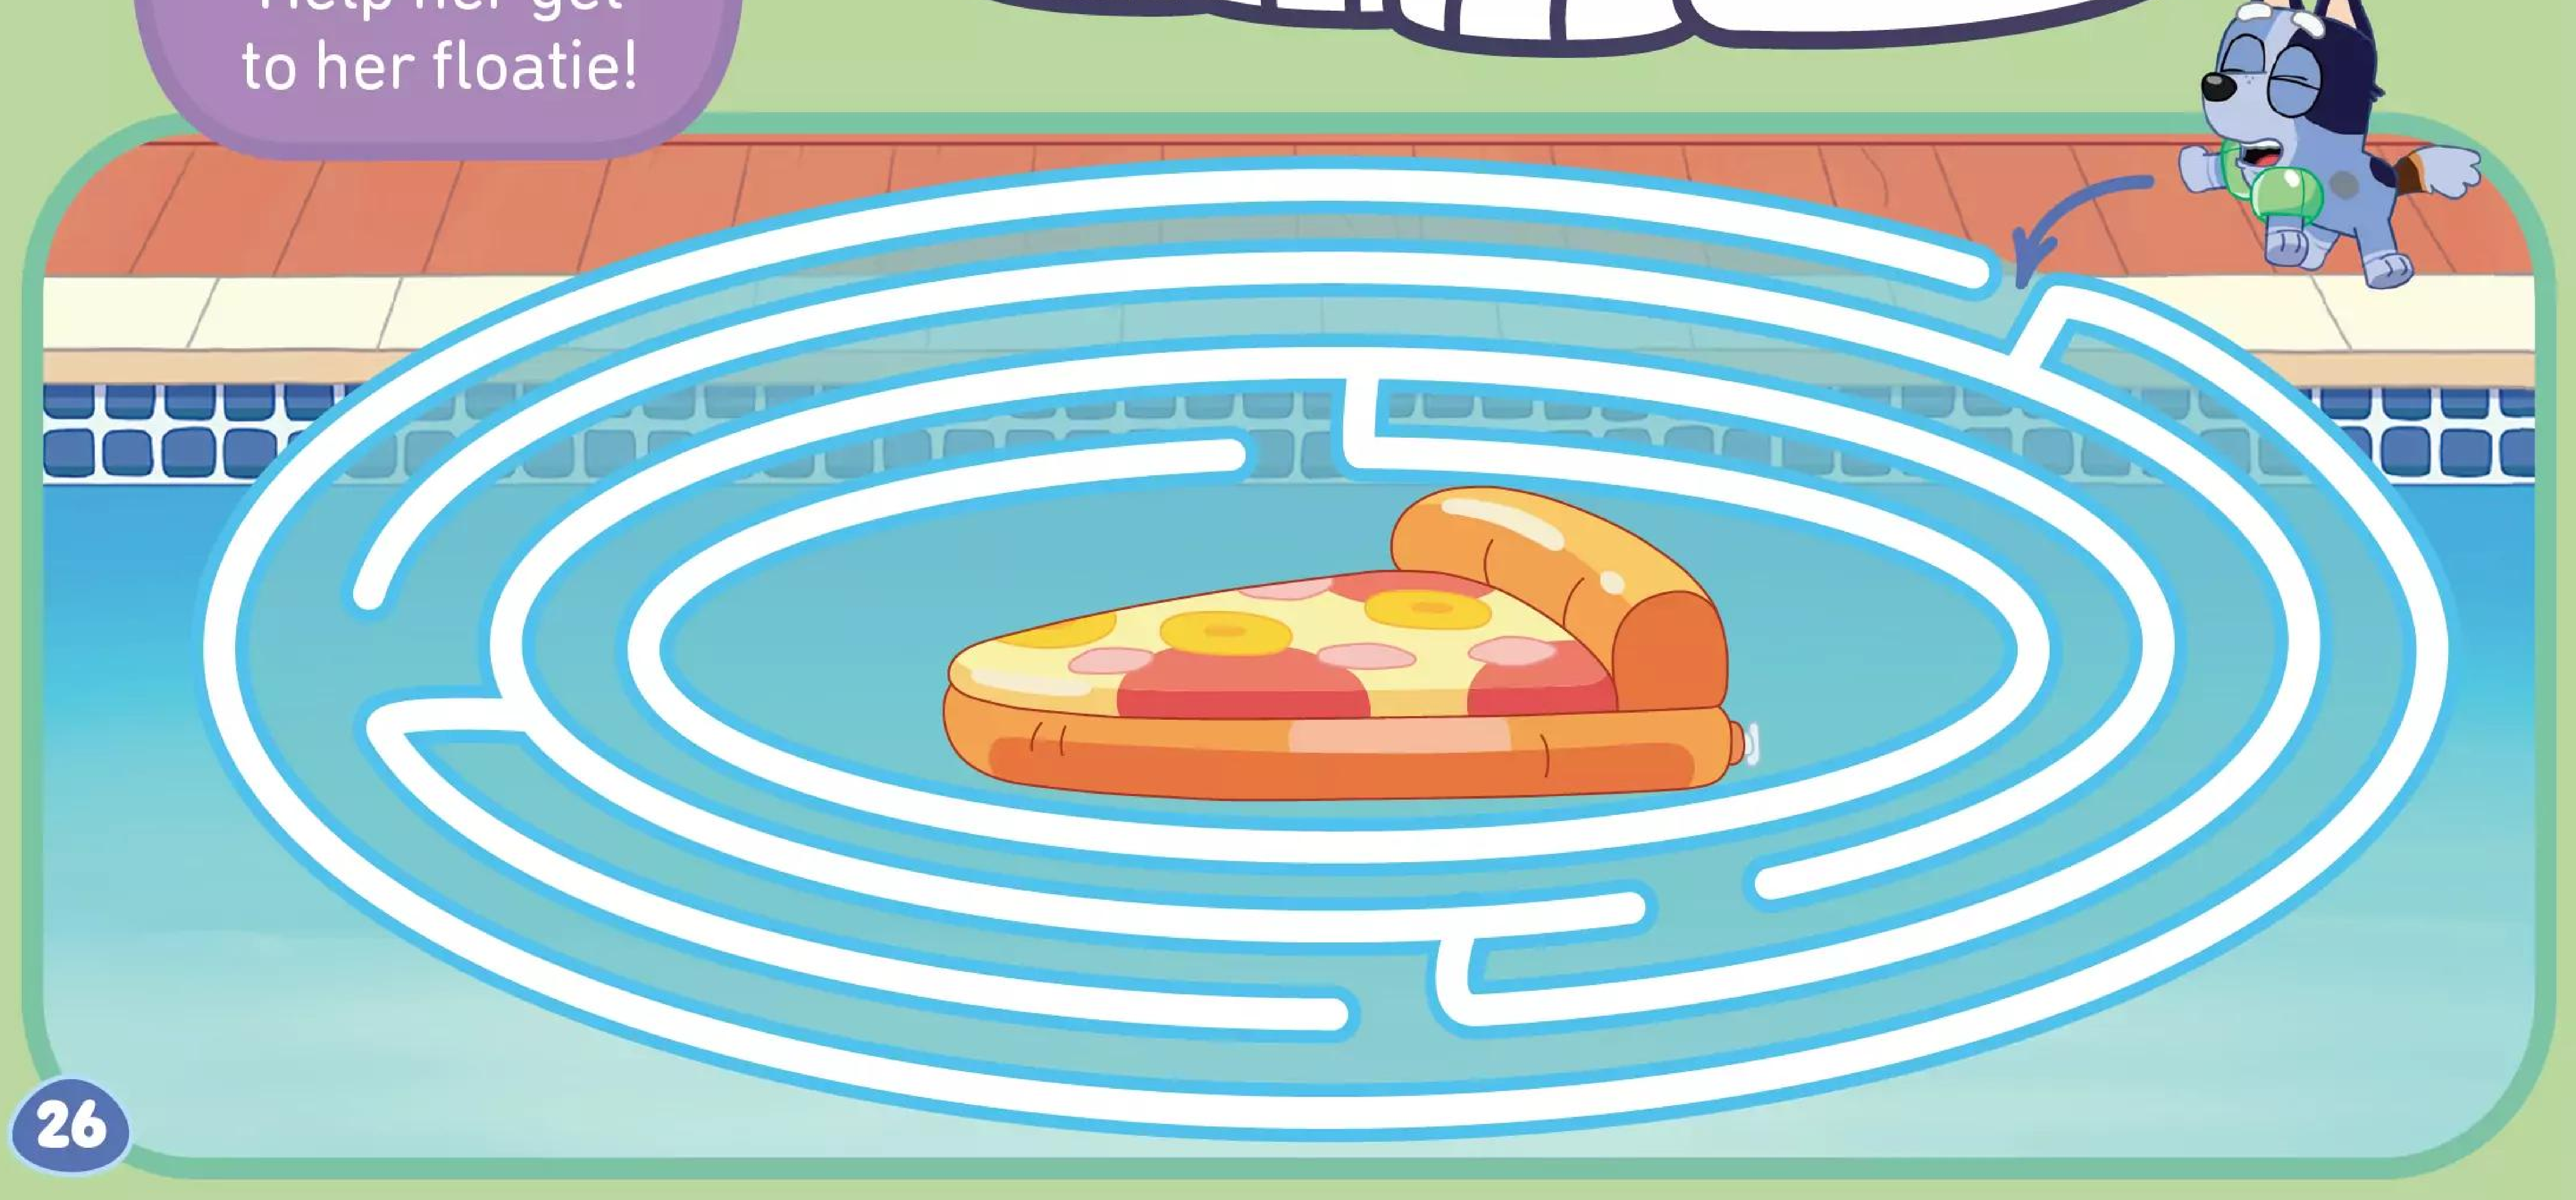
Socks is a littlie! She likes licking, panting, chewing and... nipping.

Give her a spot of colour.



She's Muffin's sister and Bluey and Bingo's littlest cousin.

She's got a pool at her house. Help her get to her floatie!



Socks played Bumpy in Bluey's show. Stick to see the purple underpants!

YOU WILL NEED:

- 2 capsicums
- carrots
- peas & rice
- sweetcorn
- a grown-up to help

Gleen capsicum!

Did you know that Socks likes green capsicums? Let's make a yummy capsicum rice bowl.

1 With a grown-up, cut your capsicums in half and scoop out the middle bit.

2 Choose your favourite veggies and (with your grown-up) fry them with some cooked rice – carrots, peas and sweetcorn are tasty!

3 When the veggie mix is cool enough to eat, simply scoop it into the capsicum halves and tuck in!

TOO easy!

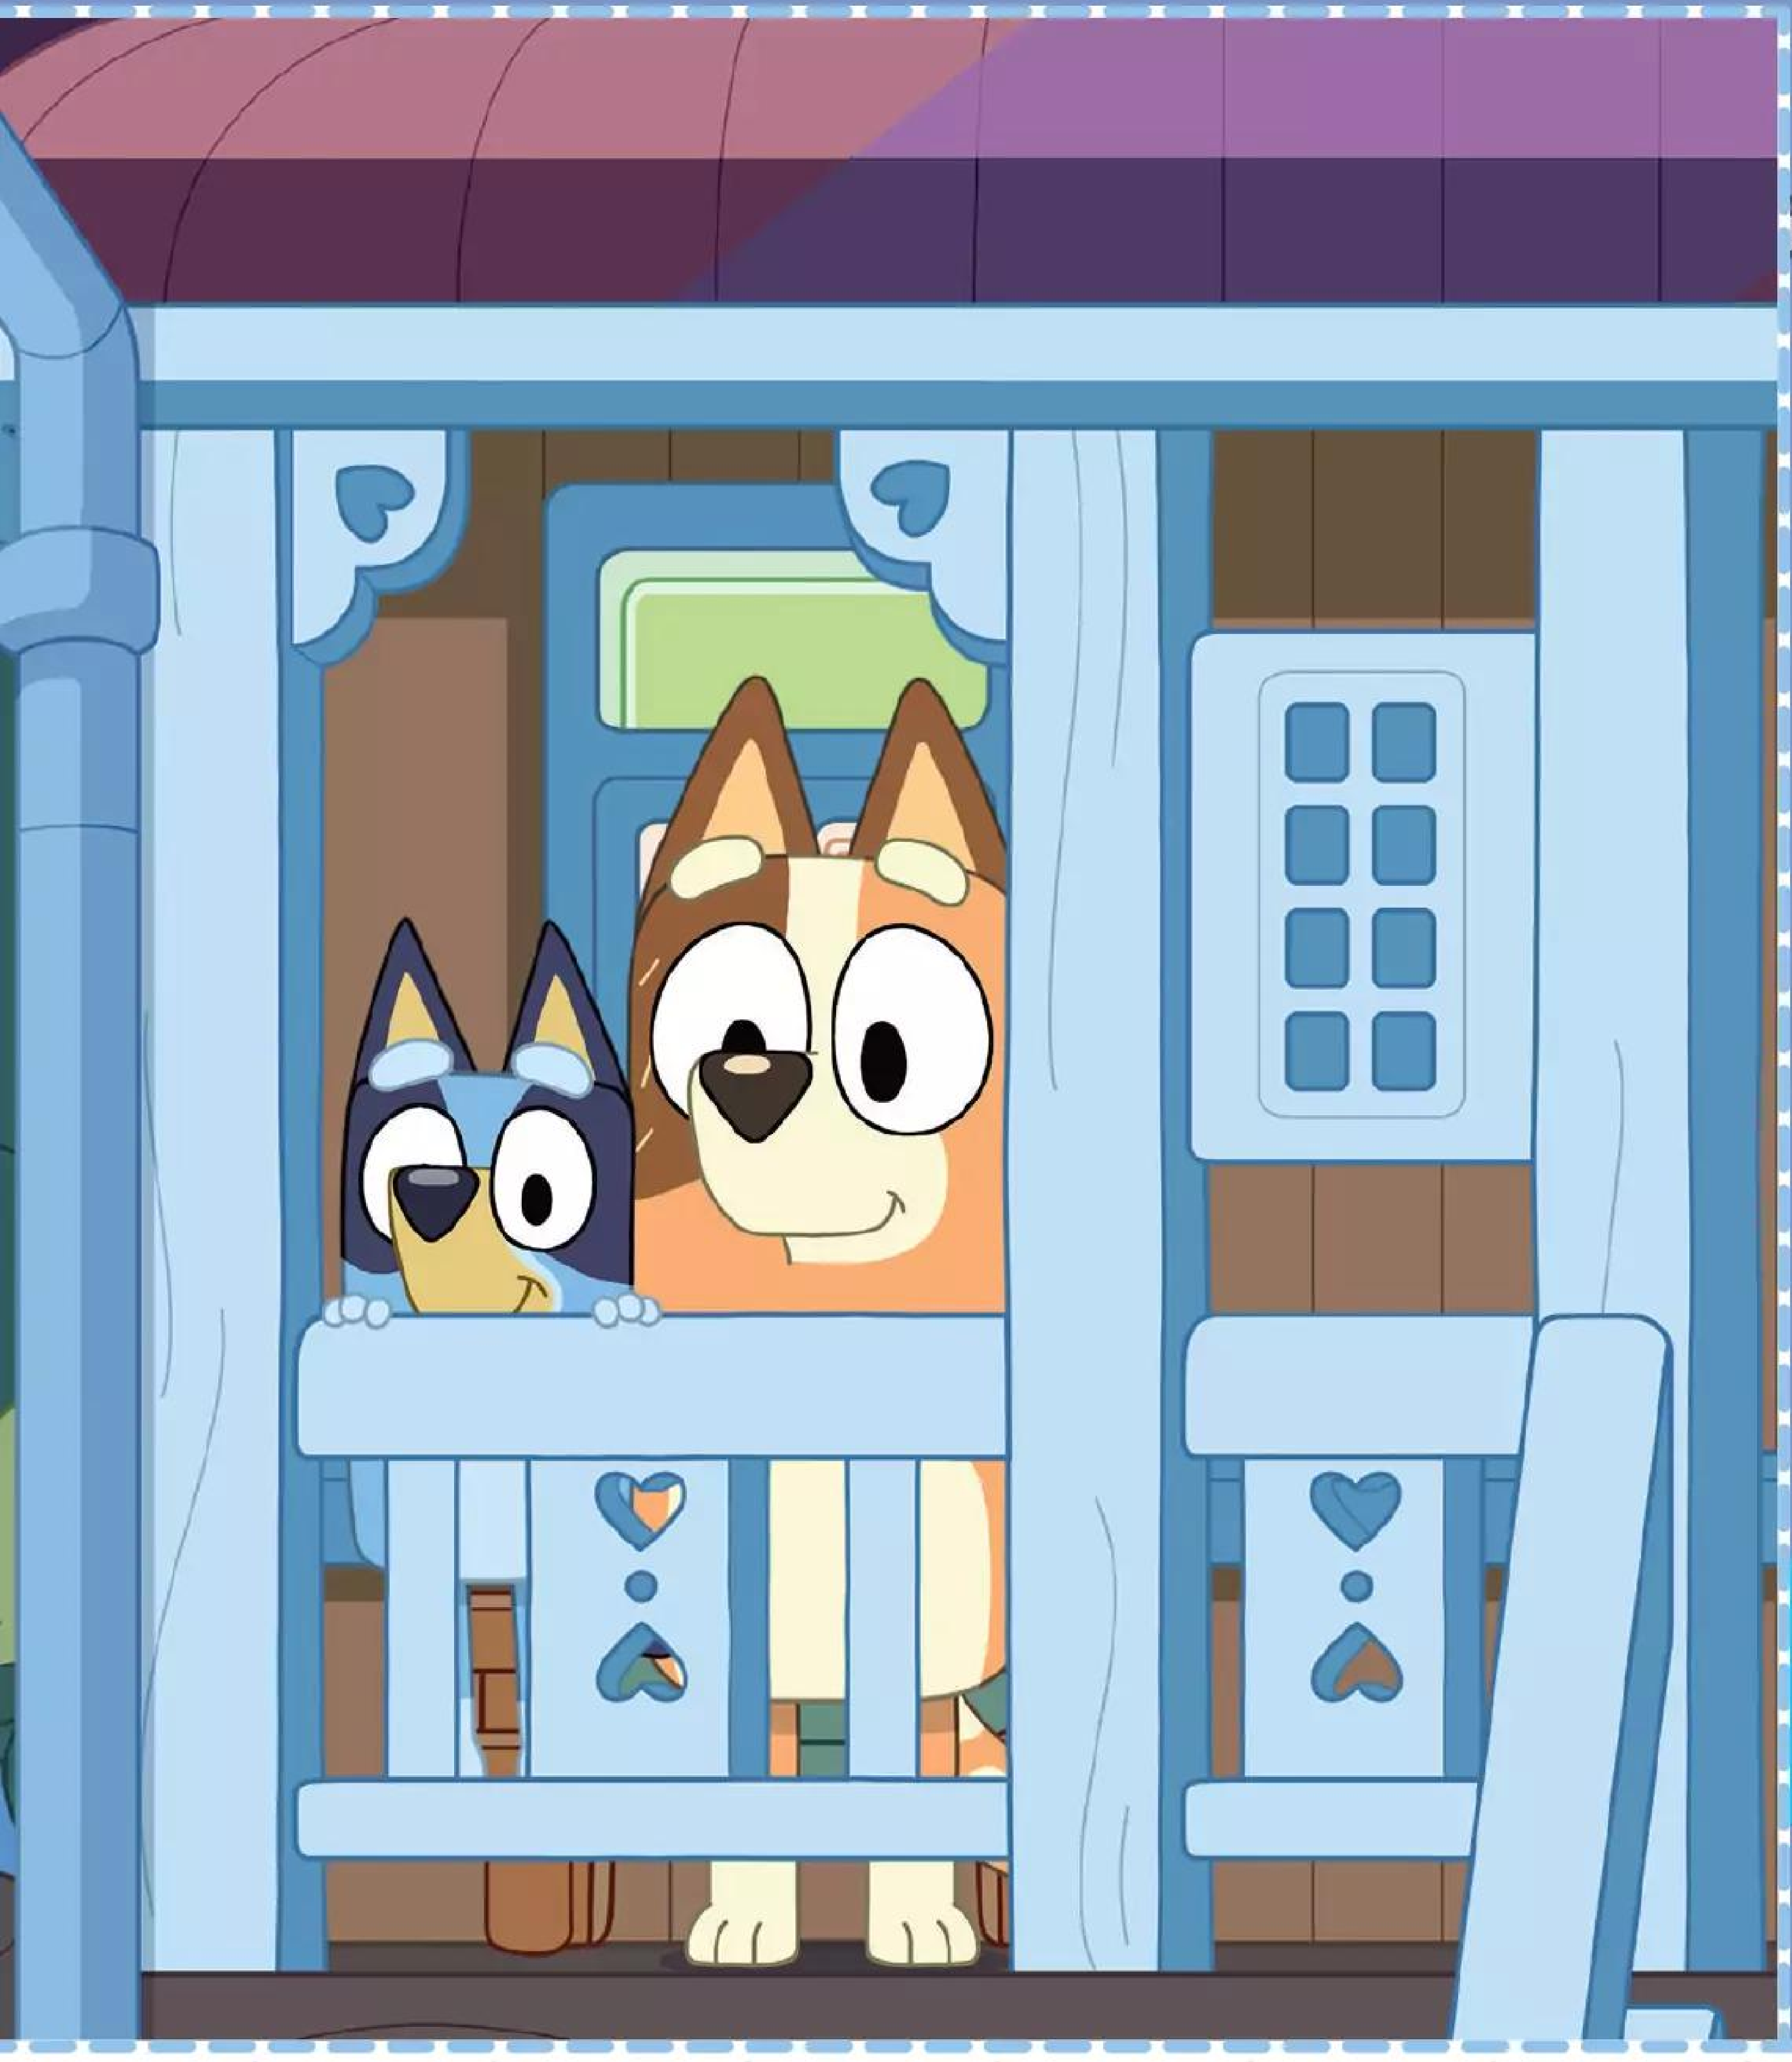
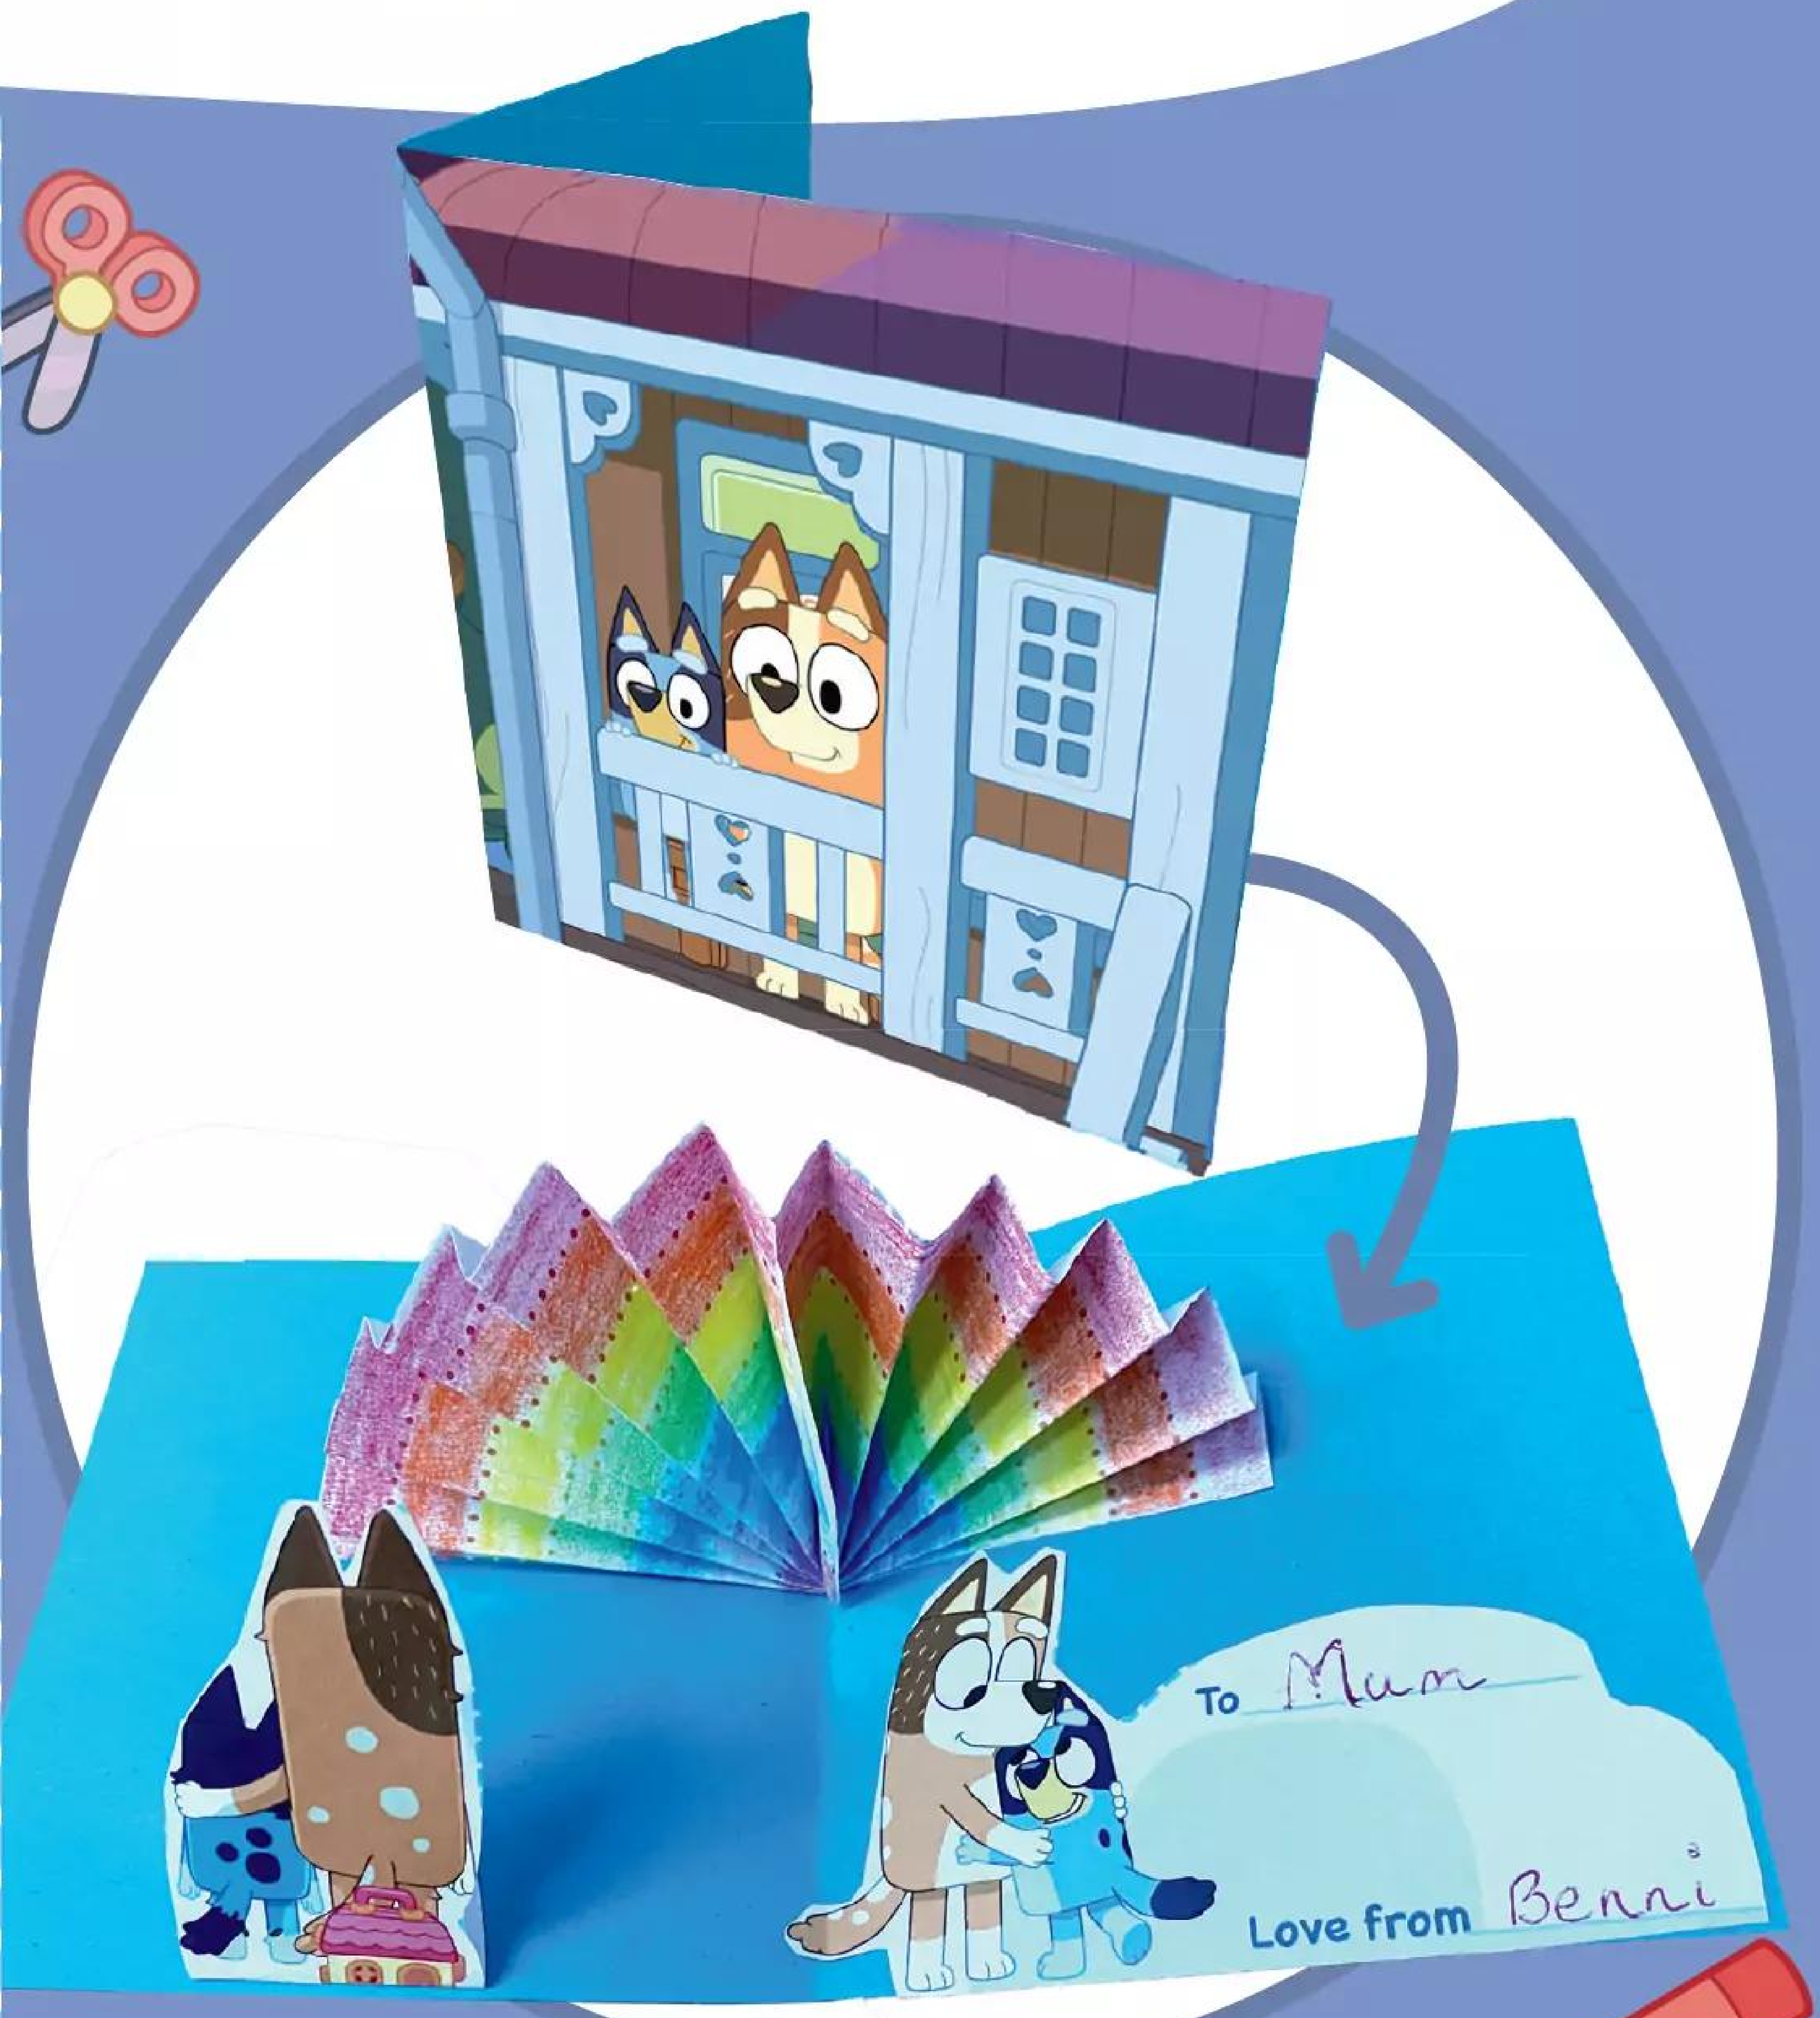
CHILLI DAY CARD

Ooooh, rainbow! Make this awesome pop-up card for the special Chilli in your life.





To Mum
Love from Benni

Finish pages 29 & 32 before snipping!

1

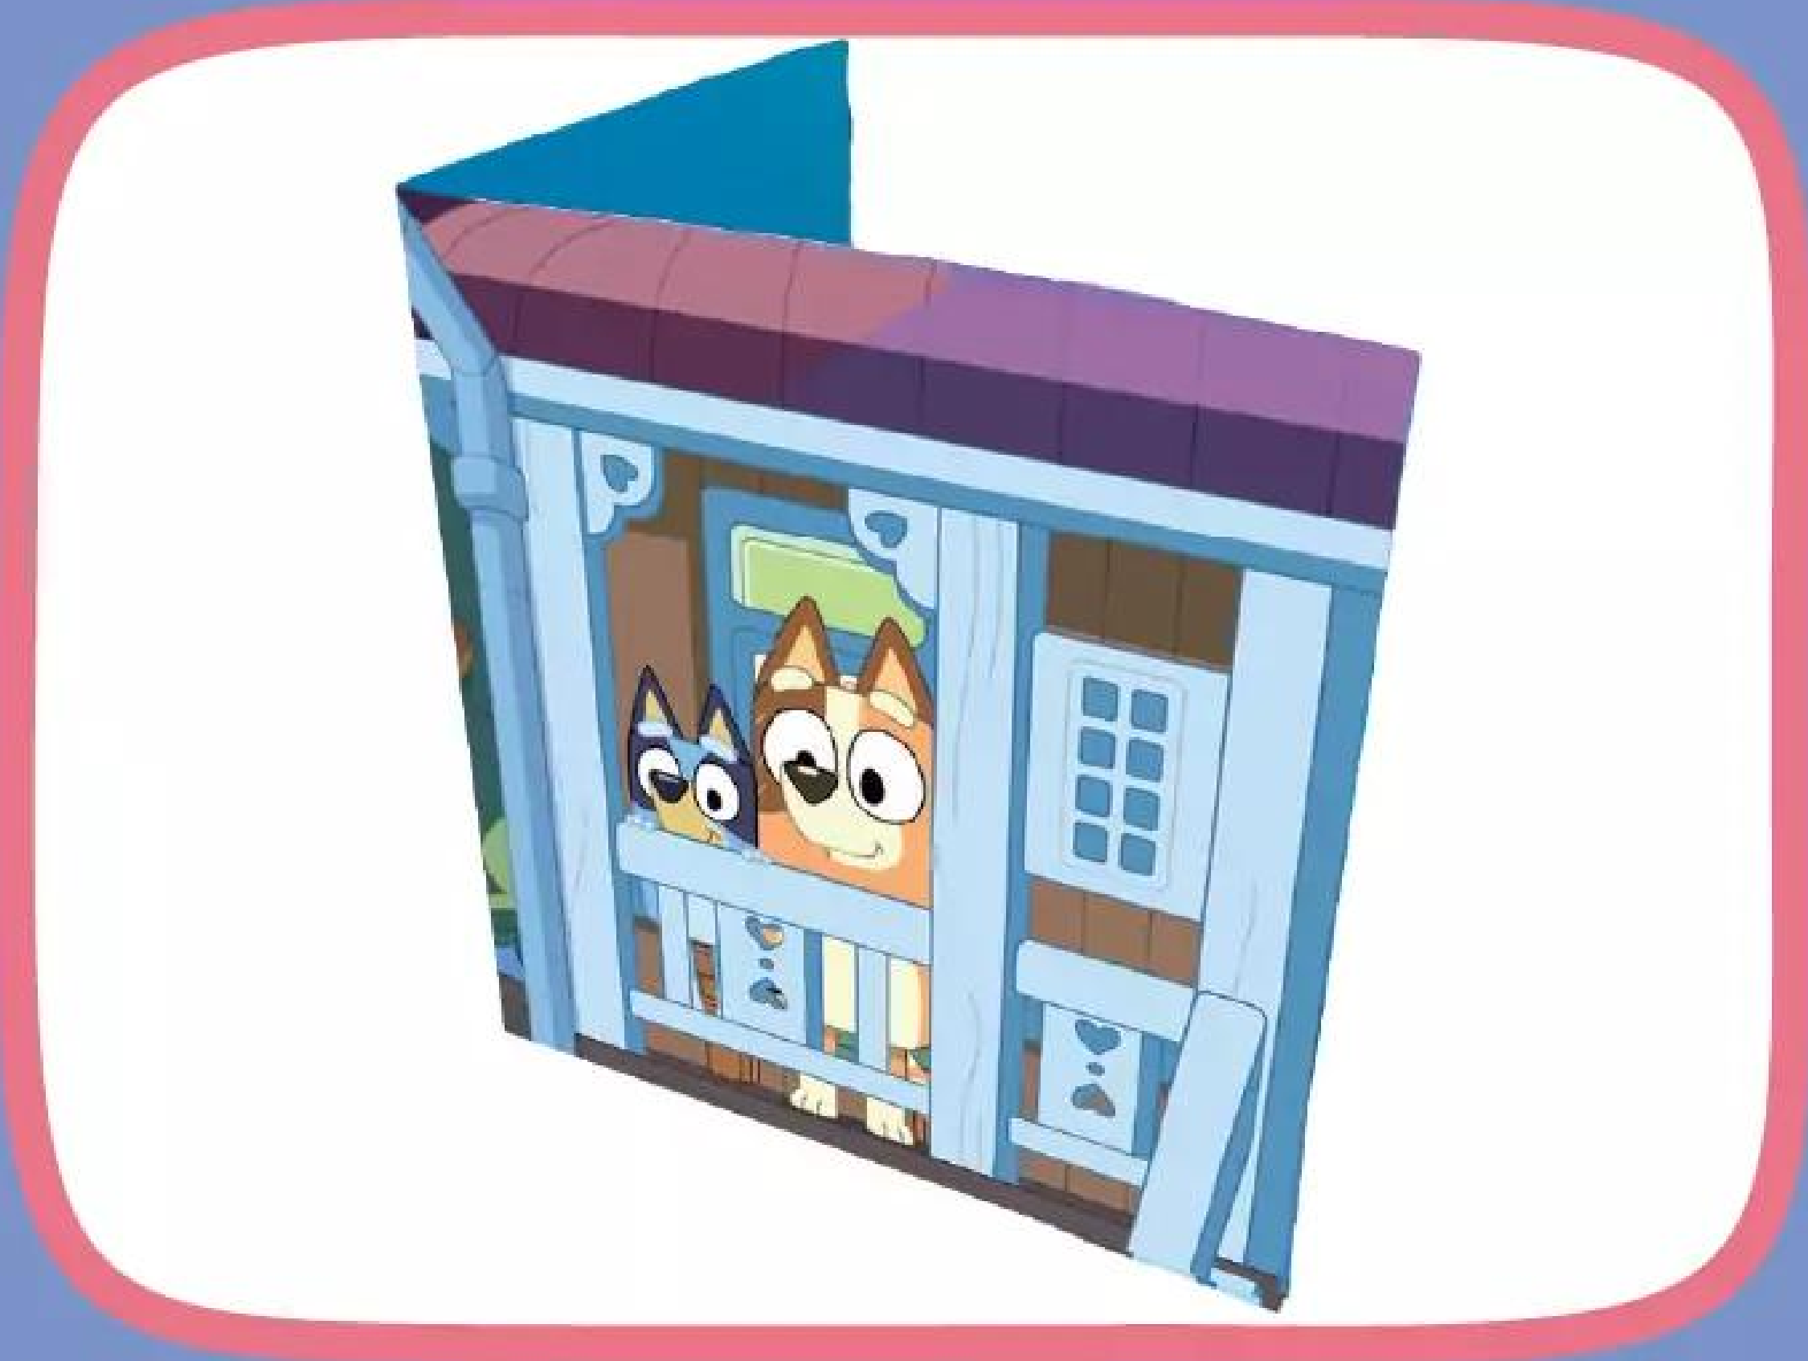
Cut out the things on the opposite page marked with dashed lines. Fold a piece of cardboard in half and stick the piccie on the front, so it opens like a card.

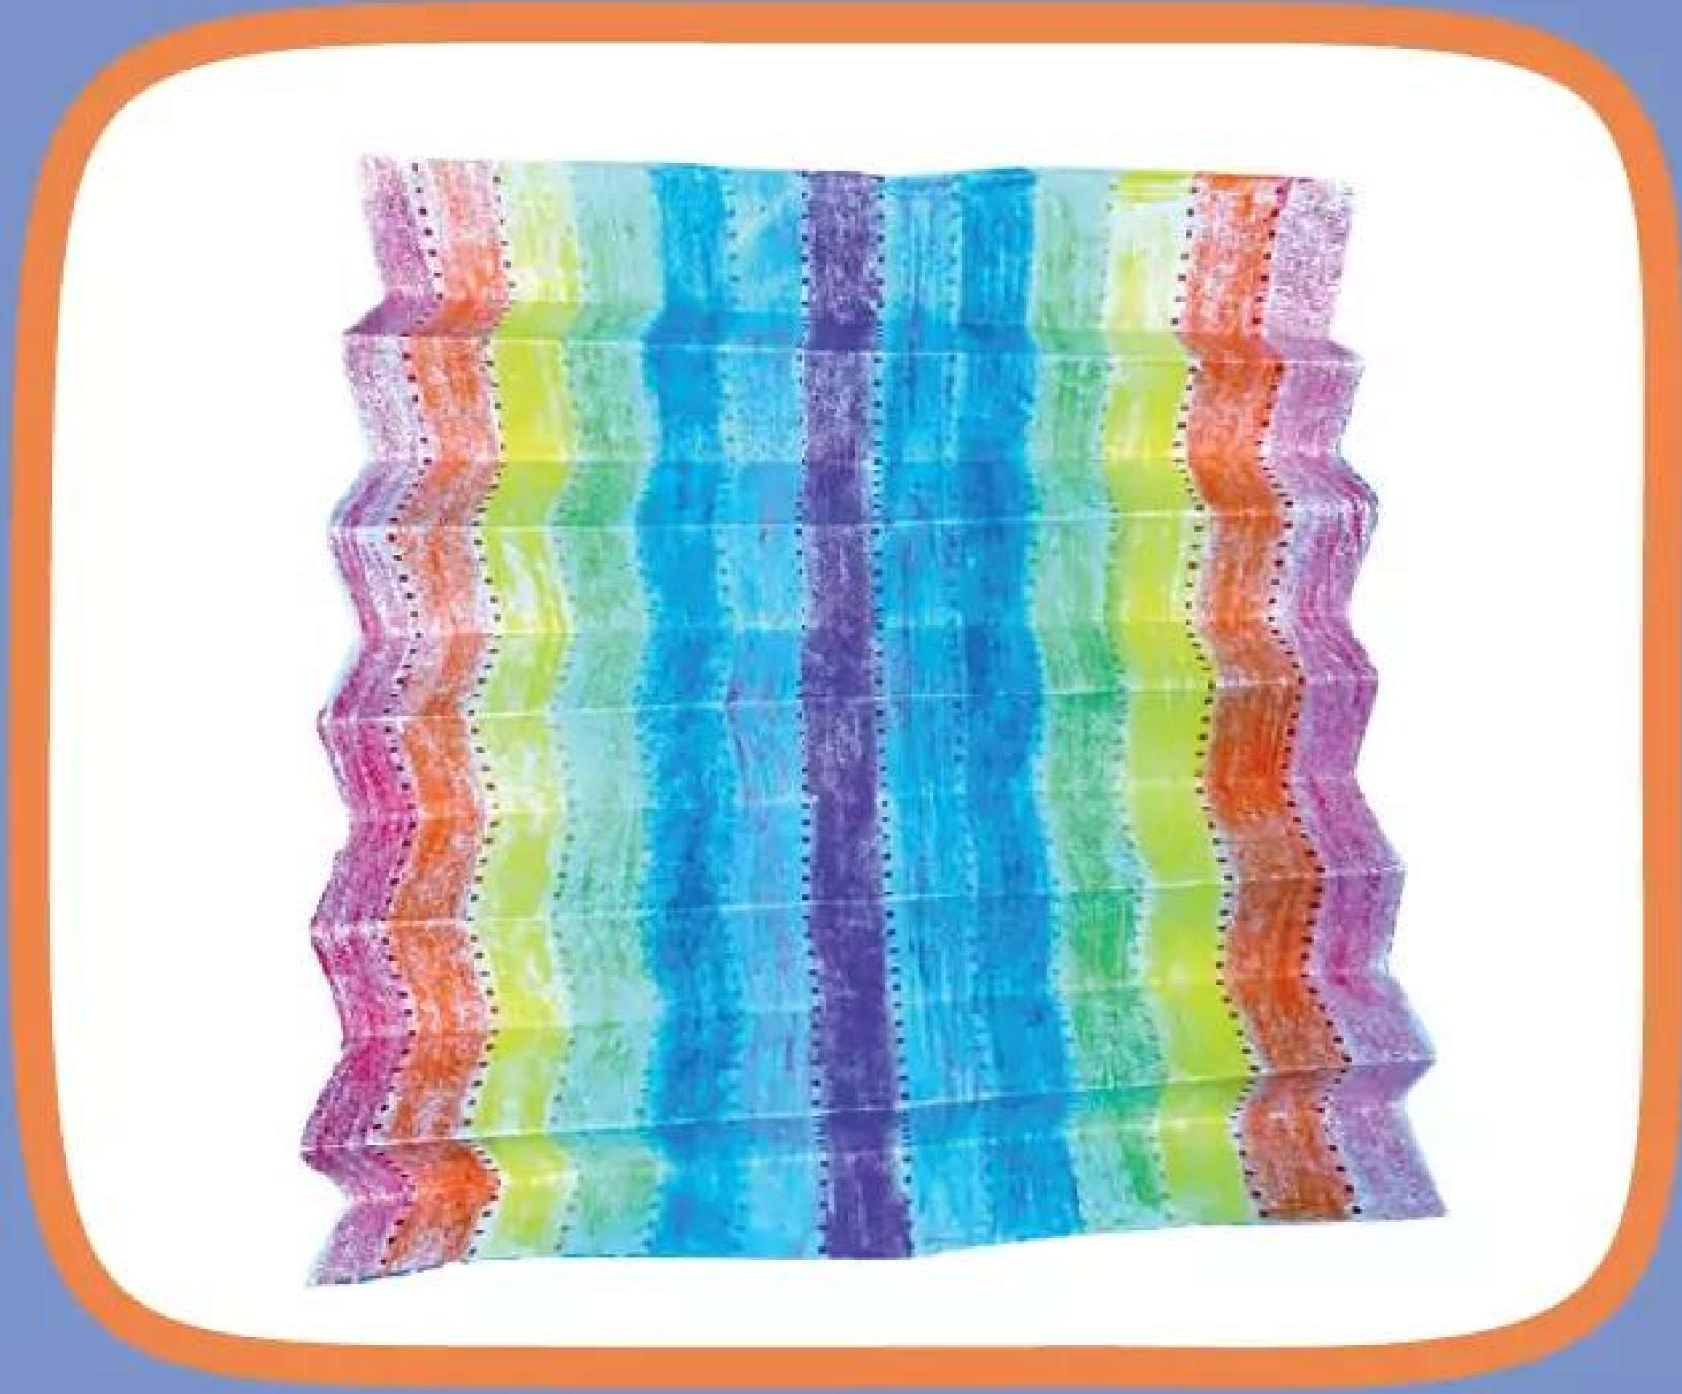
2

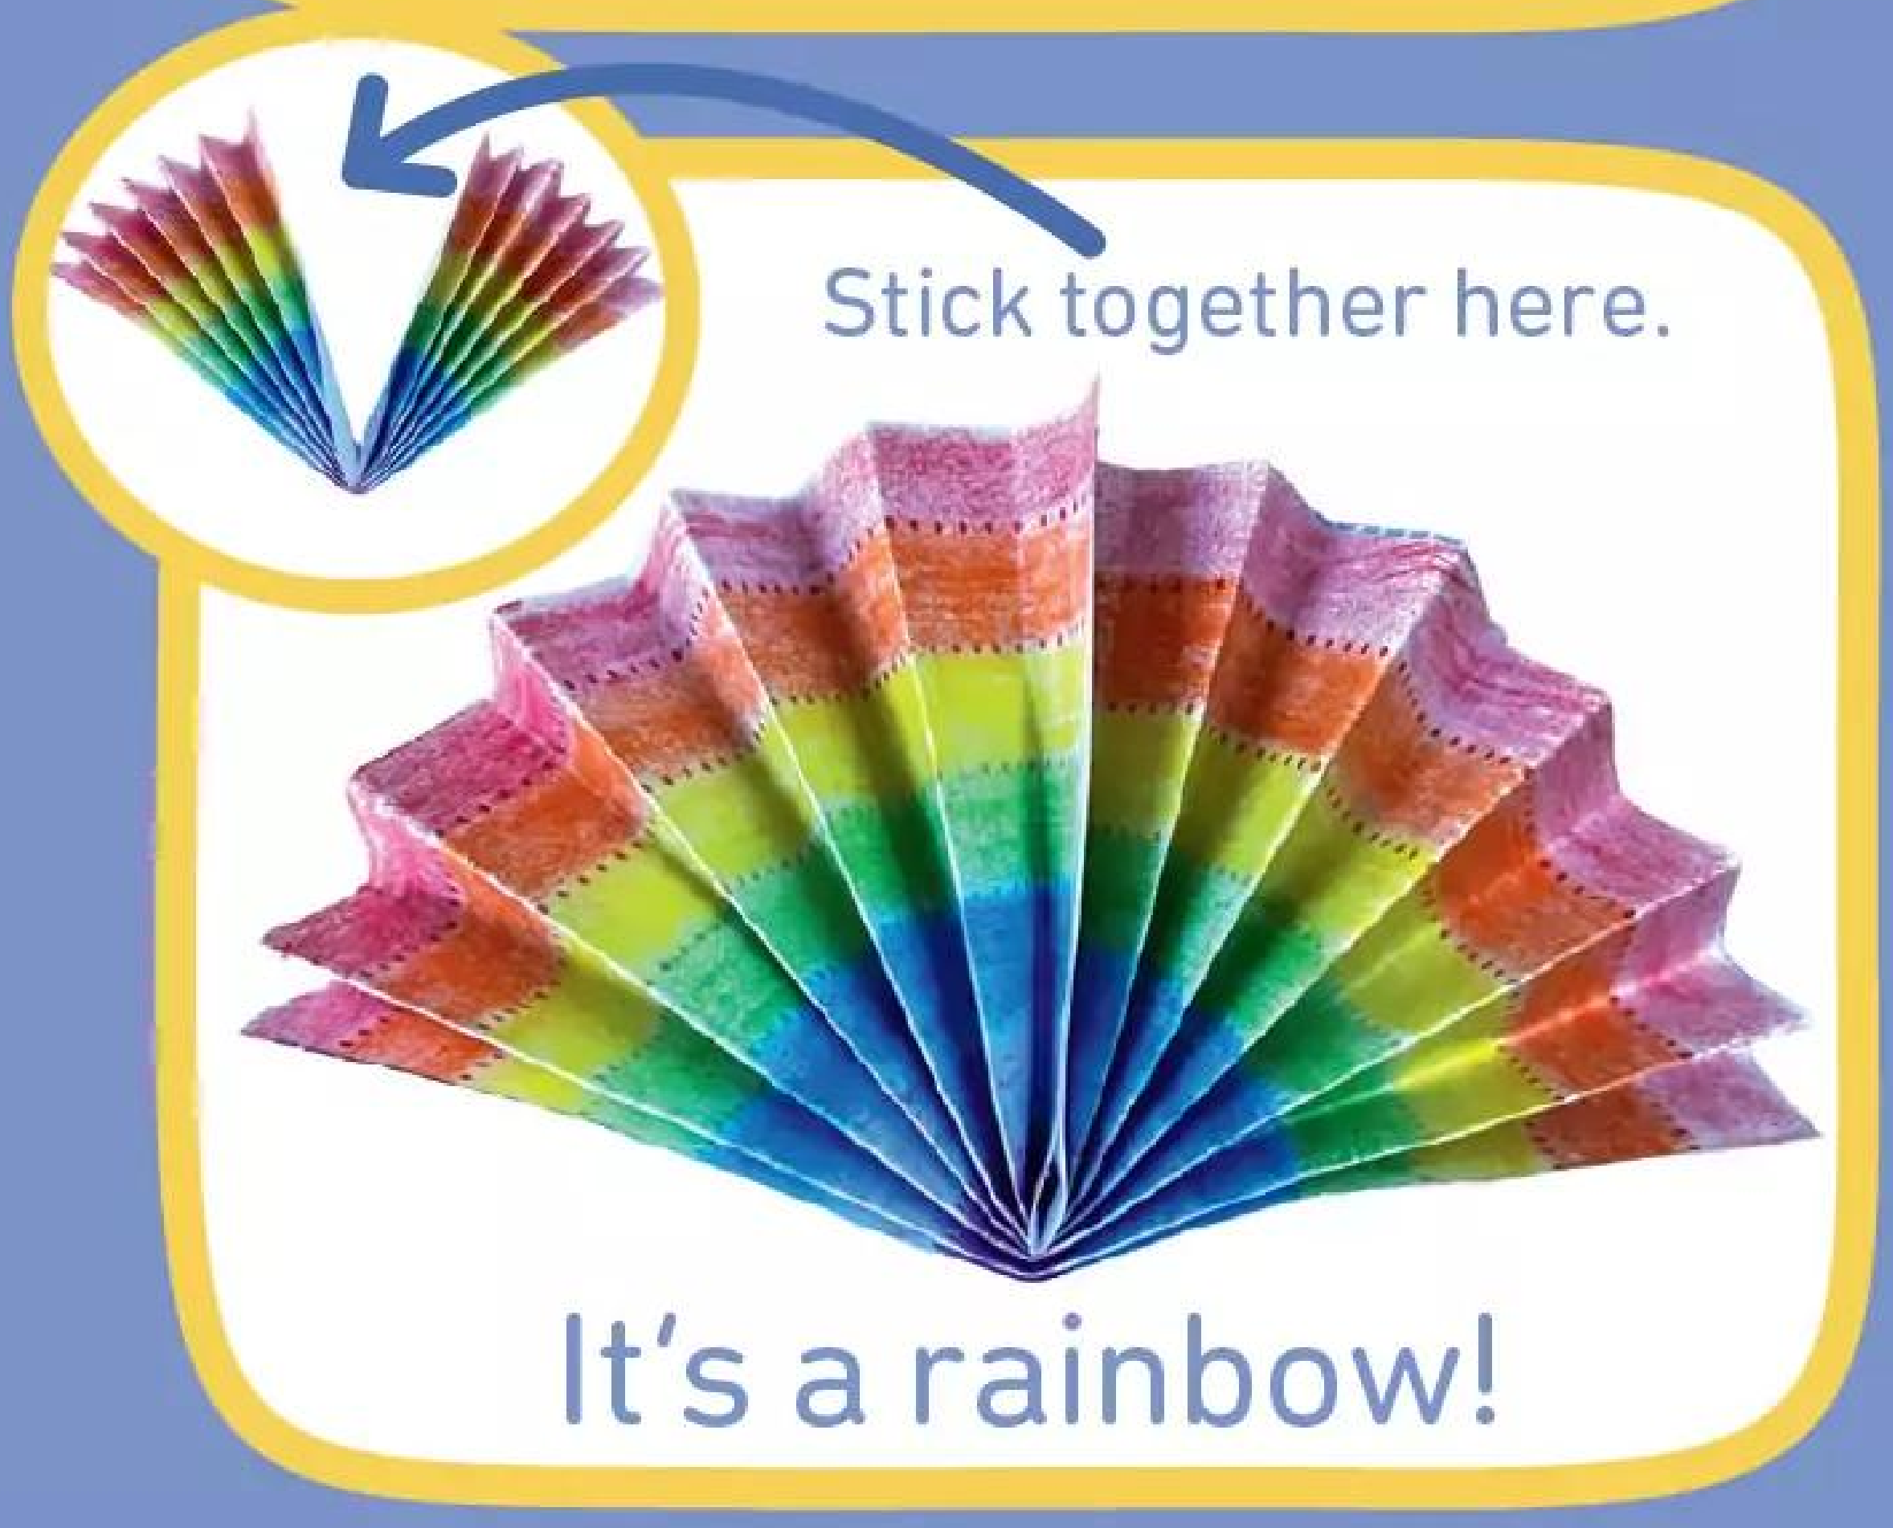
Colour the rainbow using the splats to guide you. Then fold it back and forth like a fan. Make sure it's this way round before you fold:

3

This bit can be trifficult! Close the fan so it's a long thin strip. Then fold it in half. Stick the middle bit together so it fans out like a rainbow!







Stick together here.

It's a rainbow!

4

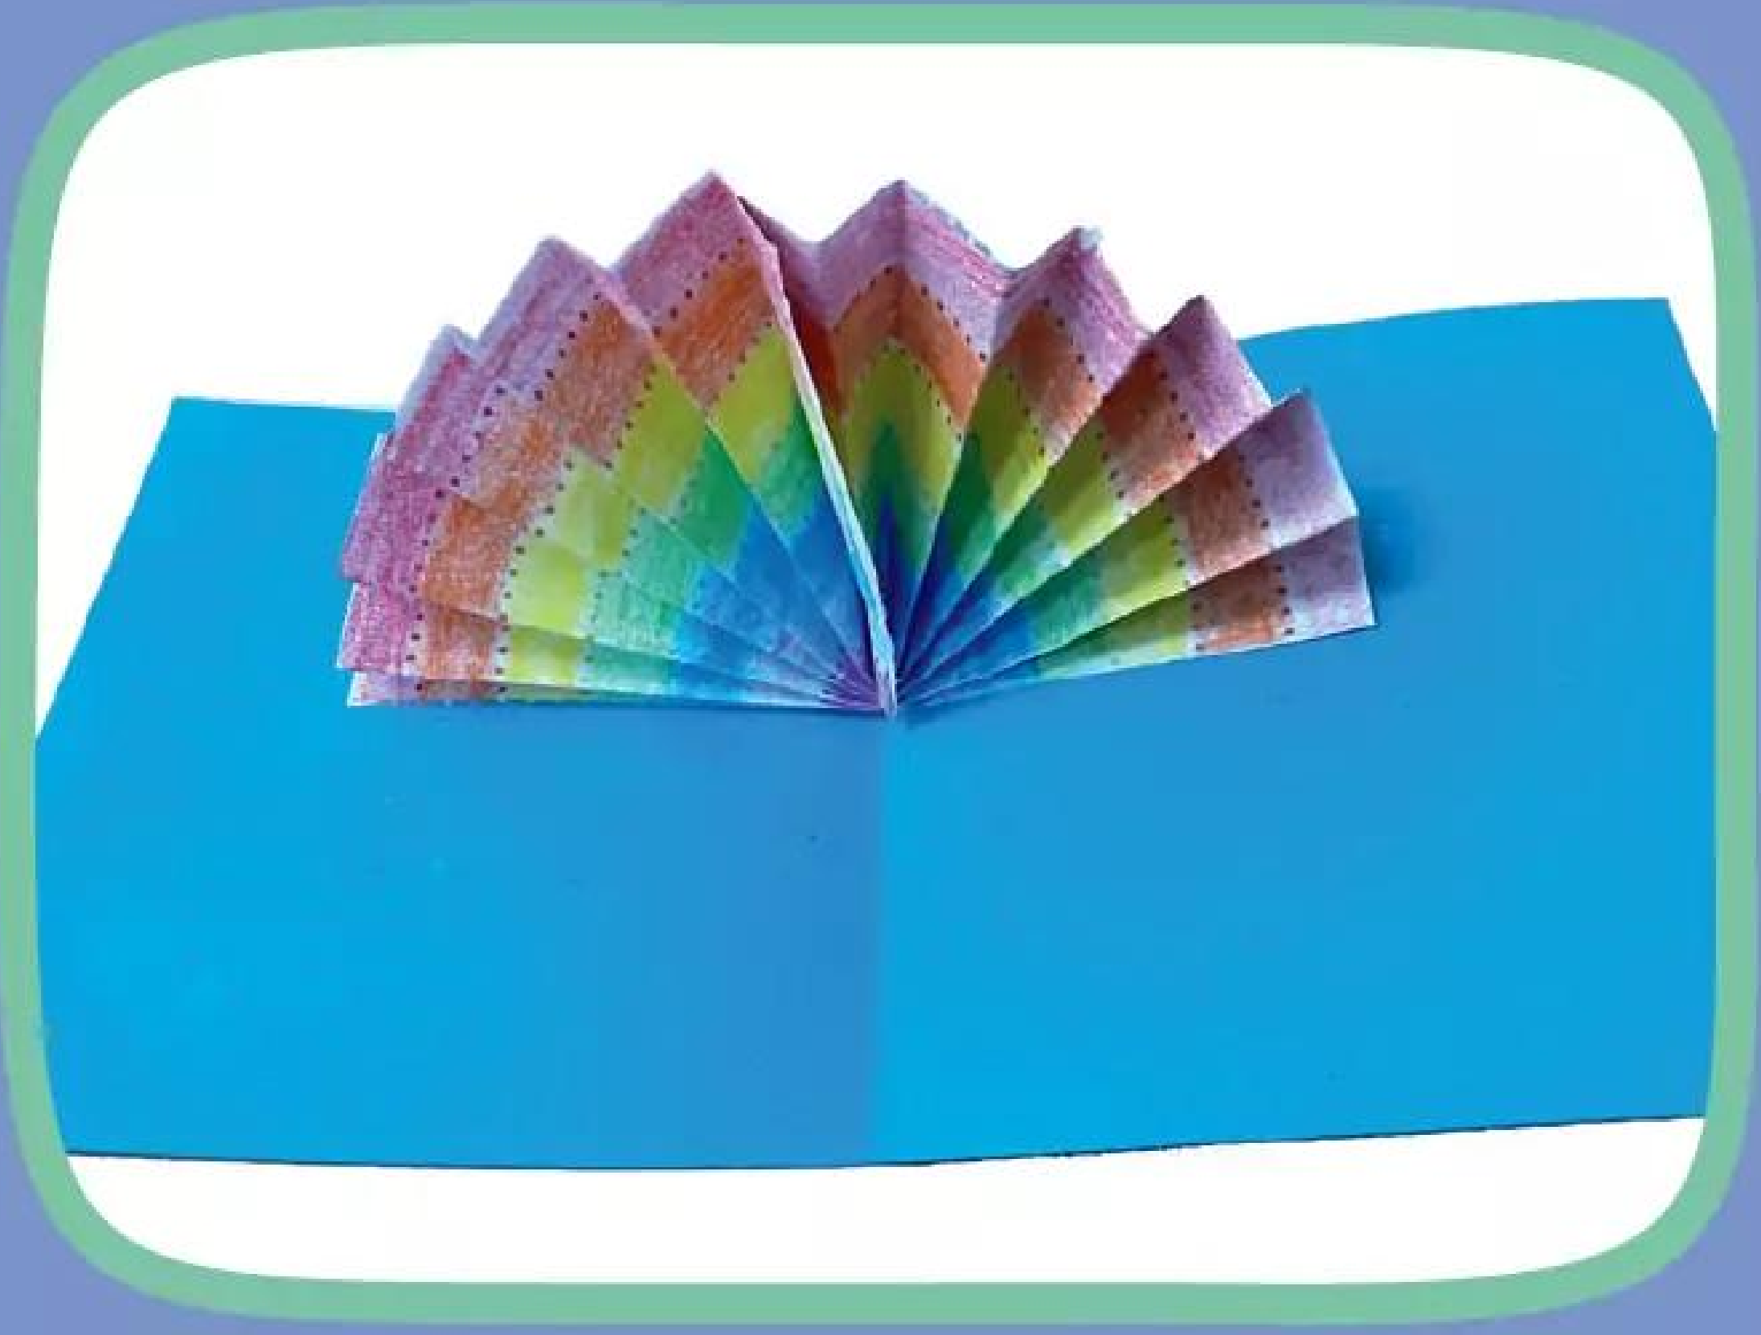
Flatten your rainbow so it's a strip again. Open up your card and stick one side of the strip inside (towards the top of the card). Fan out the rainbow and stick it in place on the other side.

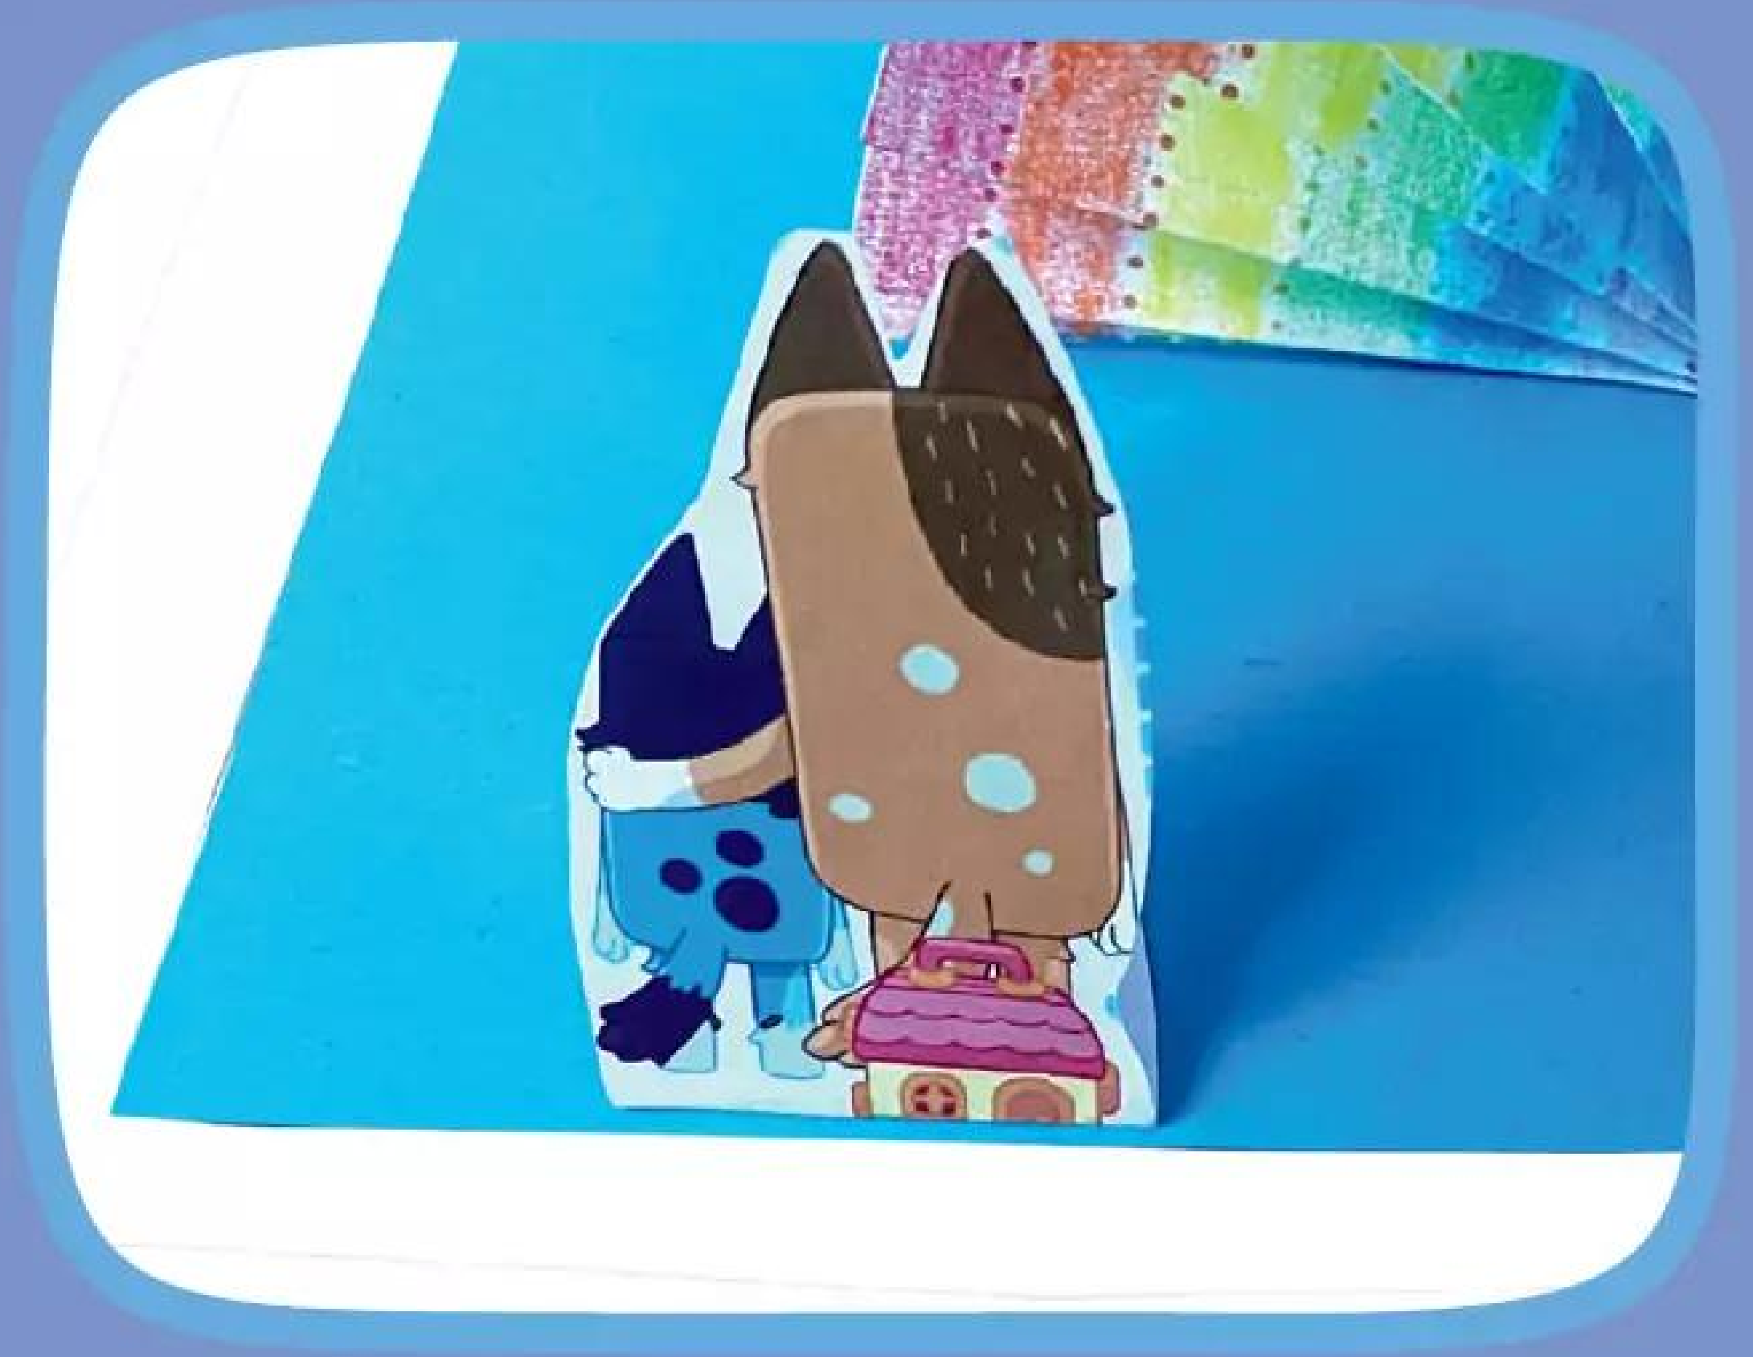
5

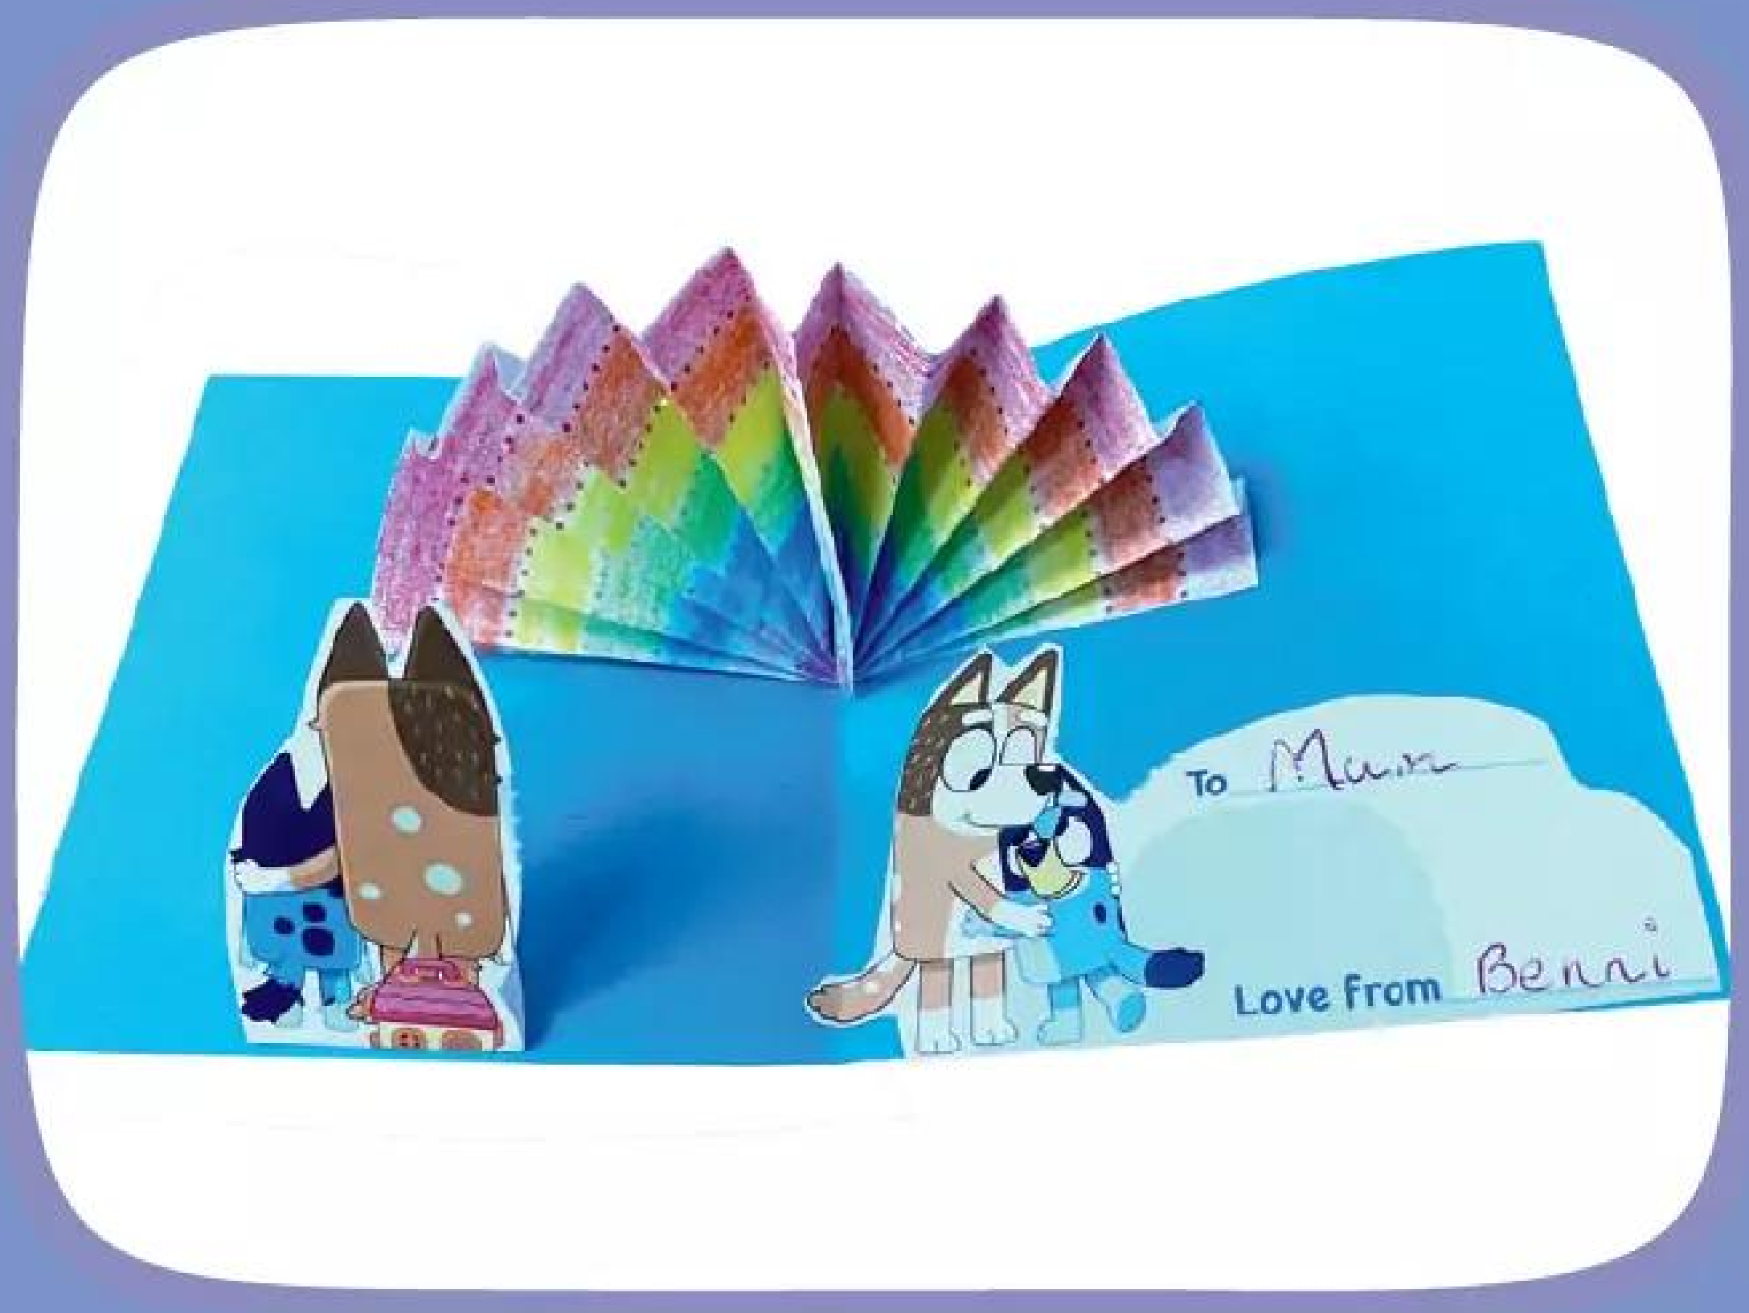
Stick Mum and Bluey in front of the rainbow using the tab. Write a message in the message cloud below, cut it out and glue it inside the card.

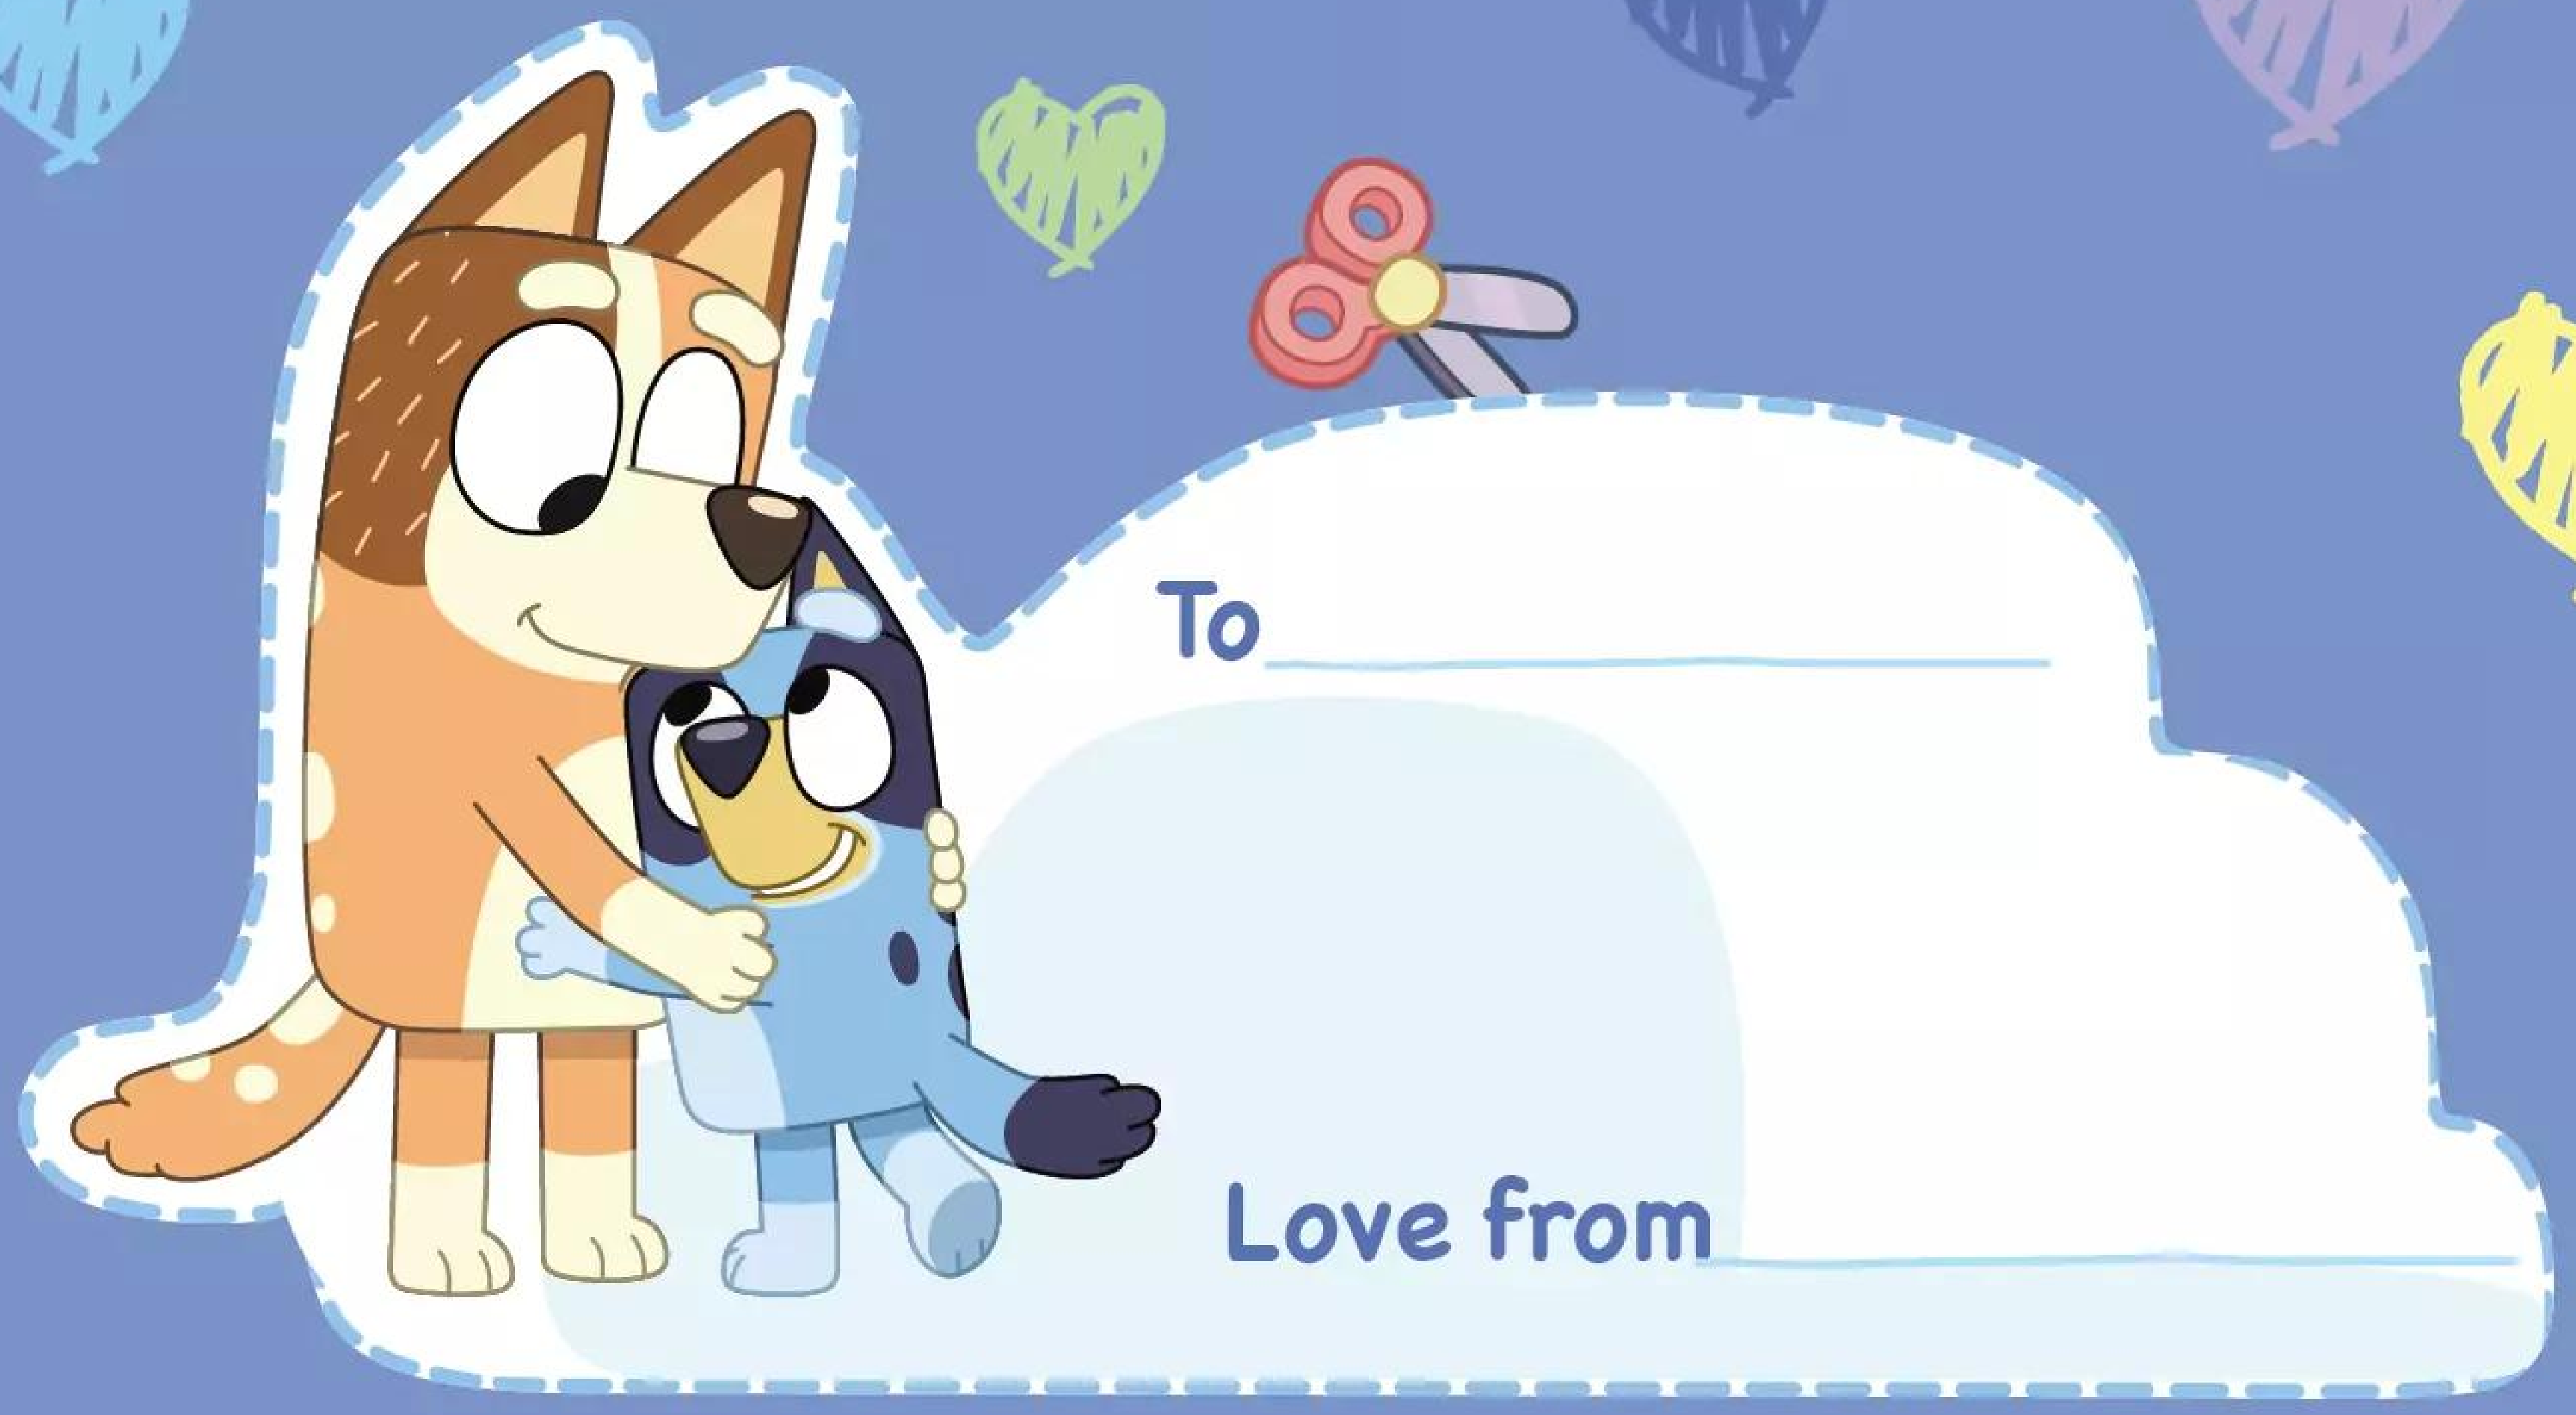
6

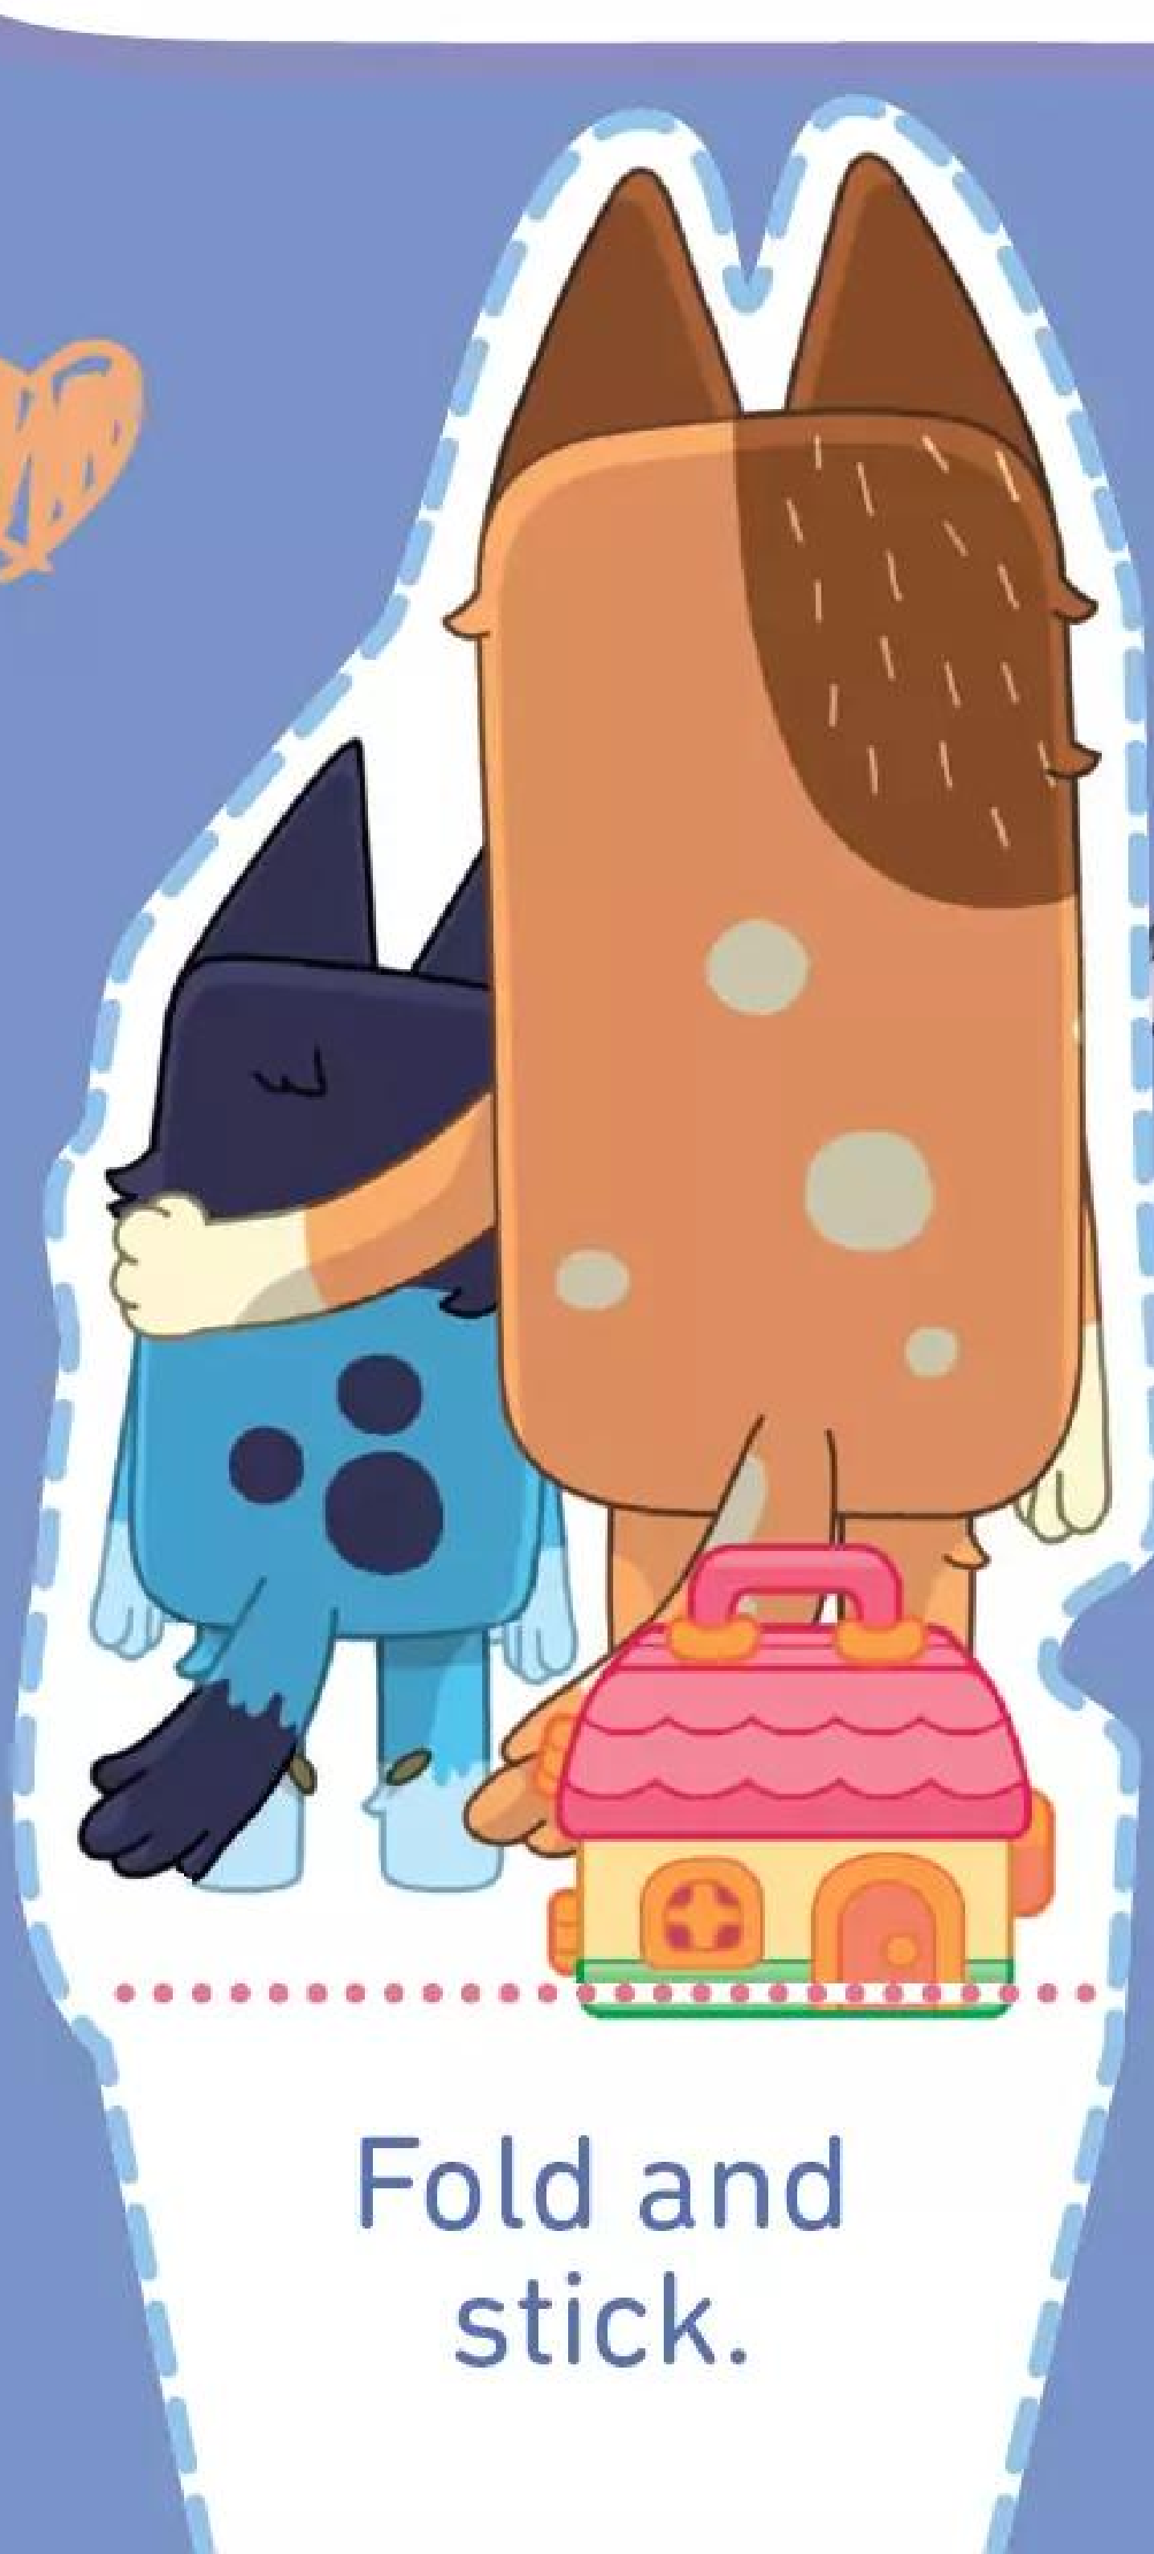
Shut your card and open it again to see the rainbow (and Mum and Bluey) pop up! Now it's ready to give to your special Chilli.











Fold and stick.

New Baby

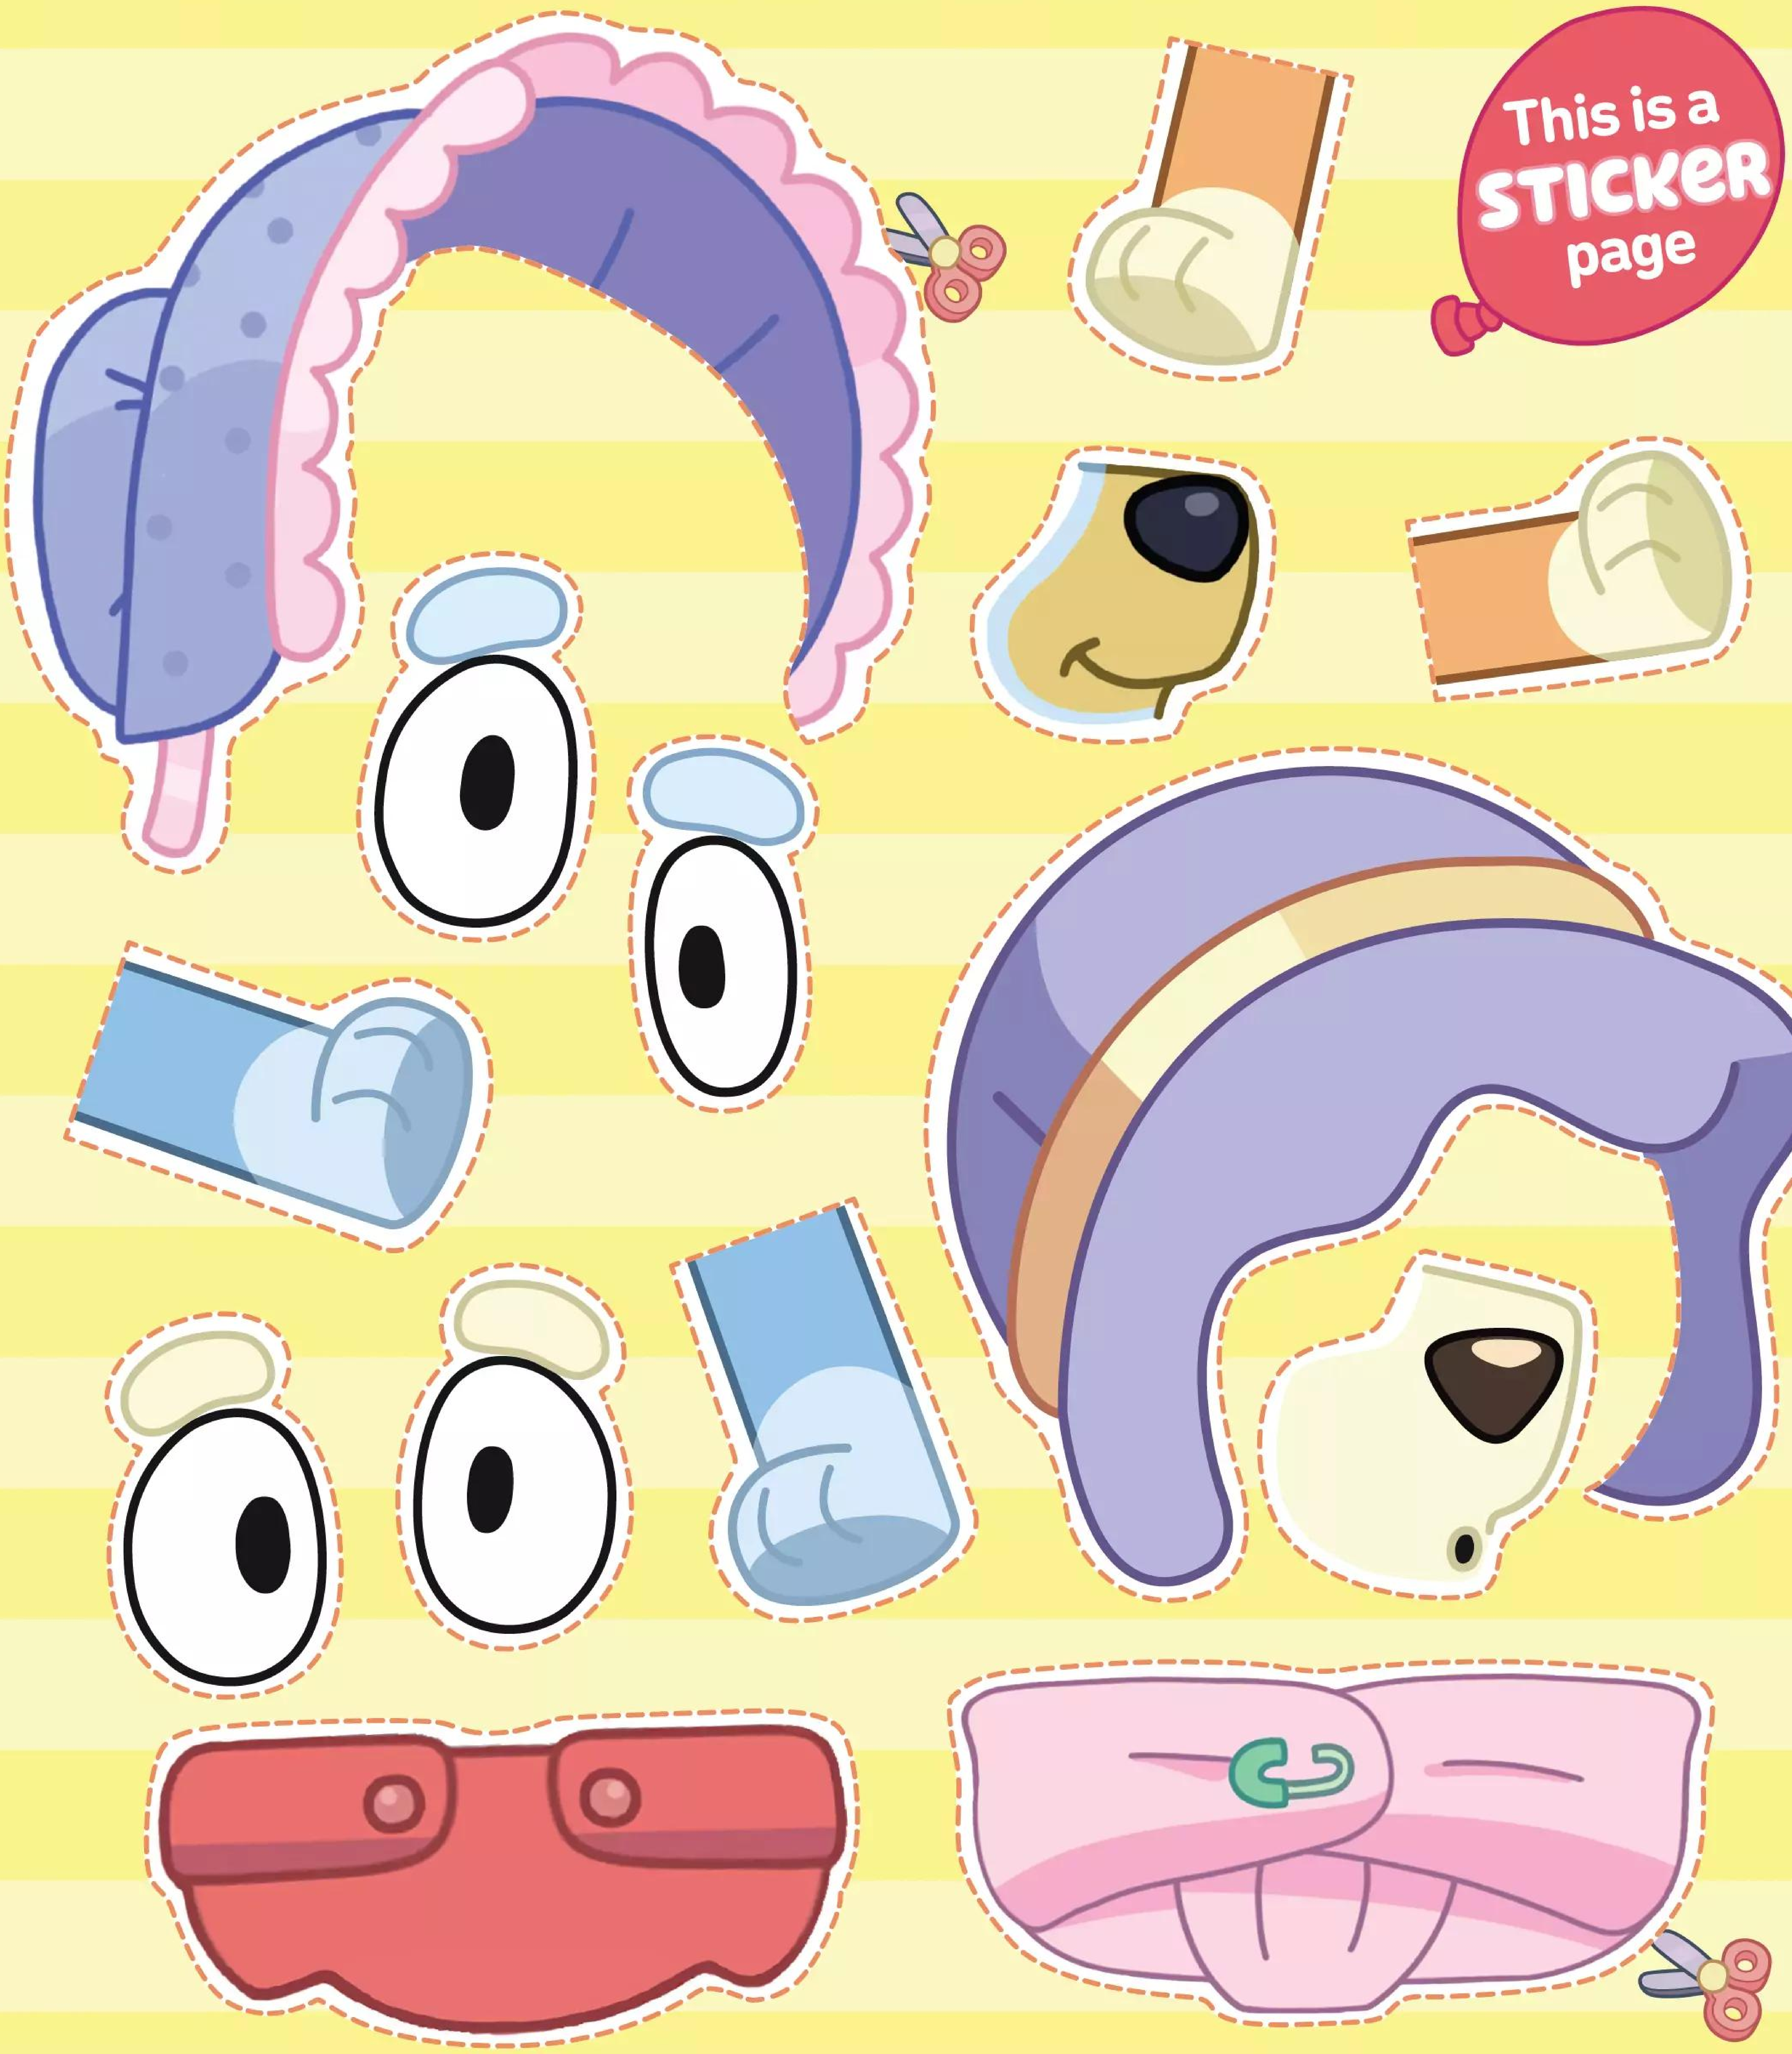
Don't forget to add your stickies!

WELCOME TO THE WORLD...

(Write your new baby's name here.)

Ask a grown-up to help you cut out these bits and bobs (read page 34 first), then stick them together in the space on page 32... any way you like.



Things you could say to your baby...

Baby want milky treats?

Hush, little baby, don't you cry...

Whoo! Someone's stinky. Time to change your nappy!

Baby loves his walkies!

Here comes the aeroplane. Nummy, nummy!

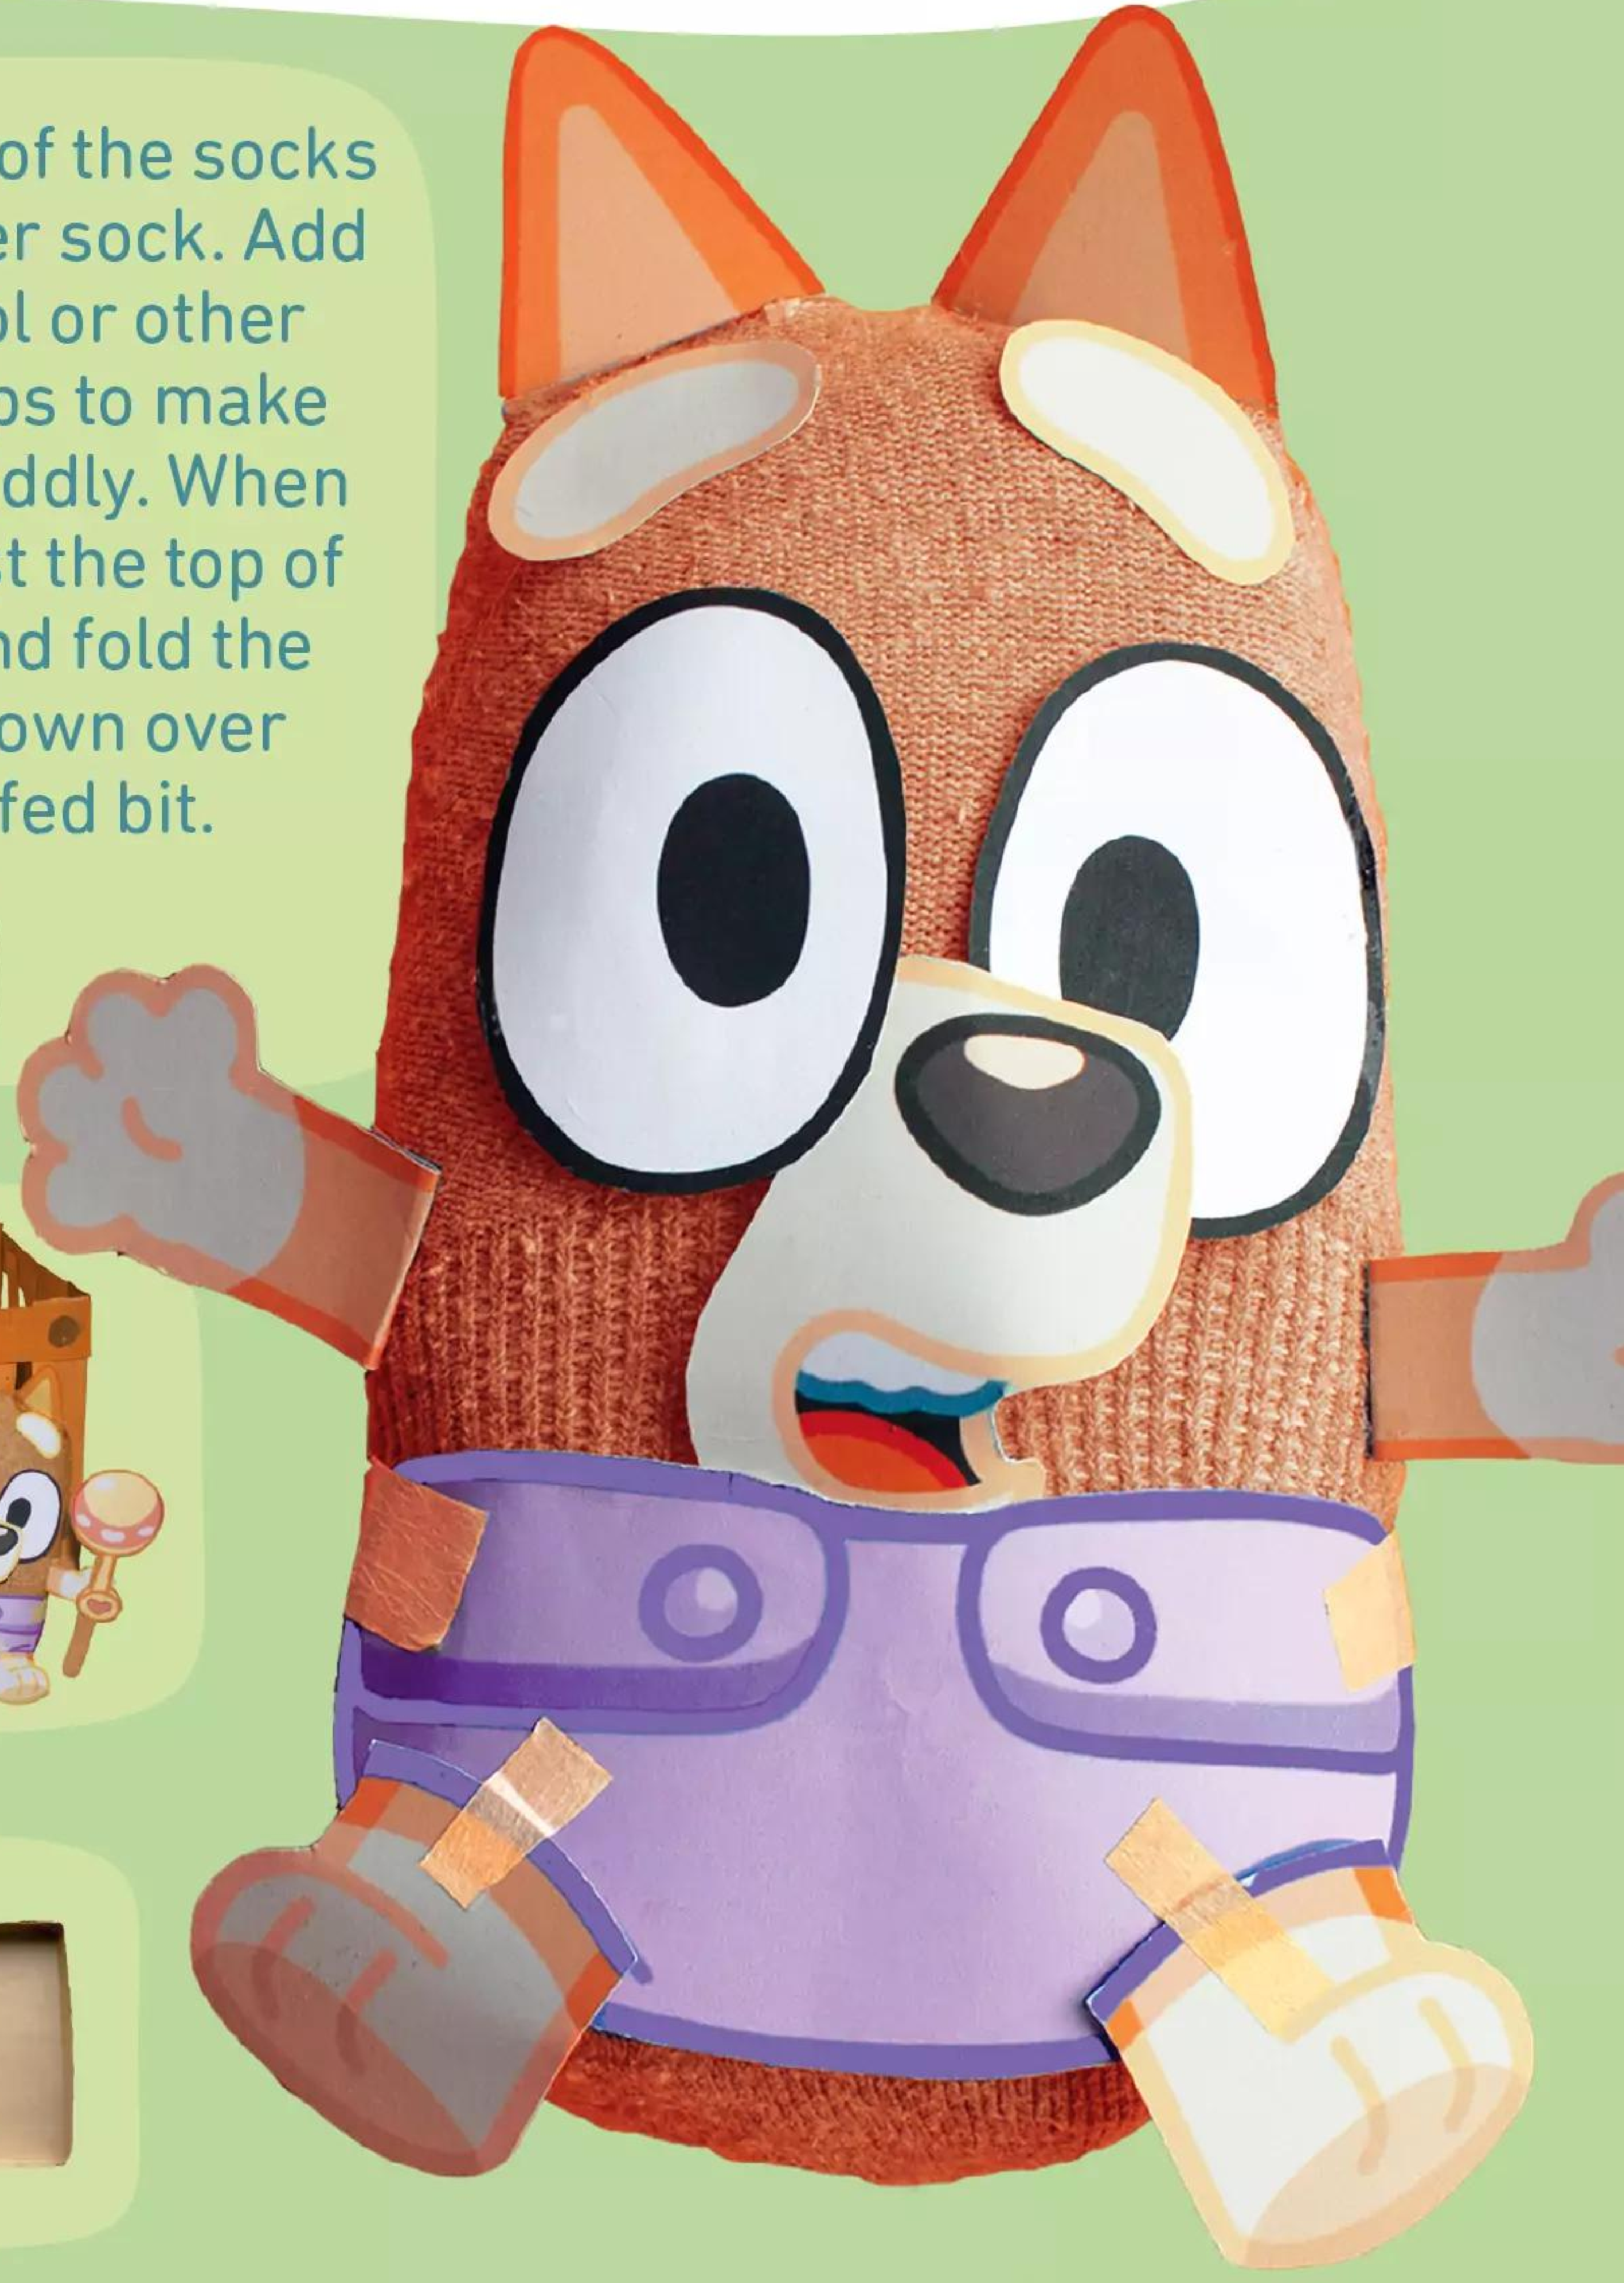
BABY BINGO

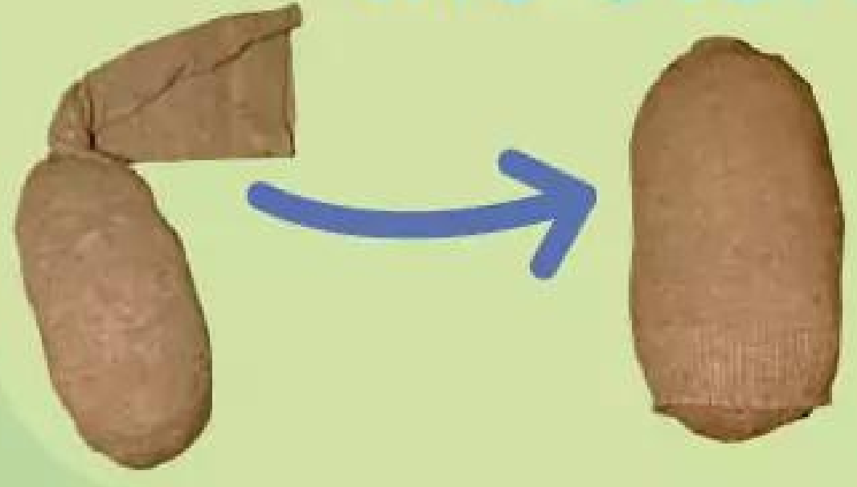
Got an old sock, squirt?
Follow these steps to turn it into baby Bingo!

YOU WILL NEED:

- a pair of orange or brown socks
- cotton wool balls or fabric scraps
- cereal box & cardboard tube
- glue & sticky tape
- scissors & paints
- a grown-up to help



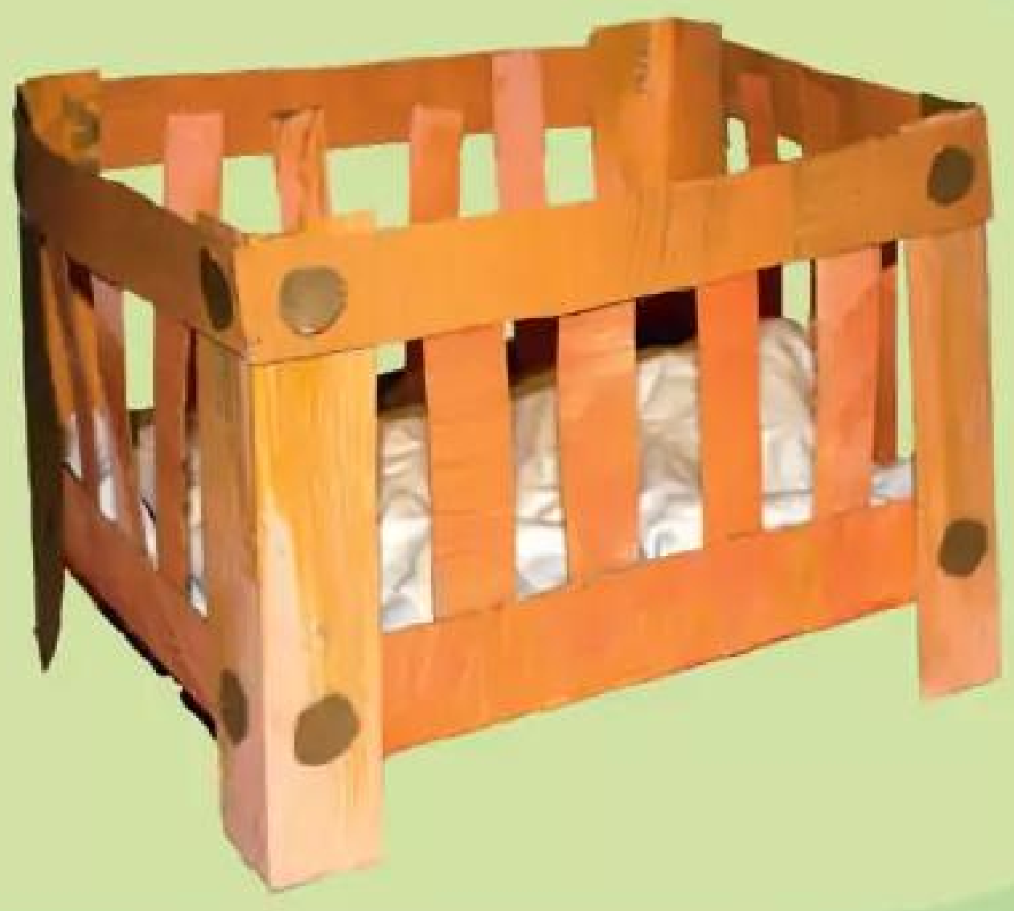
1 Stuff one of the socks with the other sock. Add cotton wool or other fabric scraps to make her extra cuddly. When it's full, twist the top of the sock and fold the open bit down over the stuffed bit.



2 Cut out the bits opposite and tape them to the stuffed sock. We stuck the bottle to a cardboard tube and added elastic to the dummy so she can hold it. Hello, baby Bingo!

3 Now Bingo needs somewhere to sleep! Grab your cereal box and cut it in half. Paint it all brown.

4 One half is the base of the cot. Cut the other half into strips to make the sides and top. Glue all the bits together until it looks like this:



5 Is your baby Bingo ready to go to sleep? It doesn't look like it!
